*Minister of education and science  
of the Republic of Kazakhstan*

*Y. Sagadiyev*

Annex  
to the order of the Minister of  
education and science of the  
Republic of Kazakhstan  
dated October 18, 2018 № 578

## **Standard rules for admission to training in educational organizations that implement educational programs of technical and vocational, post-secondary education**

**Footnote. The Rules as amended by the Order of the Minister of Education and Science of the Republic of Kazakhstan dated 04.06.2021 № 276 (shall be enforced ten days after the date of its first official publication).**

### **Chapter 1. General provisions**

1. These Model rules for admission to educational organizations implementing educational programs of technical and vocational, post-secondary education (hereinafter - the Rules) have been developed in accordance with subparagraph 29) of Article 5 of the Law of the Republic of Kazakhstan "On Education" and subparagraph 1) of Article 10 of the Law of the Republic of Kazakhstan "On State Services" (hereinafter - the Law) and shall determine the procedure for admission to educational organizations implementing educational programs of technical and vocational, post-secondary education (hereinafter - TVPSE organizations).

**Footnote. Paragraph 1 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

2. The organization of technical and vocational education accepts citizens of the Republic of Kazakhstan, foreign citizens and stateless persons who have primary (for training in the specialty "Choreographic art", qualification – "Ballet dancer"), basic secondary, general

secondary (general secondary), technical and vocational, post-secondary (primary professional and secondary vocational), higher education (higher professional), as well as persons with special educational needs with a document (certificate, attestation) of education.

The organization of post-secondary education accepts citizens of the Republic of Kazakhstan, foreign citizens and stateless persons with general secondary (secondary general), technical and vocational (primary vocational and secondary vocational), post-secondary, higher (higher professional) education, as well as persons with special educational needs with a document (certificate, attestation) on education.

3. When applying for training in the TVPSE organization, an admission quota is provided for persons specified in paragraph 8 of Article 26 of the Law of the Republic of Kazakhstan "On Education".

Admission to educational organizations implementing educational programs of technical and vocational, post-secondary education of children (including adopted children, stepchildren living together) of employees of special state and law enforcement agencies, civil defense agencies, state courier service, military personnel, as well as medical workers who died (passed away) or who were determined to be disabled as a result of injury (wound, trauma, contusion) received in the performance of official duties, shall be carried out out of competition on the basis of their application with the provision of a state educational order.

The size of the admission quota was approved by the order of the Minister of Education of the Republic of Kazakhstan dated August 15, 2023 № 261 "On approval of the size of the admission quota for admission to educational organizations implementing educational programs of technical, vocational and post-secondary education" (registered in the Register of state registration of regulatory legal acts under № 33298) (hereinafter - Order № 261).

**Footnote. Paragraph 3 as amended by the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

## **Chapter 2. Procedure for admission to training in educational organizations implementing educational programs of technical and vocational, post-secondary education**

4. In TVPSE organizations, an admissions commission consisting of an odd number of its members is created no later than June 10 by the order of the head to accept applications for training, conduct interviews, and enroll students. The admissions commission consists of representatives of the Board of Trustees (in the absence - representatives of employers), public organizations and educational organizations.

An executive secretary and technical secretaries are appointed from among the members of the commission.

The chairman of the admissions commission is the head of the TVPSE organization or the person performing his duties.

Organization of the work of the admissions commission and technical secretaries is carried out by the executive secretary, who also conducts the reception of citizens, gives responses to written requests from citizens on the issue of admission, prepares for publication information materials of the admissions commission, organizes the preparation and conduct of interviews, pre-examination consultations and special and creative exams, encrypts and decrypts examination and written papers.

5. In TVPSE organizations, an examination commission is established for conducting special and/or creative exams in pedagogical specialties and specialties requiring special and/or creative training no later than June 20 of the calendar year. The examination commission consists of representatives of TVPSE organizations, social partners, and public organizations. The Chairman of the commission is elected by a majority vote from among the members of the examination commission. The composition of the examination commission is approved by the order of the head of the TVPSE organization.

6. Decisions of the admissions and/or examination committees shall be considered valid if at least two thirds of its members are present at their meetings, and shall be adopted by a majority of votes of those present. In the event of a tie in votes of the members of the admissions and/or examination committees, the vote of the committee chairman shall be decisive. The secretary is not a member of the admissions and/or examination committees.

An audio or video recordings shall be made at the final meeting of the examination committee. The audio or video recording shall be stored in the archive of the TVPSE organization for at least one year.

At the final meeting of the admissions committee, minutes of the meeting shall be kept, which is stored in the archive of the TVPSE organization for at least three years.

**Footnote. Paragraph 6 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

7. In cases of quarantine, emergency situations of social, natural and man-made nature, the work of the admission and/or examination commissions is carried out by the TVPSE organization using information and communication technologies.

8. The issues of organizing the work of the admissions committee of the TVPSE organization for the admission of persons to study with departure to the regions are resolved in coordination with the authorized body of the relevant industry, the education management body of the region, the city of republican significance and the capital (hereinafter – the Education Department).

9. Enrollment for training under the state educational order (hereinafter - the state order) in the organizations of TVPSE and for educational programs providing for the training of qualified workers, according to special educational programs, in spiritual (religious) educational organizations, as well as applicants for mid-level specialties who have technical and vocational (working qualifications), post-secondary , higher education corresponding to

the profile of the chosen specialty, shall be carried out based on applications submitted by individuals, taking into account the capacity of the TVPSE organization. The project opportunity shall be determined in accordance with the Rules for placing a state educational order for the training of personnel with technical and vocational, post-secondary education, taking into account the needs of the labor market, as well as for pre-school education and training, secondary education, and additional education of children, approved by the order of the Minister of Education of the Republic of Kazakhstan dated August 27, 2022 № 381 "On approval of the Rules for placing a state educational order for the training of personnel with technical and vocational, post-secondary education, taking into account the needs of the labor market, as well as for pre-school education and training, secondary education, and additional education of children" (registered in the Register of state registration of regulatory legal acts under № 29323) (hereinafter - order № 381).

Enrollment in the TVPSE organizations for educational programs that train mid-level specialists, applied bachelors, is carried out on the applications from persons on a competitive basis.

Footnote. Paragraph 9 - as amended by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2022 № 311 (shall be enforced from the date of its first official publication); as amended by the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

10. Acceptance of applications, conducting special and /or creative examinations, competition and enrollment of persons for training on the basis of primary, basic secondary, general secondary, technical and vocational, post-secondary, higher education on a fee basis are carried out by the TVPSE organizations in accordance with the requirements of these Rules.

11. Acceptance of applications of persons for training in the TVPSE organization is carried out:

1) for educational programs of technical and vocational education, providing for the training of qualified workers, for special training programs, as well as for admission to spiritual (religious) educational organizations, educational organizations in correctional institutions of the penitentiary system - from June 25 to August 25 of the calendar year, for evening training – from June 25 until September 20 of the calendar year;

2) for educational programs of technical and vocational, post-secondary education, providing for the training of middle-level specialists and applied bachelors, for full-time education by state order - from June 25 to August 18 of the calendar year on the basis of basic secondary education, from June 25 to August 20 of the calendar year on the basis of general secondary, technical and professional, post-secondary education, on a paid basis – from June 25 to August 25 of the calendar year, for evening and correspondence forms of education – from June 25 to September 20 of the calendar year, in specialties requiring creative training –

from June 25 to July 20 of the calendar year, in pedagogical, medical specialties – from June 25 to August 15 of the calendar year.

12. Receipt of a state service by service recipients shall be carried out:

1) on the web portal of the “electronic government” (hereinafter - the Portal) for graduates of organizations of secondary, technical and vocational education, as well as organizations of higher and (or) postgraduate education of the Republic of Kazakhstan;

2) in organizations of TVPSE (hereinafter - the service provider) for graduates of foreign organizations of secondary, technical and vocational education, as well as organizations of higher and (or) postgraduate education.

Moreover, before submitting an application through the Portal, graduates of previous years must convert their educational document into digital format at the educational institution in order for the points to be automatically calculated.

Documents shall be submitted in accordance with the List of basic requirements for the provision of a state service “Acceptance of documents in organizations of technical and vocational, post-secondary education” (hereinafter - the List) in accordance with Appendix 1 to these Rules.

If necessary, the service recipient may, on the “one application” principle, submit an application for the state services “Provision of dormitory accommodation for students in organizations of technical and vocational, post-secondary education ” and “Provision of free meals to certain categories of citizens, as well as persons under guardianship (trusteeship) and patronage, students and pupils of organizations of technical and vocational, post-secondary education” when submitting documents for the state service “Acceptance of documents in organizations of technical and vocational, post-secondary education ”.

At the same time, the state service "Provision of a dormitory for students in organizations of technical and vocational, post-secondary education" shall be provided in accordance with the order of the Minister of Education and Science of the Republic of Kazakhstan dated January 22, 2016 № 66 "On approval of the Rules for the distribution of places in dormitories of educational organizations" (registered in the Register of state registration of regulatory legal acts under № 13487), the state service "Provision of free meals to certain categories of citizens, as well as persons under guardianship (trusteeship) and patronage, students and pupils of organizations of technical and vocational, post-secondary education " shall be provided in accordance with the order of the Minister of Education of the Republic of Kazakhstan dated April 3, 2023 № 82 "On approval of the Rules for the provision of the state service "Provision of free meals to certain categories of citizens, as well as persons under guardianship (trusteeship) and patronage, students and pupils of organizations of technical and vocational, post-secondary education" (registered in the Register of state registration of regulatory legal acts under № 32226).

The results of state services specified in the application will be provided upon enrollment in the organization of TVPSE.

The service recipient shall sign an electronic agreement on the provision of educational services within 3 calendar days. An SMS notification about the signing of the agreement will be sent to the Bilim service of the mGov mobile application.

**Footnote. Paragraph 12 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

13. Documents for admission are presented by adults in person, by minors – in the presence of a legal representative.

14. The list of main requirements for the provision of public service, including the characteristics of the procedure, the form, content and the service provision result, as well as other information, taking into account the public service provision specifics, is given in the Standard.

**Footnote. Paragraph 14 - as amended by the order of the Minister of Education of the Republic of Kazakhstan dated 11.10.2022 № 420 (shall be enforced ten calendar days after the date of their first official publication).**

15. An employee of the service provider accepts a package of documents, registers them and issues a receipt to the service recipient for accepting a package of documents on the day of receipt of the application. In case of submission by the service recipient of an incomplete package of documents and (or) expired documents, he refuses to accept documents and issues a receipt in accordance with Appendix 2 to these Rules.

16. When submitting documents through the Portal, the service recipient's "personal account" displays information about the status of the review for the request to provide a state service, as well as a notification indicating the date and time of receipt of the result of a state service.

**Footnote. Paragraph 16 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

17. An employee of the service provider on the day of receipt of the application registers it and sends it to the responsible structural unit for execution. If an application is received after the end of working hours, on weekends and holidays, according to the labor legislation of the Republic of Kazakhstan, the application is registered on the next working day.

18. If the service recipient submits an incomplete package of documents and/or expired documents, the service provider shall send a reasoned refusal to the service recipient's "personal account" in the form of an electronic document certified by an electronic digital signature of the service provider's authorized person, or, when contacting the service provider directly, a reasoned refusal on paper, in accordance with Appendix 2 to these Rules.

**Footnote. Paragraph 18 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the day of its first official publication).**

19. When the service recipient submits a complete package of documents, an employee of the responsible structural unit of the service provider sends the service recipient a notification of acceptance of documents in accordance with Appendix 3 to these Rules.

20. The service provider ensures that information on the stage of rendering public service is entered into the information system for monitoring the provision of public services in accordance with the procedure established by the authorized body in the field of informatization, in accordance with subparagraph 11) of paragraph 2 of Article 5 of the Law.

21. A complaint against the decision, actions (inaction) of the service provider on the provision of public services may be filed to the head of the service provider, to the authorized body for assessment and control of the quality of public services in accordance with the legislation of the Republic of Kazakhstan.

The complaint of the service recipient received by the service provider, in accordance with paragraph 2 of Article 25 of the Law of the Republic of Kazakhstan "On Public Services" is subject to consideration within five working days from the date of its registration.

The complaint of the service recipient received by the authorized body for assessment and control of the quality of public services is subject to consideration within 15 (fifteen) working days from the date of its registration.

22. In cases of disagreement with the results of the provision of the public service, the service recipient applies to the court in accordance with the procedure established by the legislation of the Republic of Kazakhstan.

23. Applications from applicants shall be registered in the information system "National educational database" (hereinafter - NEDB).

**Footnote. Paragraph 23 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

24. An interview is conducted with persons entering for training in educational programs of technical and vocational education, providing for the training of qualified workers, as well as those entering middle-level specialties, having technical and professional (working qualifications), post-secondary, higher education corresponding to the profile of the specialty. The admissions commission conducts a personal interview with applicants in the relevant areas for no more than 20 minutes. The list of questions for the interview is approved by the chairman of the admissions commission.

24-1. The selection of applicants seeking admission to TVPE organizations on the applications of enterprises (organizations, institutions) is based on the results of an interview conducted by the admission committee of the TVPSE organization with the participation of representatives of enterprises (organizations, institutions).

**Footnote. The rules have been supplemented by paragraph 24-1 pursuant to the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2022 № 311 (shall be enforced from the date of its first official publication).**

25. In cases of quarantine, social, natural and man-made emergencies, the interview is conducted using information and communication technologies.

26. If the number of applicants for training qualified workers exceeds the number of places allocated for training under state orders, enrollment shall be carried out on the basis of the average competitive score in accordance with paragraph 60 of these Rules, as well as the quota category in accordance with Order № 261.

**Footnote. Paragraph 26 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

27. Documents confirming the affiliation of applicants specified in paragraph 9 of these Rules to persons for whom an admission quota is provided are submitted to the admissions commission of the TVPSE organization before August 25 of the calendar year.

28. Admissions commissions of the TVPSE organizations specified in paragraph 9 of these Rules, from June 25 of the calendar year, form a list of applicants and persons for whom an admission quota is provided, indicating the average competitive score on the website of the TVPSE organization and ensure its daily updating.

29. Admission to training in the TVPSE organization of persons with special educational needs is carried out in the specialty and qualifications, taking into account the recommendations and contraindications of medical and social expertise (medical certificate).

Admission to training of persons with special educational needs with a diagnosis of "Mild and moderate mental retardation" is carried out taking into account the conclusion of a psychological, medical and pedagogical consultation.

30. Persons enrolled in state-ordered training in educational programs of technical and vocational, post-secondary education (with the exception of TVPSE organizations that are within the competence of the authorized body in the field of education, culture and sports) undergo professional diagnostics (questionnaire) through the information system of the Education Department on a voluntary basis from June 25 of the calendar year.

31. Based on the results of professional diagnostics, the applicant is provided with recommendations on the choice of specialties and map of professions for the recommended specialties. The results of professional diagnostics are advisory in nature.

32. After passing the professional diagnostics, persons entering training under state orders in the organizations of TVPSE on pedagogical specialties, as well as specialties requiring special and creative training, shall be sent to take special and/or creative exams, and in medical specialties - to undergo psychometric testing in the organizations of TVPSE through the NEDB information system.

**Footnote. Paragraph 32 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

33. Persons enrolling on state order in TVPSE organizations in pedagogical, medical professions, also art and culture majors, take special and / or creative exams, as well as psychometric testing in accordance with Appendix 4 to these Rules. In case of the applicants' participation in competitions, olympiads or sports competitions at the time of special and / or creative examinations in art and culture majors, the examinations are conducted with the use of information and communication technologies.

**Footnote. Paragraph 33 - as amended by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2022 № 311 (shall be enforced from the date of its first official publication).**

34. For persons with technical and vocational, post-secondary, higher education, entering medical specialties corresponding to the profile of the specialty, a special exam is established in the form of writing an essay, including with the use of information and communication technologies. The topic of the essay, the requirements for writing an essay and the evaluation criteria are determined by the examination commission of the TVPSE organization.

35. Persons entering the specialty "Choreographic art" and "Circus art" additionally undergo a medical examination in the TVPSE organization.

36. Special and / or creative examinations, as well as psychometric testing for persons entering pedagogical, medical specialties, are held until August 18 of the calendar year for applicants on the basis of basic secondary education, until August 21 of the calendar year for applicants on the basis of general secondary education, for specialties requiring creative training, from 21 to July 28 of the calendar year.

37. For persons entering the specialty with the English language of instruction, an additional assessment of the basic level of knowledge in English is carried out (by interview method), including using information and communication technologies, until August 15.

The results of the interview are evaluated in the form of "Admission"/ "Non-admission".

38. To participate in special and/or creative exams, as well as in psychometric testing, children with disabilities and individuals with disabilities (with visual impairment, hearing impairment, musculoskeletal system functions) upon presentation of a certificate of disability in the form approved by the order of the Deputy Prime Minister - Minister of Labor and Social Protection of the Republic of Kazakhstan dated June 29, 2023 № 260 "On approval of the Rules for conducting medical and social examination" (registered in the Register of state registration of regulatory legal acts under № 32922), if necessary, shall additionally submit an application in any form addressed to the chairman of the examination committee for the provision of:

1) a separate audience;

2) an assistant who is not a teacher of subjects taken as part of a special and/or creative exam for children with disabilities and persons with disabilities with visual impairments, musculoskeletal system functions, and (or) a specialist who speaks sign language for children with disabilities and persons with disabilities with hearing impairments.

Footnote. Paragraph 38 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

39. The form and procedure for conducting (date, time, venue, consultation) of a special and/or creative examination are approved by the chairman of the admissions commission and brought to the attention of applicants when accepting the application.

40. Psychometric testing is carried out in accordance with the recommendations of the educational and methodological association on the profile "Healthcare".

41. Admission to the audience for a special and/or creative examination, psychometric testing, interview is carried out upon presentation of the applicant's identity document.

42. Before the start of the special and / or creative examination, as well as psychometric testing, applicants are given examination material and explanations on the procedure required for the filling in of title pages, as well as the start and end time of the special and / or creative examination, the time and place of the announcement of the results are indicated, the procedure for filing an application for appeal is explained.

When conducting special and/or creative exams:

1) special and creative exams are evaluated on "2", "3", "4", "5";

2) psychometric testing in medical specialties is assessed in the form "Admission" / "Non-admission";

3) persons whose result is assessed as unsatisfactory in special and creative exams are not admitted to the next exam, competition.

Footnote. Paragraph 42 as amended by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2022 № 311 (shall be enforced from the date of its first official publication).

43. The results of a special and/or creative examination are drawn up by a statement of grades. During the period of special and /or creative examinations, as well as psychometric testing and interviews, audio and video recordings are made, which are stored in the archive of the TVPSE organization for at least one year.

44. The results of a special and/or creative examination, as well as psychometric testing, are announced and posted on information stands or Internet resources of the TVPSE organization on the day of the event.

45. In order to ensure compliance with uniform requirements and resolve controversial issues when evaluating the results of special and/or creative examinations, as well as psychometric testing, interviews and to protect the rights of applicants, an appeals commission is created by the order of the head of the TVPSE organization. The appeals commission consists of an odd number of its members. The composition of the appeals commission is formed from among the teachers of the TVPSE organizations. There must be

at least two people in one subject of testing. The chairman is elected from among the members of the appeals commission by a majority vote of its members. The secretary is not a member of the appeals commission.

46. A person who does not agree with the results of the exams submits an application for appeal. The application for appeal is submitted to the appeals commission before 13:00 of the next day after the announcement of the exam results and is considered by the appeal commission with the participation of the applicant within one working day from the date of submission of the application.

47. The decision of the appeals commission is considered competent if at least two-thirds of its members are present at the meeting. The decision of the appeals commission is made by a majority vote of the members of the commission present at the meeting. In case of equality of votes, the vote of the chairman of the appeals commission is decisive. The work of the appeals commission is formalized by protocols, which are signed by the chairman and all members of the appeals commission.

48. The results of the special and/or creative exam, as well as psychometric testing, shall be sent by the organization of TVPSE (with the exception of TVPSE organizations that are under the competence of the authorized body in the field of education and science, culture and sports) to the NEDB information system for participation in the competition for training under the state order (hereinafter - the Competition).

**Footnote. Paragraph 48 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

49. The Competition for qualifications of a mid-level specialist and an applied bachelor involves persons entering on the basis of primary, basic secondary, general secondary education, as well as persons who have completed training in educational programs of technical and vocational education, providing for the training of qualified workers.

50. Persons entering pedagogical, medical specialties, as well as specialties requiring special and creative training, are admitted to the Competition based on the results of special and/ or creative exams, psychometric testing, interviews.

51. To participate in the Competition, applicants on the basis of basic secondary education submit an application by August 18 of the calendar year, on the basis of general secondary, technical and vocational, post-secondary education - by August 20 of the calendar year in accordance with paragraph 12 of these Rules.

52. When applying for the Competition, applicants choose up to four specialties, qualifications (if necessary) approved by local executive bodies of regions, cities of republican significance and the capital, up to four TVPSE organizations approved by the Commission for placing a state order for training with TVPSE, the language of instruction (Kazakh, Russian, English), the level of education.

53. TVPSE organizations shall register persons specified in paragraph 9 of these Rules and who have submitted applications in the NEDB information system, indicating their specialty and qualifications, by August 26 of the calendar year.

Footnote. Paragraph 53 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

54. The competition shall be held by the NEDB information system (except for the organizations of TVPSE that are under the competence of the authorized body in the field of education and science, culture and sports) by means of automated distribution of applicants by the average competitive score of grades of compulsory and specialized subjects in accordance with the educational document, for applicants to pedagogical, medical specialties, specialties requiring creative training, by the average score of grades (points) of compulsory and specialized subjects in accordance with the educational document and grades (points) obtained, based on the results of special and/or creative examinations conducted by the organization of TVPSE, as well as taking into account the admission quota.

Footnote. Paragraph 54 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

55. Automated distribution of applicants shall be carried out by the NEDB information system.

Footnote. Paragraph 55 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

56. The competition among persons enrolling in TVPSE organizations that are within the competence of the authorized body in culture and sports is conducted by TVPSE organizations independently with the use of automated state orders distributing system.

Footnote. Paragraph 56 - as amended by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2022 № 311 (shall be enforced from the date of its first official publication).

57. The competition among persons entering on the basis of basic secondary education, by state order, is held from August 19 to 22 of the calendar year, on a paid basis – from August 26 to August 28 of the calendar year, on the basis of general secondary education, on the basis of TVPSE – from August 22 to August 25 of the calendar year, on a paid basis – from August 26 to August 28 of the calendar year, those entering the specialties of art and culture – from July 29 to August 2 of the calendar year.

58. The list of specialized subjects in the specialties of technical and vocational, post-secondary education is determined in accordance with Appendix 5 to these Rules.

59. The average competitive score (hereinafter referred to as the ACS) is defined as the average value of the sums of scores for subjects/disciplines, scores of special and / or creative exams in accordance with Appendixes 4, 5 to these Rules to their total number.

60. The average score is formed:

for applicants with basic secondary education (9 grades) – from scores / points in three subjects: a compulsory subject (Kazakh or Russian), two subjects in the specialty profile:

$$ACS = (OP1/OD1 + PP1/PD1 + PP2/PD2) / CO,$$

where OP1/OD1 is a score for a mandatory subject/discipline 1;

PP1/PD1 – a score for the first profile subject/discipline 1;

PP2/PD2 – a score for the second profile subject/discipline 2;

CO – number of ratings;

for applicants to pedagogical specialties, specialties requiring special and creative training, with primary (for the specialty "Choreographic art"), with basic secondary education (9 grades) – from scores /points in three subjects: a compulsory subject (Kazakh or Russian) and two subjects in the specialty profile (if necessary) and scores/scores of a special or creative exam:

$$ACS = (OP1/OD1 + PP1/PD1 + PP2/PD2 + SE/TE) / KP / CO,$$

where OP1/OD1 is a score for a mandatory subject/discipline 1;

PP2/PD2 – a score for the first profile subject/discipline 1;

PP2 /PD2 – a score for the second profile subject / discipline 2;

SE/TE – a score for a special and/or creative exam (when conducting two special and/ or creative exams SE2/TE2);

CO – number of scores;

for applicants with general secondary education, TVPSE – from scores in four subjects: compulsory subjects/disciplines (Kazakh or Russian, history of Kazakhstan) and two subjects/disciplines in the specialty profile:

$$ACS = (OP1/OD1 + OP2/OD2 + PP1/PD1 + PP2/PD2) / CO,$$

where OP1/OD1 is a score for a mandatory subject/discipline 1;

OP2/OD2 - a score for compulsory subject/discipline 2;

PP1/PD1 – a score for the first profile subject/discipline 1;

PP2/PD2 – a score for the second profile subject/discipline 2;

The number of scores;

for applicants in pedagogical specialties and specialties requiring creative training with general secondary education, TVPSE – from scores in four subjects: compulsory subjects/disciplines (Kazakh or Russian, history of Kazakhstan) and two subjects/disciplines in the specialty profile (if necessary) and/or scores/points of special and/or creative exam:

$$ACS = (OP1/OD1 + OP2/OD2 + PP1/PD1 + PP2/PD2 + SE/TE) / CO,$$

where OP1/OD1 is a score for a mandatory subject/discipline 1;

OP2/OD2 – a score for compulsory subject/discipline 2;

PP1/PD1 – a score for the first profile subject/discipline 1;

PP2 /PD2 – a score for the second profile subject / discipline 2;

SE/TE – a score for a special and/or creative exam (when conducting two special and/ or creative exams SE2/TE2);

CO – number of scores;

for persons with technical and vocational, post–secondary, higher education, entering medical specialties that do not correspond to the profile of the specialty - in two subjects/ disciplines according to the profile of the specialty:

$ACS = (PP1/PD1 + PP2/PD2) / CO,$

where PP1/PD1 is a score for the first profile subject/discipline 1;

PP2/PD2– a score for the second profile subject/discipline 2;

CO – number of scores;

for applicants with technical and vocational, post–secondary, higher education that does not correspond to the profile of the specialty - from the scores in four subjects: compulsory subjects /disciplines (Kazakh or Russian, history of Kazakhstan), two subjects/ disciplines in the profile of the specialty and/or in the presence of the scores in creative and/or special exam (pedagogical specialties and specialties requiring creative training):

$ACS = (OP1/OD1 + OP2/OD2 + PP1/PD1 + PP2/PD2 + \text{if available}) / CO,$

where OP1/OD1 is a score for a mandatory subject/discipline 1;

OP2/OD2 – a score for the first profile subject/discipline 2;

OP2/OD2 – a score for the second profile subject/discipline 2;

CO – the number of scores.

61. If the average competitive score is equal, the average score of the educational document, as well as the quota category in accordance with Order № 261, shall be taken into account.

**Footnote. Paragraph 61 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

62. For persons holding an education document from another country, if the education document does not contain the compulsory and core subjects specified in Appendix 5 to these Rules, the list of compulsory and core subjects shall be established by the admissions committees of the TVPSE organizations through the NEDB information system.

**Footnote. Paragraph 62 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

63. In the event of unallocated places under the state order, incompleteness of groups by specialty (at least 15 people, with the exception of specialties of art and culture, healthcare), uncovered applicants, the state order shall be redistributed by specialties and organizations of TVPSE in accordance with Order № 381 by August 29 of the calendar year.

The NEDB information system, through automated distribution, shall send to the education departments the results of applicants' distribution for enrollment in TVPSE organizations:

a list of persons who have successfully passed the interview for training in organizations of TVPSE under educational programs that provide for the training of qualified workers;

a list of persons who have successfully passed the interview for training personnel at the request of enterprises, as well as for special training programs;

list of persons who passed the competition for training in mid-level and applied bachelor's specialties.

**Footnote. Paragraph 63 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

64. Education departments shall publish the results of the Competition among persons applying on the basis of basic secondary education on August 23 of the calendar year, on the basis of general secondary education - on August 25 of the calendar year on official Internet resources, and also inform applicants about the results of the Competition by SMS message through the Unified Contact Center 1414 Portal.

**Footnote. Paragraph 64 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

65. TVPSE organizations within the competence of the authorized body in the field of education and science, culture and sports publish the results of the Competition on August 5 of the calendar year on official Internet resources.

66. Enrollment of students in the educational programs of technical and vocational, post-secondary education, providing for the training of middle-level specialists, applied bachelor's degree, is carried out by the order of the head of the TVPSE organization on the basis of the minutes of the admissions commission meeting:

1) for full-time study - until August 31 of the calendar year;

2) for evening and correspondence forms of study – until September 30 of the calendar year;

3) in the TVPSE organizations that are within the competence of the authorized body in the field of culture and sports, until August 10 of the calendar year;

4) on the applications from enterprises (organizations, institutions) until August 18 of the calendar year.

**Footnote. Paragraph 66 - as amended by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2022 № 311 (shall be enforced from the date of its first official publication).**

67. Enrollment of students in the educational programs of technical and vocational education, providing for the training of qualified workers, is carried out:

1) for full-time study – until August 31 of the calendar year according to the results of the interview;

2) for the evening form of study – until September 30 of the calendar year on the basis of selection, taking into account the scores in the profile subjects specified in the documents on basic secondary or general secondary education, the results of the interview.

**68. Excluded by the order of the Minister of Education of the Republic of Kazakhstan dated 05.07.2022 № 311 (shall be enforced from the date of its first official publication).**

69. Information on the results of enrollment is brought to the attention of applicants for full-time education, which provides for the training of middle-level specialists and the applied bachelor, by August 31 of the calendar year, the training of qualified workers - by August 31 of the calendar year, for evening and correspondence forms of study - by September 30 of the calendar year by admissions commissions by placing on information stands or on the Internet resources of the TVPSE organization.

Appendix 1  
to the Model rules for admission to  
the organizations of educational  
implementing educational programs of  
technical and vocational, post-secondary  
education

**Footnote. Appendix 1 is in the wording of the order of the Minister of Education of the Republic of Kazakhstan dated 31.01.2025 № 20 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).**

List of basic requirements for the provision of a state service "Acceptance of documents in organizations of technical and vocational, post-secondary education"		
1	Name of a service provider	Organizations of technical and vocational, post-secondary education (hereinafter - the service provider)

07150800	Geological exploration equipment	Algebra	Physics	Algebra and elements of analysis	Physics
07150900	Installation and operation of refrigeration and compressor machines and installations	Algebra	Physics	Algebra and elements of analysis	Physics
07151000	Operation, maintenance and repair of printing production equipment	Algebra	Physics	Algebra and elements of analysis	Physics
07151100	Operation and maintenance of machinery and equipment (by industry)	Algebra	Physics	Algebra and elements of analysis	Physics
07151200	Foundry production	Algebra	Physics	Algebra and elements of analysis	Physics
07151300, 07150300	Ferrous metals metallurgy	Algebra	Physics	Chemistry	Physics
07151400, 07150200	Metallurgy of non-ferrous metals	Algebra	Physics	Chemistry	Physics

07151500	Maintenance and repair of the blast furnace	Algebra	Physics	Algebra and elements of analysis	Physics
07151600	Extra-furnace steel treatment	Algebra	Physics	Algebra and elements of analysis	Physics
07151700	Manufacture of refractories	Algebra	Physics	Physics	Algebra and elements of analysis
07151800	Rolling production	Algebra	Physics	Algebra and elements of analysis	Physics
07151900	Pipe production	Algebra	Physics	Algebra and elements of analysis	Physics
07160100	Operation and maintenance of electronic transport equipment (by type of transport)	Algebra	Physics	Algebra and elements of analysis	Physics
07160200	Electrical installation of marine equipment	Algebra	Physics	Algebra and elements of analysis	Physics
07160300	Production of railway rolling stock (by type)	Algebra	Physics	Algebra and elements of analysis	Physics
07160400	Operation and maintenance of lifting and transport, road construction machinery and mechanisms of railway transport	Algebra	Physics	Algebra and elements of analysis	Physics
07160500	Operation, repair and maintenance of traction rolling stock of railways	Algebra	Physics	Algebra and elements of analysis	Physics
07160600	Operation, repair and maintenance of railway wagons and refrigerated rolling stock	Algebra	Physics	Algebra and elements of analysis	Physics
07160700, 07160200	Operation, maintenance and repair of urban electric vehicles	Algebra	Physics	Algebra and elements of analysis	Physics
	Technical operation of				

07160800, 07160400	ground-based aviation radio-electronic equipment	Physics	Foreign language	Physics	Foreign language
07160900, 07160500	Ground handling of aircraft	Physics	Foreign language	Physics	Foreign language
07161000, 07160600	Aircraft maintenance and repair	Physics	Foreign language	Physics	Foreign language
07161100, 07160700	Remotely piloted aviation system	Algebra	Foreign language	Algebra and elements of analysis	Foreign language
07161200, 07160800	Aircraft operation and flight information support	Algebra	Foreign language	Algebra and elements of analysis	Foreign language
07161300, 07160300	Maintenance, repair and operation of motor transport	Algebra	Physics	Algebra and elements of analysis	Physics
07161400	Automotive industry	Algebra	Physics	Algebra and elements of analysis	Physics
07161500	Shipbuilding and maintenance of marine machinery and mechanisms	Algebra	Physics	Algebra and elements of analysis	Physics
07161600, 07160900	Mechanization of agriculture	Algebra	Physics	Algebra and elements of analysis	Physics
07161700, 07161000	Operation, maintenance and repair of agricultural machinery	Algebra	Physics	Algebra and elements of analysis	Physics
072 Manufacturing and processing industries					
07210100	Production of meat and meat products	Chemistry	Biology	Chemistry	Biology
07210200	Production of milk and dairy products	Chemistry	Biology	Chemistry	Biology
07210300	Bakery, pasta and confectionery production	Chemistry	Biology	Chemistry	Biology
07210400	Sugar production	Chemistry	Biology	Chemistry	Biology
07210500	Extraction and production of table salt	Chemistry	Biology	Chemistry	Biology

07210600	Production of beer, soft drinks and spirits	Chemistry	Biology	Chemistry	Biology
07210700	Production of fats and fat substitutes	Chemistry	Biology	Chemistry	Biology
07210800	Production of tobacco products	Biology	Physics	Chemistry	Physics
07210900	Fish production	Biology	Chemistry	Chemistry	Biology
07211000	Storage and processing of fruits and vegetables	Chemistry	Biology	Chemistry	Biology
07211100	Production of canned food and food concentrates	Chemistry	Biology	Chemistry	Biology
07211200, 07210200	Elevator, flour milling, grain and feed production	Biology	Chemistry	Chemistry	Biology
07211300, 07210100	Food production technology	Chemistry	Biology	Chemistry	Biology
07211400, 07210300	Technology of production and processing of crop production	Biology	Chemistry	Biology	Chemistry
07220100	Production of building products and structures	Algebra	Physics	Algebra and elements of analysis	Physics
07220200, 07220100	Production of reinforced concrete and metal products (by type)	Algebra	Physics	Algebra and elements of analysis	Physics
07220300	Production of chemical fibers	Chemistry	Physics	Chemistry	Physics
07220400	Production of glass fibers and glass products	Chemistry	Physics	Chemistry	Physics
07220500	Tire production	Chemistry	Algebra	Chemistry	Algebra and elements of analysis
07220600	Rubber production	Chemistry	Algebra	Chemistry	Algebra and elements of analysis
07220700, 07220200	Polymer production technology	Chemistry	Algebra	Chemistry	Algebra and elements of analysis
07220800	Cable production	Algebra	Chemistry	Physics	Algebra and elements of analysis

07220900	Ceramic production	Chemistry	Physics	Chemistry	Physics
07221000	Manufacture of porcelain and earthenware products	Chemistry	Algebra	Chemistry	Algebra and elements of analysis
07221100	Technology of refractory non-metallic and silicate materials and products	Chemistry	Physics	Chemistry	Physics
07221200, 07150400	Technology of production of composite materials and products	Chemistry	Physics	Chemistry	Physics
07221300	Stone processing production	Chemistry	Physics	Chemistry	Physics
07221400	Furniture production	Algebra	Computer science	Algebra and elements of analysis	Computer science
07221500	Technology of products based on nanomaterials	Algebra	Chemistry	Algebra and elements of analysis	Chemistry
07230100	Sewing production and modeling of clothing	Algebra	Chemistry	Algebra and elements of analysis	Chemistry
07230200	Technology of production of fur and fur products	Algebra	Chemistry	Algebra and elements of analysis	Chemistry
07230300	Chemical treatment of leather and fur	Chemistry	Algebra	Chemistry	Algebra and elements of analysis
07230400	Weaving production (by type)	Algebra	Physics	Algebra and elements of analysis	Physics
07230500	Technology of spinning and carding production (by type)	Algebra	Physics	Algebra and elements of analysis	Physics
07230600	Technology of processing of fibrous materials	Chemistry	Physics	Chemistry	Physics
07230700	Technology of nonwoven textile materials	Algebra	Physics	Algebra and elements of analysis	Physics

07230800	Technology of knitted, textile, and haberdashery products	Algebra	Physics	Algebra and elements of analysis	Physics
07230900	Finishing production (by profile)	Chemistry	Physics	Chemistry	Physics
07231000	Shoe production	Algebra	Chemistry	Algebra and elements of analysis	Chemistry
07231100	Shoe production (by type)	Algebra	Chemistry	Algebra and elements of analysis	Chemistry
07240100	Underground mining of mineral deposits	Algebra	Physics	Algebra and elements of analysis	Physics
07240200	Surveying	Algebra	Physics	Algebra and elements of analysis	Physics
07240300	Open-pit mining of mineral deposits	Algebra	Physics	Algebra and elements of analysis	Physics
07240400	Mineral enrichment (coal enrichment)	Algebra	Physics	Algebra and elements of analysis	Physics
07240500	Mineral enrichment (ore enrichment)	Algebra	Chemistry	Chemistry	Algebra and elements of analysis
07240600	Construction of underground structures	Algebra	Physics	Algebra and elements of analysis	Physics
07240700, 07240200	Oil and gas well drilling and drilling technology	Algebra	Chemistry	Algebra and elements of analysis	Chemistry
07240800	Oil and gas production technology	Algebra	Chemistry	Algebra and elements of analysis	Chemistry
07240900, 07240300	Exploitation of oil and gas fields	Algebra	Physics	Algebra and elements of analysis	Physics

10410400, 10410500	Traffic management	Algebra	Physics	Algebra and elements of analysis	Physics
10410500, 10410600	Operation of water transport (by profile)	Algebra	Physics	Algebra and elements of analysis	Physics

Note: in the absence of a profile subject(s) in the document on education, the name of the profile subject(s) is determined by the admissions commission of the educational organization

Appendix 6  
to the Standard Rules for  
admission to educational  
organizations implementing  
educational programs of technical  
and vocational, post-secondary  
education

### Electronic application form

Surname, first name, patronymic of the applicant \_\_\_\_\_

IIN \_\_\_\_\_

Contact phone number \_\_\_\_\_

Code and name of the first specialty and TVPSE organization

\_\_\_\_\_

Code and name of the second specialty and TVPSE organization

Code and name of the third specialty and TVPSE organization

Code and name of the fourth specialty and TVPSE organization

Basic education \_\_\_\_\_

Language of instruction \_\_\_\_\_

A quota of admission is provided \_\_\_\_\_

(indicate the required category)

I am familiar with the Unified Instructions for conducting the Competition.

I consent to the collection and processing of personal data: yes (no)
