4. This decree is put into effect from the date of its signing.

*Prime Minister
of the Republic of Kazakhstan*

B. Sagintayev

Approved by № 624
Decree of the Government of the
Republic of Kazakhstan
dated October 6, 2017

PROVISION

on Aktau Seaport special economic zone 1. General regulations

1. Seaport Aktau special economic zone (hereinafter -SEZ) is located on the territory of Mangistau oblast within the administrative-territorial boundaries of the city of Aktau, Munayly, Karagiye and Tupkaragan districts of Mangistau oblast according to the attached plan.

The SEZ is a port special economic zone.

The SEZ area is 1926.1719 hectares and constitutes an integral part of the territory of the Republic of Kazakhstan.

Footnote. Paragraph 1 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

2. SEZ shall be created to accelerate the development of the region to enhance the entry of the republic's economy into the system of world economic relations, the creation of highly efficient, including high-tech and competitive industries, the development of new types of products, attracting investments, improving the legal norms of market relations, introducing modern management methods and management, increasing the tourism potential of the region and developing a highly efficient, competitive tourism infrastructure that can provide and satisfy the needs of arriving Kazakhstani and foreign tourists, as well as solving social problems.

Footnote. Paragraph 2 as amended by the Resolution of the Government of the Republic of Kazakhstan dated January 22, 2020 № 9.

3. The SEZ activity shall be regulated by the Constitution of the Republic of Kazakhstan, the Law of the Republic of Kazakhstan “On Special Economic and Industrial Zones”, these Regulations and other regulatory legal acts of the Republic of Kazakhstan.

Footnote. Paragraph 3 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

3-1. The list of priority activities of the SEZ, corresponding to the goals of its creation, as well as the procedure for including priority activities in this list, shall be determined by the authorized state body that carries out state regulation in the field of creation, operation and abolition of special economic and industrial zones, in agreement with the authorized body for state planning and the authorized body exercising leadership in the field of ensuring the receipt of taxes and other obligatory payments to the budget.

Footnote. The Regulation is supplemented by paragraph 3-1, in accordance with the Resolution of the Government of the Republic of Kazakhstan dated 14.08.2021 № 558.

4. Excluded by Resolution of the Government of the Republic of Kazakhstan dated February 19, 2021 № 78.

2. Management of SEZ

5. SEZ management shall be carried out in accordance with the Law of the Republic of Kazakhstan “On Special Economic and Industrial Zones”.

Footnote. Paragraph 5 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

3. Taxation in the territory of SEZ

6. Taxation on the territory of SEZ is regulated by the tax legislation of the Republic of Kazakhstan.

4. Customs regulation

7. Customs regulation in the territory of SEZ is carried out in accordance with the provisions of the customs legislation of the Eurasian economic union and the Republic of Kazakhstan.

8. The customs procedure of a free customs zone shall operate on the territory of the special economic zone or its part.

Footnote. Paragraph 8 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

9. Products intended for placement and (or) use in the territory of SEZ by persons carrying out priority types of activity in the territory of SEZ in accordance with the agreement on the implementation of activity as a participant of SEZ are placed under the customs procedure of a free customs zone.

10. The territory of the SEZ, where the customs procedure of free customs zone is applied, is a customs control zone. The territory of the SEZ shall be equipped for the customs control purposes. Requirements for the development of the SEZ territory, including requirements for fencing and equipping the perimeter of such a territory with a video surveillance system, shall be established by the authorized customs affairs body.

Footnote. Paragraph 10 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

11. In the territory of SEZ, places of temporary storage of products may be established in the order determined by the customs legislation of the Eurasian economic union and the Republic of Kazakhstan.

12. In the territory of SEZ products placed under the customs procedure of the free customs zone, as well as products of the Eurasian economic union, not placed under the customs procedure of the free customs zone, and foreign products placed under other customs procedures can be placed and used.

13. Products imported into the territory of SEZ and placed under the customs procedure of the free customs zone are considered as being outside the customs territory of the Eurasian economic union for the purposes of application of customs duties, taxes, as well as measures of non-tariff regulation.

14. Customs operations related to temporary storage, customs declaration, customs clearance and release of products, as well as the conduct of customs control in the territory of SEZ, are carried out in the order determined by the customs legislation of the Eurasian economic union and the Republic of Kazakhstan.

5. Protection of the environment

15. The activity of SEZ in terms of environmental regulation is carried out in accordance with the environmental legislation of the Republic of Kazakhstan and is based on the rational and efficient use of natural resources by creating conditions for the transition to sustainable development and environmental protection based on the balance of economic, social and environmental aspects of improving the quality of life.

6. Final provisions

16. The terms and conditions set forth in this Provision may be amended by a resolution of the Government of the Republic of Kazakhstan.

17. Early abolition of SEZ shall be carried out as required by the Law of the Republic of Kazakhstan “On Special Economic and Industrial Zones”.

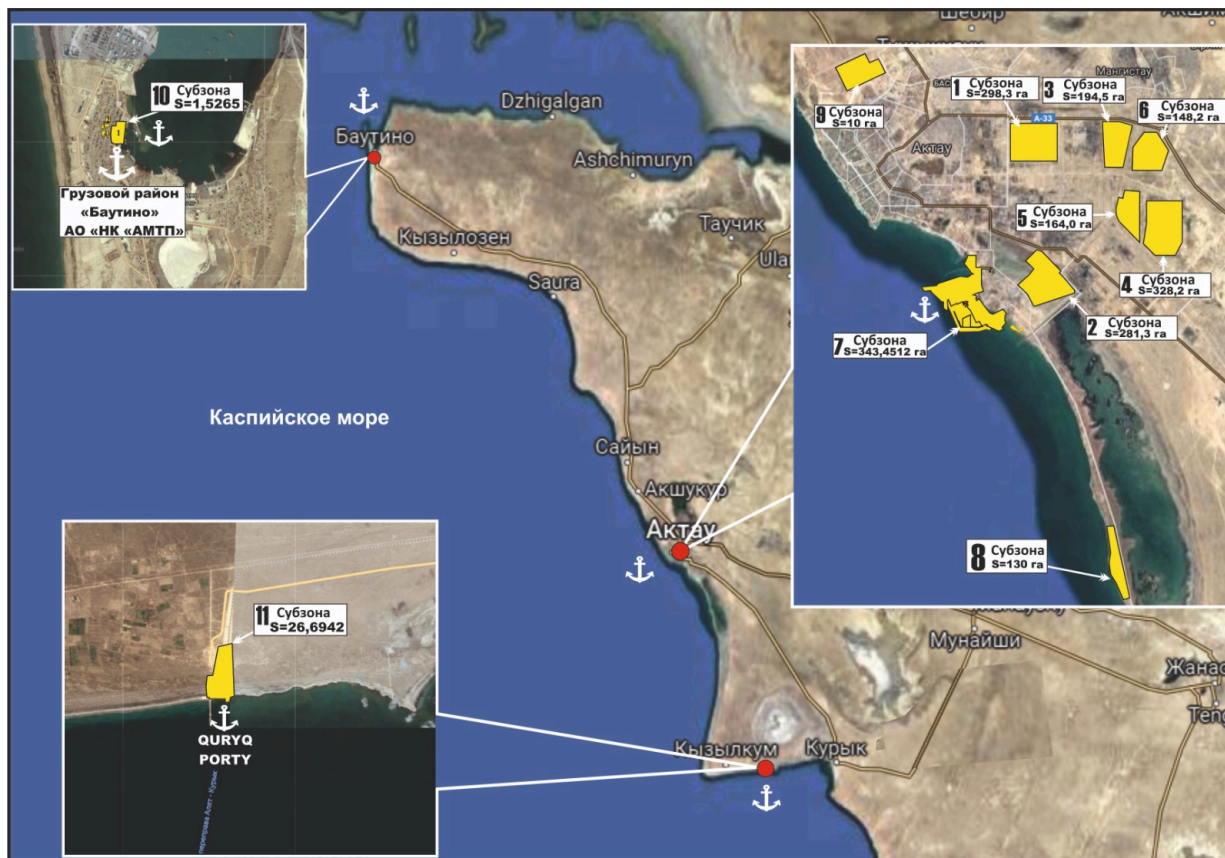

Footnote. Paragraph 17 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

18. The activity of SEZ, not regulated by this Provision, is carried out in accordance with the current legislation of the Republic of Kazakhstan and the Eurasian economic union.

REGULATION

on the Ontustik special economic zone

1. General provisions

1. The special economic zone "Ontustik" (hereinafter referred to as the SEZ) is located on the territory of the city of Shymkent according to the attached plan.

The territory of the SEZ is 225.0001 hectares and is an integral part of the territory of the Republic of Kazakhstan.

Footnote. Paragraph 1 as amended by the Resolution of the Government of the Republic of Kazakhstan dated February 19, 2021 № 78.

2. The SEZ creation is aimed at:

1) accelerated development of the region for activation of entry of the republic's economy to the system of world economic networks, creation of high-level production, including high-technological and competitive productions, development of production of new types of products, attraction of investments, improvement of legal norms of market relations, introduction of modern methods of administration and management, as well as solution of social problems;

2) development of cotton-processing enterprises, textile and clothing industry of the Republic of Kazakhstan;

3) development of textile industry;

4) attraction of manufacturers of world trade marks for production of textile products;

5) creation of high-technological production, improvement of quality and expansion of range of produced textile products;

6) development of chemical and petrochemical spheres.

3. The SEZ activities shall be regulated by the Constitution of the Republic of Kazakhstan, the Law of the Republic of Kazakhstan "On Special Economic and Industrial Zones", these Regulations and other regulatory legal acts of the Republic of Kazakhstan.

Footnote. Paragraph 3 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

2. Management of the SEZ

5. SEZ management shall be carried out in accordance with the Law of the Republic of Kazakhstan "On Special Economic and Industrial Zones".

Footnote. Paragraph 5 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

3. Taxation in the territory of the SEZ

6. Taxation in the SEZ territory shall be regulated by the tax legislation of the Republic of Kazakhstan.

4. Customs regulation

7. Customs regulation in the SEZ territory is carried out in accordance with the provision of the customs legislation of the Eurasian Economic Union and the Republic of Kazakhstan.

8. The customs procedure of a free customs zone shall operate on the territory of the special economic zone or its part.

Footnote. Paragraph 8 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

9. The products covered by customs procedure of the free customs zone are those intended for placement and (or) use in the territory of the SEZ by persons, carrying out priority kinds of activities in accordance with the agreement on implementation of activities as the SEZ participant.

10. The territory of SEZ, on which the customs procedure of free customs zone is applied, is a customs control zone. The SEZ territory shall be equipped for the purposes of customs control. Requirements to equipping the SEZ territory, including requirements for fencing and equipping the perimeter of such territory with video surveillance system, shall be established by the authorized customs affairs body.

Footnote. Paragraph 10 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

11. In the SEZ territory facilities for temporary storage of products can be created in the order specified by the customs legislation of the Eurasian Economic Union and the Republic of Kazakhstan.

12. The products covered by the customs procedure of the free customs zone, as well as the products of the Eurasian Economic Zone, not covered by the customs procedure of the free customs zone, and foreign products, covered by other customs procedures can be placed and used in the SEZ territory.

13. The products imported into the SEZ territory and covered by the customs procedure of the free customs zone shall be considered as products outside the customs territory of the Eurasian Economic Zone for the purposes of application of customs duties, taxes, as well as non-tariff regulation measures.

14. Customs operations, related to temporary storage, customs declaration, customs clearance and release of products, as well as implementation of customs control in the SEZ territory, are carried out in the order specified by the customs legislation of the Eurasian Economic Union and the Republic of Kazakhstan.

5. Protection of environment

15. The activities of the SEZ in terms of ecological regulation are carried in accordance with the ecological legislation of the Republic of Kazakhstan and based on the rational and effective use of nature resources through creation of the conditions for transfer to sustainable development and protection of environment based on the balance of economic, social and ecological aspects of life standards improvement.

6. Final provisions

16. Terms and conditions, specified in this Regulation can be amended by the resolution of the Government of the Republic of Kazakhstan.

17. Early abolition of the SEZ shall be carried out as required by the Law of the Republic of Kazakhstan “On Special Economic and Industrial Zones”.

Footnote. Paragraph 17 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

18. The activities of the SEZ, not regulated by this Regulation, are carried out in accordance with the current legislation of the Republic of Kazakhstan and the Eurasian Economic Union.

Regulations

on the Khorgos International Centre of Boundary Cooperation special economic zone

1. General provisions

1. The special economic zone "International Center for Cross-Border Cooperation "Khorgos" (hereinafter referred to as the SEZ) is located on the territory of the Panfilov district of the Almaty region within the boundaries according to the attached plan.

The SEZ is a special economic zone, the limits of which completely or partially coincide with sections of the customs border of the Eurasian Economic Union in accordance with the Customs Code of the Eurasian Economic Union.

The territory of the SEZ is 608.56 hectares and is an integral part of the territory of the Republic of Kazakhstan.

Footnote. Paragraph 1 as amended by the Resolution of the Government of the Republic of Kazakhstan dated May 22, 2019 № 307.

2. The SEZ creation is aimed at:

development of cross-border trade and economic cooperation;

development of export-oriented industries;

activation of the business and investment environment;

development of transport infrastructure, tourism and cultural interaction;

solution of socio-economic issues of the Almaty oblast, in which the SEZ is located.

3. The activities of the FEZ shall be regulated by the Constitution of the Republic of Kazakhstan, the Agreement between the Government of the Republic of Kazakhstan and the

Government of the People's Republic of China on the establishment and regulation of the activities of the International Center for Border Cooperation "Khorgos", concluded in Astana on July 4, 2005, the Law of the Republic of Kazakhstan "On special economic and industrial zones", these Regulations and other regulatory legal acts of the Republic of Kazakhstan.

Footnote. Paragraph 3 as amended by the Resolution of the Government of the Republic of Kazakhstan dated May 22, 2019 № 307.

4. Excluded by Resolution of the Government of the Republic of Kazakhstan dated February 19, 2021 № 78.

2. Management of the SEZ

5. The SEZ shall be managed in accordance with the Law of the Republic of Kazakhstan "On Special Economic and Industrial Zones".

Footnote. Paragraph 5 as amended by the Resolution of the Government of the Republic of Kazakhstan dated May 22, 2019 № 307.

3. Taxation in the territory of SEZ

6. Taxation in the SEZ territory shall be regulated by the tax legislation of the Republic of Kazakhstan.

4. Customs regulation

7. Customs regulation in the SEZ territory is carried out in accordance with the provision of the customs legislation of the Eurasian Economic Union and the Republic of Kazakhstan.

8. The customs procedure of a free customs zone shall operate on the territory of a special economic zone or its part.

Footnote. Paragraph 8 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

9. The territory of SEZ, on which the customs procedure of free customs zone is applied, is a customs control zone. The SEZ territory shall be equipped for the customs control purposes. Requirements for equipping the SEZ territory, including requirements for fencing and equipping the perimeter of such territory with video surveillance system, shall be established by the authorized customs affairs body.

Footnote. Paragraph 9 as amended by the Resolution of the Government of the Republic of Kazakhstan dated 30.01.2024 № 46.

10. In the SEZ territory facilities for temporary storage of products can be created in the order specified by the customs legislation of the Eurasian Economic Union and the Republic of Kazakhstan.

In the SEZ territory facilities for global post exchange can be created in accordance with the legislation of the Republic of Kazakhstan.

11. The products covered by the customs procedure of the free customs zone, as well as the products of the Eurasian Economic Zone, not covered by the customs procedure of the free customs zone, and foreign products, covered by other customs procedures can be placed and used in the SEZ territory.

12. The products imported into the SEZ territory and covered by the customs procedure of the free customs zone shall be considered as products outside the customs territory of the Eurasian Economic Zone for the purposes of application of customs duties, taxes, as well as non-tariff regulation measures.

13. Customs operations, related to temporary storage, customs declaration, customs clearance and release of products, as well as implementation of customs control in the SEZ territory, are carried out in the order specified by the customs legislation of the Eurasian Economic Union and the Republic of Kazakhstan.

5. Protection of environment

14. Implementation of the activities of the SEZ is based on the rational and effective use of nature resources through creation of the conditions for transfer to sustainable development and protection of environment based on the balance of economic, social and ecological aspects of life standards improvement

6. Procedure and terms of the SEZ elimination

15. The SEZ is eliminated upon the expiry of the term for which it was created.

The SEZ is eliminated with the resolution of the Government of the Republic of Kazakhstan on the proposal of the authorized body.

7. Final provisions

16. Early abolition of the SEZ shall be carried out in accordance with the Law of the Republic of Kazakhstan "On Special Economic and Industrial Zones".

Footnote. Paragraph 16 as amended by the Resolution of the Government of the Republic of Kazakhstan dated May 22, 2019 № 307.

17. The activities of the SEZ, not regulated by this Regulation, are carried out in accordance with the current legislation of the Republic of Kazakhstan and the Eurasian Economic Union.
