

On approval of qualification requirements for liquidation (destruction, disposal, dumping) activities and the processing of released ammunition, weapons, military equipment, special equipment and list of documents confirming compliance with them

Unofficial translation

Order of the Minister of Digital Development, Defense and Aerospace Industry of the Republic of Kazakhstan dated April 24, 2019 № 54/HK. Registered with the Ministry of Justice of the Republic of Kazakhstan on April 29, 2019 № 18605.

Unofficial translation

In accordance with subparagraph 1-1) of paragraph 1 of Article 12 of the Law of the Republic of Kazakhstan dated May 16, 2014 “On Permissions and Notifications”, **I HEREBY ORDER:**

1. To approve the attached qualification requirements for liquidation (destruction, disposal, dumping) activities and the processing of released ammunition, weapons, military equipment, special equipment and list of documents confirming compliance with them.

2. To recognize as terminated Order of the Acting Minister for Investment and Development of the Republic of Kazakhstan dated January 28, 2016 № 114 “On approval of qualification requirements for liquidation (destruction, disposal, dumping) activities and the processing of released ammunition, weapons, military equipment, special equipment and list of documents confirming compliance with them” (registered in the Register of State Registration of Normative Legal Acts № 13454, published April 19, 2016 in the "Adilet" information and legal system).

3. The Department of Development of the Military-Industrial Complex of the Ministry of Digital Development, Defense and Aerospace Industry of the Republic of Kazakhstan, in the manner prescribed by law, shall ensure:

1) state registration of this order with the Ministry of Justice of the Republic of Kazakhstan;

2) within ten calendar days from the date of state registration of this order, sending a copy hereof both in Kazakh and Russian languages to the Republican State Enterprise on the Right of Economic Management "Republican Center of Legal Information of the Ministry of Justice of the Republic of Kazakhstan" for official publication and inclusion in the Reference Control Bank of Regulatory Legal Acts of the Republic of Kazakhstan;

3) placement of this order on the Internet resource of the Ministry of Digital Development, Defense and Aerospace Industry of the Republic of Kazakhstan after its official publication;

4) within ten working days after the state registration of this order with the Ministry of Justice of the Republic of Kazakhstan, submission to the Legal Department of the Ministry of

Digital Development, Defense and Aerospace Industry of the Republic of Kazakhstan the information on the implementation of measures provided for in subparagraphs 1), 2) and 3) of this paragraph.

4. The control over the execution of this order shall be entrusted to the Supervising Vice Minister of Digital Development, Defense and Aerospace Industry of the Republic of Kazakhstan.

5. This order shall come into effect upon expiry twenty one calendar days after the day of its first official publication.

Appendix 1
to the qualification requirements
for liquidation
(destruction, disposal, burial)
activities and the processing of
released ammunition, weapons,
military equipment, special
equipment and list of documents
confirming compliance with them

The form of information on qualification requirements for liquidation (destruction, disposal, dumping) activities and the processing of released ammunition, weapons, military equipment, special equipment and the list of documents confirming compliance with them

1. For the sub-type of the liquidation (destruction, disposal, dumping) activities and processing of released ammunition the presence of:

1) higher technical education of the head or deputy head of a legal entity, including the head or deputy head of its branch, as well as an individual pursuing a licensed type of activity :

surname, first name, patronymic (if any) _____
_____;
position _____
_____;
number and date of the order of appointment _____
_____;
qualification by education _____
_____;
number and date of issue of the diploma of higher technical education _____
_____;
name of the higher education institution that issued the diploma _____
_____;

2) qualified professionals with corresponding technical education, at least one year of work experience in their qualification:

surname, first name, patronymic (if any) _____
_____;
position _____
_____;
number and date of signing the order of appointment _____
_____;
work experience in the qualification _____
_____;
qualification by education _____
_____;
number and date of issue of the diploma of higher technical education _____
_____;
name of the higher education institution that issued the diploma _____
_____;

3) production and technical facilities (stationary and (or) mobile) on the ownership right, fenced, isolated, located at a safe distance from residential, public and industrial facilities provided for by current standards, meeting the requirements of regulatory legal acts in the sanitary and epidemiological welfare of the population, fire safety and including: a specialized industrial building, structure and (or) container-type mobile module, lifting mechanism, equipment

_____;
a specially equipped warehouse for storing released ammunition and their components,
equipped with a contour lightning protection system with lightning rods _____

_____;
premises or special area with equipment and tools for sorting, cutting, packaging waste
and recycled materials from released ammunition

_____;
office space to accommodate working staff _____;
cadastral number of the immovable property (location) _____;
information on the presence of fencing, insulation, distance from residential and industrial
facilities, in meters

_____;
4) measuring instruments that comply with operating conditions and the legislative
requirements established for them to ensure the uniformity of measurements, including
radiation measuring instruments:

information on availability of measuring instruments _____
_____;
number and date of the certificate of verification of the measuring instrument _____
_____;

5) instructions approved by the head of the organization training personnel in safety
precautions and the procedure for organizing work on the liquidation (destruction, disposal,
burial) and processing of released ammunition:

information on availability of instructions approved by the head of the organization for
training personnel in safety precautions and procedure for organizing work on liquidation (
destruction, disposal, burial) and processing of released ammunition

_____;
6) log of accounting and storage of materials, components, articles of disposed released
ammunition:

information on availability of a log of accounting and storage of materials, components,
and articles of disposed released ammunition _____.

2. For the subtype of liquidation activities through destruction, disposal, burial and
processing of released weapons, military equipment, special equipment, the presence of:

1) higher technical education for the head or deputy head of a legal entity, including the
head or deputy head of its branch, as well as an individual pursuing a licensed type of activity
:

surname, first name, patronymic (if any) _____

position _____

number and date of the order of appointment _____

qualification by education _____

number and date of issue of the diploma of higher technical education _____

name of the higher education institution that issued the diploma _____
_____;

2) qualified professionals with corresponding technical education, at least one year of work experience in their qualification:

surname, first name, patronymic (if any) _____

position _____

number and date of signing the order of appointment _____

work experience in the qualification _____

qualification by education _____

number and date of issue of the diploma of higher technical education _____

name of the higher education institution that issued the diploma _____
_____;

3) production and technical facilities on the ownership right, fenced, isolated, located at a safe distance from residential, public and industrial facilities provided for by current standards, meeting the requirements of regulatory legal acts in the sanitary and epidemiological welfare of the population, fire safety and including: a specialized industrial building, structure, lifting mechanism, equipment _____;

 specially equipped warehouse for storing released weapons, military equipment, and special means _____;

 premises or a special site with equipment and tools for sorting, cutting, packaging of waste and recycled materials from released weapons, military equipment, special means _____;

 office space to accommodate the staff _____;

cadastral number of immovable property (location) _____

—;

information on the presence of fencing, insulation, distance from residential and industrial facilities, in meters _____;

4) measuring instruments that comply with operating conditions and legislative requirements established for them to ensure the uniformity of measurements:

information on availability of measuring instruments _____

_____;

number and date of the certificate of verification of the measuring instrument _____

_____;

5) instructions approved by the head of the organization training personnel in safety precautions and the procedure for organizing work on liquidation (destruction, disposal, burial) and processing of released ammunition, military hardware, special means:

Information on the presence of instructions approved by the head of the organization training personnel in safety precautions and the procedure of organizing work on liquidation (destruction, disposal, burial) and processing of released ammunition, military hardware, special means _____;
