dated November 27, 2017

The Rules for per capita regulatory financing of preschool education and training, secondary education, as well as technical and vocational, post-secondary education, taking into account credit technology of education

Footnote. The heading is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2023 № 197 (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Footnote. The rules are in the wording of order № 477 of the Minister of Education and Science of the Republic of Kazakhstan dated 09/21/2018 (effective upon expiry of ten calendar days after the date of its first official publication).

Chapter 1. General Provisions

1. These Rules for per Capita Regulatory Financing of Preschool Education and Training, Secondary Education, as well as Technical and Vocational, Post-Secondary Education, considering Credit Technology of Education (hereinafter referred to as the Rules) have been developed as per sub-paragraph 75) of Article 5 of the Law of the Republic of Kazakhstan “On Education” (hereinafter referred to as the Law) and outline the procedure for per capita normative financing of preschool education and training, secondary education, as well as technical and vocational, post-secondary education, evaluating the credit technology of education.

Footnote. Paragraph 1 - as revised by Order of the Minister of Education of the Republic of Kazakhstan № 88 of 29.04.2025 (shall enter into force ten calendar days after the date of its first official publication).

2. The following terms shall be used in these Rules:

1) educational environment - a set of social, material and living conditions necessary to ensure implementation of the educational process;

2) educational process – educational-training process within the framework of the implementation of general education curricula of primary, basic secondary, general secondary education, technical and vocational, post-secondary education;

3) per capita financing norm – standard of financial support of guaranteed state tuition fees at all education levels;

4) volume of per capita normative financing – defrayment of expenses of the educational process and the educational environment, determined on the basis of per capita financing standard;

5) credit technology of training - training based on selection and self-planning by students of the sequence of studying disciplines with accumulation of academic credits.

Footnote. Paragraph 2 as amended by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2023 № 197 (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Chapter 2. The procedure for per capita regulatory financing of preschool education and training, secondary education, as well as technical and vocational, post-secondary education, taking into account credit technology of education

Footnote. The heading of Chapter 2 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2023 № 197 (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

3. Per capita regulatory financing of preschool education and training, secondary education, as well as technical and vocational, post-secondary education, taking into account credit education technology, shall be implemented at the expense of the republican and (or) local budgets in accordance with the Budget Code of the Republic of Kazakhstan.

Footnote. Paragraph 3 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2023 № 197 (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

4. Per capita normative funding of preschool education and training shall be provided by the local executive body, within the concluded contracts for placing the state educational order for the services of preschool education and training, on a monthly basis in the amount calculated for the actual number of trainees who received these services in the current month.

5. Per capita normative funding of secondary education shall be provided by the local executive body in the following order:

1) to secondary education institutions in the organizational and legal form of a public institution - monthly, according to individual financing plans;

2) to secondary education institutions established in the organizational-legal form of a state enterprise with the right of economic management - monthly, within the concluded contract for placement of the state educational order for secondary education in the following amounts:

from January to August - in proportion to the planned annual contingent;

from September to December - in proportion to the actual average annual contingent.

6. In the event of insufficiency of local budget funds in the amount of per capita normative financing of secondary education in the event of a change in per capita standard, the losses entailing an increase in local budget expenditures shall be compensated for by targeted current transfers from the republican budget.

7. Per capita normative financing of technical and vocational, post-secondary education shall be carried out by the local executive body in the following order:

1) to the organizations of technical and vocational, post-secondary education in the organizational and legal form of a state institution - monthly according to individual financing plans;

2) to the organizations of technical and vocational, post-secondary education in other organizational and legal forms - on a monthly basis within the limits of concluded agreements for the placement of a state educational order for technical and vocational, post-secondary education on a monthly basis in the amount calculated for the actual contingent of students who received these services, and (or) the number of loans actually granted in the current month.

Footnote. Paragraph 7 is in the wording of the order of the Minister of Education and Science of the Republic of Kazakhstan dated 24.03.2022 № 104 (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

8. The amount of per capita normative funding for technical and vocational post-secondary education shall be fixed at a level not lower than the per capita normative funding for technical and vocational post-secondary education calculated as per the Methodology per Capita Regulatory Financing of Preschool Education and Training, Secondary Education, as well as Technical and Vocational, Post-Secondary Education, considering Credit Technology of Education, approved by Order of the Minister of Education and Science of the Republic of Kazakhstan № 597 of November 27, 2017 (registered in the Register of State Registration of Regulatory Legal Acts under № 16137) (hereinafter referred to as the Methodology).

The amount of per capita normative funding for preschool education and training is determined in accordance with the Methodology. When placing a state educational order for preschool education and training, local executive bodies independently determine the average cost of expenses per the educatee.

Footnote. Paragraph 8 - as revised by Order of the Minister of Education of the Republic of Kazakhstan № 88 of 29.04.2025 (shall be enacted ten calendar days after the date of its first official publication).

9. Is excluded by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2023 № 197 (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

10. Is excluded by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2023 № 197 (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

11 Is excluded by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2023 № 197 (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

12. Changes in the volume of per capita normative funding from the republican and (or) local budgets in the current fiscal year shall be allowed only in the event of changes in per capita rate and / or when specifying the actual contingent of students or trainees.
