Appendix
to the form of information on
payment cards

Explanation on filling out the administrative data form

Information on payment cards (index:2-PK, monthly frequency)

Chapter 1. General provisions

1. This explanation defines the uniform requirements for filling out the form intended for collecting administrative data, "Information on payment cards", (hereinafter referred to as the Form).

2. The form is developed in accordance with subparagraph 52-5) of part two of Article 15 of the Law of the Republic of Kazakhstan "On the National Bank of the Republic of Kazakhstan" and subparagraph 14) of paragraph 1 of Article 4 of the Law of the Republic of Kazakhstan "On payments and payment systems".

3. The form is drawn up monthly by payment service providers who are issuers of payment cards and is filled in as of the end of the reporting period.

4. The form is signed by the first manager or the person authorized by him to sign the report, and the executor.

Chapter 2. Explanation of filling out the Form

In Table 1:

5. In column 1, information on payment cards is indicated by regions and cities of republican significance.

The line "outside the Republic of Kazakhstan" contains information on payment cards distributed by a bank, a branch of a non-resident bank of the Republic of Kazakhstan and an organization carrying out certain types of banking operations abroad.

6. In column 2, the name of the payment card system for which information is provided is indicated, in accordance with the corresponding directory in the automated information system for submitting information.

7. Columns 3, 4, 5 and 6 indicate the number of payment cards issued on physical media as of the last date of the reporting month, taking into account the main and additional payment cards.

8. Column 7, 8, 9 and 10 indicate the number of virtual payment cards as of the last date of the reporting month, taking into account the main and additional payment cards.

9. Column 11, 12, 13 and 14 indicate the number of physical payment cards that were used in the reporting month to conduct transactions and receive information banking services, taking into account the main and additional payment cards. The payment card used several times in the reporting month is indicated once.

10. Columns 15, 16, 17 and 18 indicate the number of virtual payment cards that were used in the reporting month to conduct transactions and receive information banking services, taking into account the main and additional payment cards. The payment card used several times in the reporting month is indicated once.

11. Columns 19 and 20 indicate the number of payment card holders as of the last date of the reporting month, broken down into physical and virtual payment cards. If one holder has several payment cards, such holder is indicated once.

In Table 2:

12. In column 1, information on payment cards is indicated by regions and cities of republican significance.

The line "outside the Republic of Kazakhstan" contains information on payment cards distributed by a bank, a branch of a non-resident bank of the Republic of Kazakhstan and an organization carrying out certain types of banking operations abroad.

13. Column 2 indicates the number of payment systems in which the respondent's payment cards are serviced.

14. Column 3 indicates the total number of payment card holders for all payment systems specified in column 2.

15. Column 4 indicates the actual number of payment card holders obtained by reconciliation by individual identification number of customers.

of information on the number
and volume of transaction using
payment cards

Explanation on filling out the administrative data form

Information on the number and volume of transactions using payment cards (index: 4-PK, monthly

frequency)

Chapter 1. General provisions

1. This explanation defines the uniform requirements for filling out the form intended for collecting administrative data, "Information on the number and volume of transactions using payment cards" (hereinafter referred to as the Form).

2. The form is developed in accordance with subparagraph 52-5) of part two of Article 15 of the Law of the Republic of Kazakhstan "On the National Bank of the Republic of Kazakhstan" and subparagraph 14) of paragraph 1 of Article 4 of the Law of the Republic of Kazakhstan "On payments and payment systems".

3. The form is drawn up monthly by payment service providers who are issuers of payment cards and (or) acquirers and is filled in as of the end of the reporting period.

4. The form is signed by the first manager or a person authorized by him to sign the report

5. The form is filled in tenge. If the transaction is carried out in a foreign currency, the information on it is indicated in terms of tenge at the market exchange rate on the day of the transaction.

Chapter 2. Explanation of filling out the Form

6. The form contains information on non-cash transactions and cash withdrawal operations carried out using a payment card and (or) its details.

7. Column 1 indicates the type of operation (payment for goods, services and other types of operations), according to the corresponding directory in the automated information system for submitting information.

8. In column 2, the environment of the operation is indicated - the name of the electronic terminal or remote access system, according to the corresponding directory in the automated information system for presenting information.

9. In column 3, the sign of the holder of the payment card for which information is provided is indicated, depending on the type of the subject of civil law of its holder (a payment card of an individual, a corporate payment card or a card of another bank).

10. In column 4, the name of the payment card system is indicated, according to which information is provided in accordance with the corresponding directory in the automated information system for submitting information.

11. Column 5 indicates the sign corresponding to the operation (at the time of debiting money from the bank account) for which information is provided:

I - transactions made using payment cards of a bank, a branch of a non-resident bank of the Republic of Kazakhstan and an organization performing certain types of banking operations in its own service network;

II - transactions made using payment cards of a bank, a branch of a non-resident bank of the Republic of Kazakhstan and an organization performing certain types of banking operations in the service network of another bank of the Republic of Kazakhstan;

III - transactions made using payment cards of a bank, a branch of a non-resident bank of the Republic of Kazakhstan and an organization performing certain types of banking operations in the service network of another bank outside the Republic of Kazakhstan;

IV - transactions carried out in its own service network using payment cards of other banks of the Republic of Kazakhstan, a branch of a non-resident bank of the Republic of Kazakhstan and organizations carrying out certain types of banking operations of the Republic of Kazakhstan;

V - transactions made in its own service network using payment cards of non-resident issuers of the Republic of Kazakhstan.

12. Column 6 is filled in for transactions using payment cards of international payment systems with the signs of operation II, III, IV and V, established by paragraph 11 of this explanation. The following data is indicated in column 6:

1) in the case of an operation between users of one processing center, the communication channel "1PC" is indicated;

2) in the case of an operation between users of different processing centers without the participation of an international payment system, the communication channel "H2H" is indicated;

3) in the case of an operation between users of different processing centers through an international payment system, the name of this system is indicated;

13. Columns 7 and 8 indicate the number and amount of transactions carried out using the payment card and (or) its details in accordance with the conditions established by paragraphs 4, 5, 6, 7, 8, 9 and 10 of this Explanation.

Appendix
to the Form of information on
the number and volume of transactions
using payment cards by region

Explanation on filling out the administrative data form

Information on the number and volume of transactions using payment cards by region (index: 5-PK, monthly frequency)

Chapter 1. General provisions

1. This explanation defines the uniform requirements for filling out a form designed to collect administrative data, "Information on the number and volume of transactions using payment cards by region", (hereinafter referred to as the Form).

2. The form is developed in accordance with subparagraph 52-5) of part two of Article 15 of the Law of the Republic of Kazakhstan "On the National Bank of the Republic of Kazakhstan" and subparagraph 14) of paragraph 1 of Article 4 of the Law of the Republic of Kazakhstan "On payments and payment systems".

3. The form is drawn up monthly by payment service providers who are issuers of payment cards and (or) acquirers and is filled in as of the end of the reporting period.

4. The form is signed by the first manager or the person authorized by him to sign the report, and the executor.

5. The form is filled in tenge. If the transaction is carried out in a foreign currency, the information on it is indicated in terms of tenge at the market exchange rate on the day of the transaction.

Chapter 2. Explanation of filling out the Form

6. The form contains information on non-cash payments and (or) money transfers, as well as cash withdrawal operations carried out using payment cards.

7. The information is indicated at the location of the equipment with which the operation was carried out. In the case of an operation via the Internet, mobile phone or other remote access system, the information is indicated at the place of current maintenance of the client's bank account in the information system of the bank, a branch of a non-resident bank of the Republic of Kazakhstan and an organization performing certain types of banking operations.

8. In column 2, the environment of the operation is indicated - the name of the electronic terminal or remote access system, according to the corresponding directory in the automated information system for submitting information.

9. In column 3, the sign of the holder of the payment card for which information is provided is indicated, depending on the type of the subject of civil law of its holder (a payment card of an individual, a corporate payment card or a card of another bank).

10. Columns 4, 5, 6 and 7 indicate the number and amount of non-cash transactions and cash withdrawal operations using payment cards. The number and amount of transactions provided for in these columns are calculated by summing the number and amount of transactions according to the following characteristics of the transaction (at the time of debiting money from the bank account):

I - transactions made using payment cards of a bank, a branch of a non-resident bank of the Republic of Kazakhstan and an organization performing certain types of banking operations in its own service network;

IV - transactions carried out in its own service network using payment cards of other banks of the Republic of Kazakhstan, a branch of a non-resident bank of the Republic of Kazakhstan and organizations carrying out certain types of banking operations of the Republic of Kazakhstan;

V - transactions performed in its own service network using payment cards of non-resident issuers of the Republic of Kazakhstan.

Appendix 6 to the Rules
of provision of information on
payment services

Information on the remaining money on bank accounts for which transactions are carried out using payment cards

Appendix
to the form of information on the
volume of fraudulent transactions

Explanation on filling out the form of administrative data Information on the volume of fraudulent transactions (index: 7-PK, Frequency quarterly)

Chapter 1. General provisions

1. This explanation determines uniform requirements on filling out the form, intended for collection of administrative data, "Information on the volume of fraudulent transactions" (hereinafter referred to as the form).

2. The form has been developed in accordance with subparagraph 52-5) of part two of article 15 of the Law of the Republic of Kazakhstan dated March 30, 1995 "On the National Bank of the Republic of Kazakhstan" and subparagraph 14) of paragraph 1 of article 4 of the Law of the Republic of Kazakhstan dated July 26, 2016 "On payments and payment systems".

3. The form shall be drawn up quarterly by payment service providers and shall be completed as of the end of the reporting period.

4. The form shall be signed by the first head or a person, authorized for signing a report, and the performer.

5. The form shall be completed in tenge. If the transaction is performed in foreign currency, information on it shall be presented in terms of tenge at the market rate of exchange of currencies on the day of the transaction.

Chapter 2. Explanation on filling out the form

6. The form contains information on the volume of fraudulent transactions (except for prevented ones):

1) carried out using payment cards and (or) their details according to the signs specified in paragraph 10 of this explanation;

2) carried out through electronic terminals and remote access systems without using payment cards;

3) sent through money transfer systems;

4) carried out using e-money.

Information is reported on an transaction-by-transaction basis and refers to the reporting period of time when the payment service provider submitting the form determines that the transaction is fraudulent.

7. Column 1 shall indicate the name of the payment card system, remote access system, money transfer system, on which information is submitted, or e-money system.

In case of an transaction using a payment card of an international payment system without sending a message to this payment system Column 1, the communication channel "H2H" shall be indicated instead of the name of the payment card system.

8. Column 2 shall indicate the date of transaction.

9. Column 3 shall indicate the method of a fraud.

10. Column 4 shall indicate the type of transaction:

A - cashless payments and (or) money transfers;

B – cash withdrawals;

C – cash down payment transactions.

11. Column 5 shall indicate the transaction environment - the name of the electronic terminal, remote access system or the premises of a bank, a branch of a non-resident bank of the Republic of Kazakhstan, an organization that carries out certain types of banking transactions.

12. Column 6 shall indicate transactions carried out using payment cards and (or) their details, an indicator shall be indicated corresponding to the transaction for which information is submitted:

I - transactions performed using payment cards of a bank, a branch of a non-resident bank of the Republic of Kazakhstan, an organization that carries out certain types of banking transactions, in its own service network;

II - transactions performed using payment cards of a bank, a branch of a non-resident bank of the Republic of Kazakhstan, an organization that carries out certain types of banking transactions, in the service network of another bank of the Republic of Kazakhstan;

III - transactions performed using payment cards of a bank, a branch of a non-resident bank of the Republic of Kazakhstan, an organization that carries out certain types of banking transactions, in the service network of another bank outside the Republic of Kazakhstan;

V – transactions performed in the own service network, using payment cards of non-resident issuers of the Republic of Kazakhstan.

13. Column 7 shall indicate a two-digit country code:

1) by the place of performance of a fraudulent transaction with the use a payment card and (or) its details;

2) by the place of performance of a fraudulent transaction, carried out on the bank account of a customer of a bank, a branch of a non-resident bank of the Republic of Kazakhstan, an organization that carries out certain types of banking transactions, through electronic terminals and remote access systems without using a payment card;

3) the place where the payment is sent through the money transfer system.

A country code shall be indicated in accordance with the National Classifier of the Republic of Kazakhstan NK RK ISO 3166-1-2016 "Codes for representing the names of countries and units of their administrative-territorial divisions. Part 1. Country codes".

14. Column 8 shall indicate the amount of the performed fraudulent transaction.

15. If there are no fraudulent transactions during the reporting period, a Form shall be sent with blank columns.

transfers with and without the use of a
bank account

Clarification on completing the administrative data form “Data on Receipt and Execution of Payments and (or) Money Transfers with and without Bank Account” (index:1-PU, periodicity: monthly) Chapter 1. General provisions

1. This Clarification specifies uniform requirements for completing the form designed for administrative data collection “Information on Receipt and Execution of Payments and (or) Money Transfers with and without the Use of Bank Account” (hereinafter - the Form).

2. The form has been drawn up pursuant to sub-paragraph 52-5) of part two of Article 15 of the Law of the Republic of Kazakhstan “On the National Bank of the Republic of Kazakhstan” and sub-paragraph 14) of paragraph 1 of Article 4 of the Law of the Republic of Kazakhstan “On Payments and Payment Systems”.

3. The form shall be drawn up monthly by payment service providers and shall be completed as of the end of the reporting period.

4. The form shall be signed by the first manager or the person authorised by him/her to sign the report and the performer.

5. The form shall contain data on payment services rendered under sub-paragraphs 1), 2), 3), 4), 9) of paragraph 1 of Article 12 of the Law of the Republic of Kazakhstan 'On Payments and Payment Systems'.

6. The form shall be filled in tenge. Should the payment and (or) transfer of money be made in foreign currency, information on it shall be provided in terms of tenge at the market exchange rate on the day of making the payment.

Chapter 2: Clarification of completion of the form

7. Data shall be furnished by payment service providers, excluding payment agents and payment subagents, and shall be filled in with account of rendered payment services (payments and (or) money transfers) through branches and offices of persons furnishing the Form, payment agents and payment subagents.

8. The form shall contain 18 columns including the following details of the payment and (or) transfer of money:

- 1) column 1 shall indicate the environment of accepting the instruction;
- 2) column 2 shall specify the environment of processing the instruction;
- 3) column 3 shall contain the sign of the transaction;
- 4) the identification code of the organisation (bank, non-resident bank of the Republic of Kazakhstan) of the money sender shall be specified in column 4 by persons filing the Form. Individual identification code of the customer of the money sender's bank shall not be filled in

The bank identification code of the money sender's bank shall be specified when forming the Form by a bank, organisation engaged in certain types of banking operations.

When preparing the Form, the National Bank of the Republic of Kazakhstan shall include the bank identification code of the originator bank and the individual identification code of the customer of the originator bank in case of intra-bank transfer, for other payments and (or) money transfers only the bank identification code of the originator bank shall be specified.

In the absence of the bank identification code of the sender's bank in the documents based on which the payment and (or) transfer of money is made, column 4 shall not be filled in;

5) column 5 shall specify the identification code of the intermediary organisation (bank, non-resident bank of the Republic of Kazakhstan, if it is available in the scheme of payment and (or) money transfer), with which the person filing the Form has correspondent relations and through which the payment and (or) money transfer is made;

6) the identification code of the organisation (bank, non-resident bank of the Republic of Kazakhstan) of the beneficiary for payments and (or) money transfers conducted via intermediary organisation or identification code of the organisation (bank, non-resident bank of the Republic of Kazakhstan) of the beneficiary with which there are correspondent

relations shall be entered in column 6 by persons submitting the Form. Individual identification code of the customer of the beneficiary bank shall not be filled in.

The bank identification code of the beneficiary's bank shall be entered when preparing the Form by the bank, organisation engaged in certain types of banking operations.

When compiling the Form, the National Bank of the Republic of Kazakhstan shall specify the bank identification code of the beneficiary bank and individual identification code of the customer of the beneficiary bank in case of intrabank transfer, for other payments and (or) money transfers only the bank identification code of the beneficiary bank shall be specified.

In the absence of the bank identification code of the beneficiary bank in the documents based thereon, column 6 shall not be filled in;

7) Column 7 shall be completed in case of reporting information on payment services rendered (including via remote access systems and electronic terminals, electronic money) through paying agents and subagents based on concluded agency agreements on rendering payment services:

in case of rendering services through payment agents 1 shall be indicated;

in case of rendering services through payment subagents it shall be recorded 2;

8) column 8 shall reflect the sign of residence of the sender of money.

Should the documents, based on which the payment and (or) transfer of money is made, lack the sign of residence of the sender of money, column 8 shall not be filled in;

9) the code of the economic sector of the money sender shall be entered in column 9.

In case of absence in the documents, based upon which the payment and (or) money transfer is made, of the code of the economic sector of the money sender, column 9 shall not be filled in;

10) Column 10 shall contain the two-digit code of the country from where the payment and (or) money transfer is initiated (the country where the bank account of the primary sender of money is opened, from which the payment and (or) money transfer is sent, or in case of money transfer without opening a bank account - the country where the money transfer is initiated by the sender of money).

Column 13 shall specify the two-digit code of the country where the payment and (or) transfer of money is sent (the country where the bank account of the final beneficiary is opened, to which the money is credited, or in case of transfer of money without opening a bank account - the country where the beneficiary receives the money).

The country code shall be entered pursuant to the national classifier of the Republic of Kazakhstan NK RK ISO 3166-1-2016 'Codes for the Representation of Names of Countries and Units of their Administrative-Territorial Units. Part 1. Codes of Countries'.

The KZ code shall be specified for payments and (or) money transfers made on the territory of the Republic of Kazakhstan;

11) the beneficiary's residence attribute shall be indicated in column 11.

In case of absence in the documents, based on which the payment and (or) money transfer is made, the beneficiary's residency attribute shall not be filled in column 11;

12) column 12 shall reflect the code of the beneficiary's economic sector.

In case of absence of the beneficiary's economic sector code in the documents based upon which the payment and (or) transfer of money is made, column 12 shall not be filled in;

13) column 14 shall show the code of payment destination.

When reflecting incoming payment and (or) transfer of money from abroad, columns 8, 9 and 14 shall be filled in by the person filing the Form based on payment documents of the correspondent bank or international system and other documents serving as the basis for payment and (or) transfer of money.

On payment and (or) transfer of money via instant payment system:

1) the sending bank shall enter in columns 8, 9 the sign of residence and sector of economy of the sender of money, columns 11, 12 shall not be filled in, column 14 - the code of payment purpose provided for payment and (or) transfer of money via the instant payment system;

2) the beneficiary's bank shall not fill in columns 8, 9, shall specify the sign of residence and economic sector of the beneficiary in columns 11, 12, column 14 - code of payment destination depending on the type of beneficiary's activity.

Grouping of data shall be done in columns 8, 9, 10, 11, 12, 13 and 14 by one attribute of residence, economic sector, country, payment destination code, with due regard to coincidence of other parameters of transactions, payments and (or) money transfers;

14) column 15 shall reflect the number of transactions, payments and (or) money transfers for the reporting period. In case of reflection of one transaction, one payment and (or) money transfer, the column shall take the value 1. In case of coincidence of parameters of new transaction, new payment and (or) money transfer with those already available in columns 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 17 and 18, the value in this column shall be increased by 1, and the value in column 16 shall be increased by the amount of new transaction, new payment and (or) money transfer;

15) column 16 shall include the amount of transaction, payments and (or) money transfers in tenge up to two decimal places;

16) column 17 shall reflect the three-digit code of payment currency pursuant to the national classifier of the Republic of Kazakhstan NK RK 07 ISO 4217-2012 'Codes for Designation of Currencies and Funds';

17) column 18 for the sent payment and (or) money transfer shall contain one of the attributes of payment instruments envisaged by paragraph 9 of this Clarification.

9. The following attributes of a payment instrument shall apply:

01 - presentation of a payment order;

02 - presentation of a payment request;

03 - filing of collection order of the tax authority, issued to the bank account of the taxpayer having debts to the budget;

04 – presentation of a collection order of the tax authority issued to the bank account of the debtor;

05 - filing a collection order of the customs authority, issued to the bank account of a taxpayer who has debts to the budget;

06 - presenting a payment order;

07 – presentation of a collection order of a tax authority issued to the bank account of an agent in arrears with mandatory pension contributions, mandatory employer's pension contributions, mandatory occupational pension contributions;

08 - submission of a payment notification;

09 – filing a collection order of the tax authority issued to the bank account of a payer in arrears on social contributions to the State Social Insurance Fund, payments and (or) contributions to the Social Health Insurance Fund;

10 – submission of collection orders based on writs of execution;

11 - issuance of cheques for goods and services, traveller's cheques;

12 - other payment instruments;

20 - payments received.

The sign '20' shall be shown for the received payment and (or) transfer of money to be paid to the customer in cash.

“Information on Payments
in Accordance with the Codes of
Economic Sectors
and the Purpose of Payments”

Explanation on filling out the form for collecting administrative data

“Information on Payments in Accordance with the Codes of Economic Sectors and the Purpose of Payments”

Chapter 1. General provisions

1. This explanation determines the requirements for filling out the form intended for the collection of administrative data “Information on Payments in Accordance with the Codes of Economic Sectors and the Purpose of Payments” (hereinafter referred to as the “Form”).

2. The form has been developed in accordance with subparagraph 52-5) of the second part of Article 15 of the Law of the Republic of Kazakhstan dated March 30, 1995 “On the National Bank of the Republic of Kazakhstan” and subparagraph 14) of paragraph 1 of Article 4 of the Law of the Republic of Kazakhstan dated July 26, 2016 “On Payments and Payment Systems”.

3. The form submitted to the National Bank of the Republic of Kazakhstan (hereinafter referred to as the National Bank) by Republican State Enterprise under the Right of Economic Management "Kazakhstan Interbank Settlement Center of the National Bank of the Republic of Kazakhstan" (hereinafter referred to as the Center) shall contain the information on payments made through the interbank money transfer system (hereinafter - the interbank system) and the interbank clearing system.

4. A form submitted by second-tier banks, the Development Bank of Kazakhstan Joint-Stock Company, the National Postal Operator, a legal entity that was previously a subsidiary bank, carrying out without a license of the National Bank transfer transactions related to payments and money transfers by the parent bank, including with subsidiary bank correspondent accounts in the bank accounts of depositors, transferred to the parent bank, in accordance with the Law of the Republic of Kazakhstan dated August 31, 1995 "On the Bank and Banking Activities in the Republic of Kazakhstan "(hereinafter - the Law on Banks and Banking Activities), a parent bank and a subsidiary bank in respect of which restructuring has been carried out in accordance with the Law on Banks and Banking Activities to be merged by a bank, as well as a bank to which it is being merged in accordance with the Law on Banks and Banking Activities (hereinafter referred to as banks) and formed by the National Bank , filled in taking into account branches and shall include the information on payments and (or) money transfers, including without opening a bank account:

- 1) posted through correspondent accounts opened with the National Bank;
- 2) conducted through payment systems, with the exception of the interbank system and the interbank clearing system (hereinafter referred to as the money transfer system) and on correspondent accounts of nostro and loro resident banks and non-resident banks, including postal money transfers carried out by the National Postal Operator;
- 3) carried out between a bank or the National Bank (hereinafter referred to as the organization) and its customer or between two customers of the organization, including money transfers made by the National Post Operator (hereinafter referred to as intra-bank transfers).

5. The form shall be filled in tenge. If the payment and (or) money transfer is made in a foreign currency, information on it shall be presented in tenge at the market currency exchange rate on the day the payment is made.

Chapter 2. Filling Out the Form

6. The form submitted by the Center shall contain 16 columns, including the following information about the payment and (or) money transfer:

- 1) column 1 shall specify the attribute corresponding to the payment environment (hereinafter - the payment environment indicator):

- 01 - interbank system;
- 02 - interbank clearing system;

2) columns 2 and 3 shall not be filled out;

3) column 4 shall specify the bank identification code of the bank of the sender of money, the individual identification code of the customer of the bank of the sender of money is not filled out;

4) column 5 shall indicate the bank identification code of the beneficiary's bank, the individual identification code of the customer's bank of the beneficiary is not filled out;

5) column 6 shall specify the sign of residence of the sender of the money;

6) column 7 shall indicate the code of the sector of the economy of the sender of the money;

7) in columns 8 and 11, the QOL code shall be indicated;

8) in column 9 the indication of the beneficiary's residence shall be specified;

9) column 10 shall indicate the code of the sector of the beneficiary's economy;

10) column 12 shall specify the code of the purpose of payment;

11) column 13 shall indicate the number of payments and (or) money transfers for the reporting period. When reflecting one payment or money transfer, the column shall take the value 1. If the parameters of the new payment or money transfer coincide with those already available in columns 1, 4 - 12, 15 and 16, the value in this column shall increase by 1, and the value in column 14 shall increase in the amount of a new payment or money transfer;

12) column 14 shall indicate the amount of payments and (or) money transfers in tenge up to two decimal places;

13) column 15 shall specify the three-digit currency code of the KZhF payment;

14) column 16 shall indicate one of the signs of the methods of making payments and (or) money transfers provided for in paragraph 8 of this clarification: 01, 02, 03, 04, 06, 07, 08, 09, 10, 17, 18, 19.

7. The form submitted by organizations shall contain 16 columns, including the following information about the payment and (or) money transfer:

1) column 1 shall indicate the sign of the payment environment:

03 - correspondent account with the National Bank;

04 - money transfer system in the territory of the Republic of Kazakhstan;

05 - money transfer system abroad (from abroad);

06 - correspondent accounts of nostro and loro, with the exception of the correspondent account with the National Bank, within the Republic of Kazakhstan;

07 - correspondent accounts of nostro and loro, with the exception of the correspondent account with the National Bank, abroad (from abroad);

08 - intra-bank transfers;

2) column 2 shall indicate the name of the money transfer system through which the payment or money transfer was made;

3) column 3 shall specify the characteristic corresponding to the types of payment or money transfer (hereinafter referred to as the payment indicator):

01 - payment and (or) money transfer sent by the organization submitting the Form through money transfer systems;

02 - payment and (or) money transfer received by the organization submitting the Form through money transfer systems;

03 - payment and (or) money transfer sent by the organization representing the Form via the nostro correspondent account;

04 - payment and (or) money transfer received by the organization representing the Form through a nostro correspondent account;

05 - payment and (or) money transfer sent by the organization representing the Form through a loro correspondent account;

06 - payment and (or) money transfer received by the organization representing the Form through a loro correspondent account;

07 - other write-offs of money by the organization representing the Form from the nostro correspondent account;

08 - other money transfers by the organization representing the Form to the nostro correspondent account;

09 - other write-offs of money by the organization representing the Form from the loro correspondent account;

10 - other credits of money by the organization representing the Form to the loro correspondent account;

11 - intra-bank transfer. The organization representing the Form shall be both the bank of the sender of the money and the bank of the beneficiary.

Signs of payment “01” and “02” shall be filled in according to the signs of the payment environment “04”, “05”. Signs of payment “03” to “10” shall be filled in according to the signs of the payment environment “03”, “06”, “07”. Sign of payment “11” shall be filled out on the basis of the environment of payment “08”;

4) in column 4, banks shall indicate the bank identification code of the bank of the sender of money. The individual identification code of the customer of the bank of the sender of money shall not be filled out.

When creating the Form, the National Bank shall indicate the bank identification code of the bank of the sender of money and the individual identification code of the customer of the bank of the sender of money in case of an intra-bank transfer; for other payments and (or) money transfers, only the bank identification code of the bank of the sender of money shall be indicated.

For the payment or transfer of money received from abroad, the organization submitting the Form shall indicate the bank identification code of the bank of the sender of money, which is a non-resident of the Republic of Kazakhstan.

Based on the signs of the payment environment “04” and “05” in their absence in the documents, on the basis of which the payment is made and (or) the money is transferred, the

bank identification code of the bank of the money sender, which is a non-resident of the Republic of Kazakhstan, column 4 shall not be filled out;

5) in column 5, banks shall specify the beneficiary's bank identification code. The individual identification code of the customer of the beneficiary's bank shall not be filled out.

When the Form is prepared by the National Bank, the bank identification code of the beneficiary's bank and the individual identification code of the beneficiary's bank's customer in case of an intra-bank transfer shall be indicated; for other payments and (or) money transfers, only the bank's identification code of the beneficiary's bank shall be indicated.

For the payment or transfer of money sent abroad, the organization submitting the Form shall indicate the bank identification code of the beneficiary's bank, which is a non-resident of the Republic of Kazakhstan.

According to the signs of the payment environment "04" and "05" in their absence in the documents, on the basis of which the payment and (or) money transfer is made, the bank identification code of the beneficiary's bank, which is a non-resident of the Republic of Kazakhstan, column 5 shall not be filled out;

6) column 6 shall specify the sign of residence of the sender of money.

Based on the signs of the payment environment "04" and "05" on the payment and (or) money transfer received by the organization, if the documents on the basis of which the payment and (or) money transfer are not available, column 6 shall not be filled in the information on the sender's residence ;

7) column 7 shall indicate the code of the sector of the economy of the sender of money.

According to the signs of the payment environment "04" and "05" regarding the payment and (or) money transfer received by the organization, if the documents on the basis of which the payment and (or) money transfer are not available, information about the sector of the economy of the sender of money in column 7 shall not be filled;

8) column 8 shall indicate the two-digit code of the country where the payment and (or) money transfer is initiated (the country where the bank account of the primary sender of money is opened, from which the payment is sent and (or) the money is transferred, or in the case of a money transfer without opening a bank accounts - the country in which the sender initiated the transfer of money).

Column 11 shall specify the two-digit code of the country where the payment and (or) money transfer is directed (the country where the bank account of the final beneficiary is opened to which the money is credited, or in the case of money transfer without opening a bank account - the country in which the beneficiary received the money).

The country code shall be indicated in accordance with the national classifier of the Republic of Kazakhstan NK RK 06 ISO 3166.1-2013 "Codes for the Representation of the Names of Countries and Units of Their Administrative-Territorial Units. Part 1. Country Codes".

Based on the signs of the payment environment 04, 06 and 08, columns KZ and 8 shall specify the KZ code (payments or money transfers shall be made on the territory of the Republic of Kazakhstan).

Based on the signs of payment environment 05:

according to payments or money transfers sent by the organization and other write-offs of the organization's money (payment sign 01), column KZ shall indicate the code KZ;

pursuant to received payments or money transfers received by the organization and other transfers of money to the organization (payment sign 02), column KZ shall indicate the code KZ;

9) in column 9 the indication of the beneficiary's residence shall be specified.

According to the signs of payment environment "04" and "05" for payments sent by the organization, in their absence in documents on the basis of which the payment and (or) money transfer is made, information about the residence of the beneficiary of column 9 shall not be filled out;

10) column 10 shall indicate the code of the sector of the beneficiary's economy.

Based on payment environment "04" and "05" on the payment and (or) money transfer sent by the organization, in the absence of documents on the basis of which the payment and (or) money transfer is made, information about the economic sector of the beneficiary of column 10 shall not be filled ;

11) column 12 shall specify the code of the purpose of payment. When reflecting an incoming payment or money transfer from abroad to a nostro or loro correspondent account, columns 6, 7 and 12 shall be filled in by the organization submitting the Form on the basis of payment documents of the correspondent bank and other documents that serve as the basis for payment or money transfer;

12) column 13 shall indicate the number of payments and (or) money transfers for the reporting period. When reflecting one payment or money transfer, the column shall take the value 1. If the parameters of the new payment or money transfer coincide with those already available in columns 1-12, 15 and 16, the value in this column shall be increased by 1, and the value in column 14 shall be increased by the amount of the new payment or money transfer;

13) column 14 shall indicate the amount of payments and (or) money transfers in tenge up to two decimal places;

14) column 15 shall indicate the three-digit code of the payment currency;

15) in column 16 on the payment or money transfer sent, one of the signs of the methods of making payments and money transfers provided for in paragraph 8 of this clarification shall be indicated: 01, 02, 03, 04, 06, 07, 08, 09, 10, 12, 17, 18, 19.

On the received payment or money transfer, the sign "20" shall be indicated.

8. The sign of the method of making payments and money transfers shall be determined depending on the following methods of making payments and money transfers:

01 - presentation of a payment order (indicated in case of execution of payment orders of customers and a financial institution, as well as payment orders initiated by the central depository when making settlements for securities);

02 - presentation of the payment request;

03 - collection order of the state revenue body, issued to the bank account of a taxpayer who has debts to the budget;

04 - collection order of the state revenue body, issued to the bank account of the debtor;

06 - issuance of checks for goods or services, traveller's checks;

07 - collection order of the state revenue body, issued to the bank account of an agent with arrears of mandatory pension contributions, mandatory pension contributions of the employer, mandatory professional contributions;

08 - presentation of the payment notice;

09 - the collection order of the state revenue body, issued to the bank account of the payer who is in arrears in social contributions to the State Social Insurance Fund, contributions and (or) contributions to the social health insurance fund;

10 - presentation of a collection order on the basis of writ of execution;

12 - presentation of a payment order;

17 - postal money transfer;

18 - payment of taxes and other obligatory payments to the budget through ATMs;

19 - other methods of making payments or money transfers.

Appendix

to the form of information on the measures taken to combat the legalization (laundering) of proceeds from crime and the financing of terrorism

Explanation

on filling out the form of administrative data Information on the measures taken to combat the legalization

(laundering) of proceeds from crime and the financing of terrorism (index:PO-2, Frequency semi-annual)

Chapter 1. General provisions

1. This explanation (hereinafter referred to as the Explanation) shall determine the uniform requirements on completion of the form intended for the collection of administrative data, "Information on the measures taken to combat the legalization (laundering) of proceeds from crime and the financing of terrorism" (hereinafter referred to as the form).

2. The form has been developed in accordance with subparagraph 52-5) of part two of article 15 of the Law of the Republic of Kazakhstan dated March 30, 1995 "On the National Bank of the Republic of Kazakhstan" and subparagraph 14) of paragraph 1 of article 4 of the Law of the Republic of Kazakhstan dated July 26, 2016 "On payments and payment systems".

3. The form shall be drawn up on a semi-annual basis by payment organizations registered with the National Bank, and shall be completed according to the measures taken to combat the legalization (laundering) of proceeds from crime and the financing of terrorism (hereinafter referred to as the LLPCFT) for the reporting half a year.

In the absence of measures taken towards LLPCFT during the reporting half-year, the form shall be submitted with blank columns.

4. The form shall be signed by the first head or a person, authorized for signing a report, and the performer.

Chapter 2. Explanation on filling out the form

5. The form contains information on measures, aimed at LLPCFT taken by a payment organization.

6. Column 1 shall indicate the following measures, aimed at LLPCFT:

- 1) identification of suspicious transactions and sending messages on them to the authorized body for financial monitoring;
- 2) making decisions on refusal to carry out customer transactions;
- 3) assessing the degree of exposure of the organization's services (products) to the risks of legalization (laundering) of proceeds from crime and financing of terrorism;
- 4) training and education of employees on LLPCFT issues.

7. When completing information on the measure, provided for in subparagraph 1) of paragraph 6 of the Explanation:

- 1) Column 2 shall indicate the number of suspicious transactions;

For column 2, the data shall be grouped by quantity, taking into account the coincidence of indicators in other completed columns.

- 2) Column 3 shall indicate the date of performance of the suspicious transaction;

3) Column 4 shall indicate the transaction suspiciousness indicator code in accordance with the indicators of determining a suspicious transaction, approved by the resolution of the Government of the Republic of Kazakhstan dated November 23, 2012 № 1484;

- 4) column 5 shall not be completed;

5) Column 6 shall indicate the decision of the authorized body for financial monitoring based on the results of consideration of the sent message;

In case of failure of the authorized body for financial monitoring of the decision, the column shall not be completed.

6) Column 7 shall indicate the type of payment service, within the framework of which a suspicious transaction was detected;

7) Column 8 shall indicate the type of payment, within the framework of which a suspicious transaction was detected.

8. When completing the information about the measure provided for in subclaise 2) of paragraph 6 of the Explanation:

1) Column 2 shall indicate the number of decisions on refusal from carrying out transactions of the customers;

For column 2 the data shall be grouped by quantity, taking into account the coincidence of indicators in other completed columns.

2) Column 3 shall indicate the date of the decision on refusal from carrying out transactions of the customers;

3) column 4 shall not be completed;

4) Column 5 shall indicate the grounds for the decision on refusal from carrying out transactions of the customers;

5) column 6 shall not be completed;

6) Column 7 shall indicate the type of payment service, within the framework of which it was decided to refuse to carry out customer transactions;

7) Column 8 shall indicate the type of a payment, within the framework of which it was decided to refuse to carry out customer transactions.

9. When completing the information about the measure provided for in subclause 3) of paragraph 6 of the Explanation:

1) column 2 shall not be completed;

2) Column 3 shall indicate the number (if any) and date of the document issued by the payment organization, based on the results of the annual assessment of the degree of exposure of the organization's services (products) to the risks of legalization (laundering) of proceeds from crime and financing of terrorism;

3) Columns 4, 5 and 6 shall not be completed;

4) Column 7 shall indicate the type of payment service, which, within the framework of the assessment, was assigned the highest level of risk of legalization (laundering) of proceeds from crime and financing of terrorism;

5) Column 8 shall indicate the type of payment, which, within the framework of the assessment, was assigned the highest level of risk of legalization (laundering) of proceeds from crime and financing of terrorism.

10. When completing the information about the measure provided for in subclause 4) of paragraph 6 of the Explanation:

1) Column 2 shall indicate the number of employees of a payment organization, who passed training in the reporting period;

2) Column 3 shall indicate the date of completion of the latest training in the reporting period;

3) Columns 4, 5, 6, 7 and 8 shall not be completed.
