

On approval of the Rules for submission of reporting by the management company of special economic and industrial zones

Unofficial translation

Order of the acting Minister of Industry and Infrastructural Development of the Republic of Kazakhstan dated July 11, 2019 № 500. Registered in the Ministry of Justice of the Republic of Kazakhstan on July 12, 2019 № 19021.

Unofficial translation

In accordance with subparagraph 11) of Article 11 of the Law of the Republic of Kazakhstan “On Special Economic and Industrial Zones” and subparagraph 2) of paragraph 3 of Article 16 of the Law of the Republic of Kazakhstan “On State Statistics”, **I HEREBY ORDER:**

Footnote. Preamble - as amended by Order № 398 of the Minister of Industry and Construction of the Republic of Kazakhstan dated September 26, 2025 (shall come into effect ten calendar days after the date of its first official publication).

1. To approve the attached Rules for submission of reporting by the management company of special economic and industrial zones.

2. To recognize as invalid:

1) the order of the Deputy Prime-Minister of the Republic of Kazakhstan - Minister of Industry and New Technologies of the Republic of Kazakhstan dated September 21, 2011 № 334 "On approval of the Rules and frequency for submission of reporting by the management body of a special economic zone" (registered in the Register of state registration of regulatory legal acts under №7207, published in the newspapers "Kazakhstanskaya pravda" dated October 18, 2011 № 332 (26723), "Egemen Kazakhstan" dated October 18, 2011 № 332 (26723));

2) the order of the acting Minister for Investment and Development of the Republic of Kazakhstan dated December 31, 2015 № 1292 “On amendments to the order of the Deputy Prime-Minister of the Republic of Kazakhstan - Minister of Industry and New Technologies of the Republic of Kazakhstan dated September 21, 2011 № 334 "On approval of the Rules and frequency for submission of reporting by the management body of a special economic zone" (registered in the Register of state registration of regulatory legal acts № 12980 and published on February 2, 2016 in the information -legal system "Аділет").

3. The committee of industrial development and industrial safety of the Ministry of Industry and Infrastructural Development of the Republic of Kazakhstan, in the manner established by the legislation shall ensure:

1) state registration of this order in the Ministry of Justice of the Republic of Kazakhstan;

2) within ten calendar days from the date of state registration of this order, sending it in the Kazakh and Russian languages to the Republican state enterprise on the right of economic management "Institute of Legislation and Legal Information of the Republic of Kazakhstan" of the Ministry of Justice of the Republic of Kazakhstan for official publication and inclusion to the Standard control bank of regulatory legal acts of the Republic of Kazakhstan;

3) placement of this order on the Internet resource of the Ministry of Industry and Infrastructural Development of the Republic of Kazakhstan.

4. Control over execution of this order shall be assigned to the supervising Vice- Minister of Industry and Infrastructural Development of the Republic of Kazakhstan.

5. This order shall be enforced upon expiry of ten calendar days after its first official publication.

*Minister of Industry
and Infrastructural Development
of the Republic of Kazakhstan*

R. Sklyar

Approved
by the order of the
Minister of Industry
and Infrastructural Development
of the Republic of Kazakhstan
dated July 11, 2019 № 500

Rules for the submission of reporting by the management company of special economic and industrial zones

Footnote. The Rules as amended by the Acting Minister of Industry and Infrastructural Development of the Republic of Kazakhstan dated 04.05.2022 № 249 (shall be enforced upon expiry of ten calendar days after the date of its first official publication).

Chapter 1. General provisions

1. These Rules for the submission of reporting by the management company of special economic and industrial zones (hereinafter referred to as the Rules) have been developed in accordance with subparagraph 11) of Article 11 of the Law of the Republic of Kazakhstan "On special economic and industrial zones" and subparagraph 2) of paragraph 3 of Article 16 of the Law of the Republic of Kazakhstan "On State Statistics" and shall determine the procedure for the submission of reporting by the management company of special economic and industrial zones.

2. In these Rules the following concepts are used:

1) a special economic zone - a part of the territory of the Republic of Kazakhstan with precisely delineated borders, where a special legal regime of a special economic zone applies for the implementation of priority types of activities;

2) a management company of a special economic zone - a legal entity, established or determined in accordance with the Laws of the Republic of Kazakhstan Қазақстан "On

special economic and industrial zones" and "On innovative cluster "Park of innovative technologies" to ensure the functioning of the special economic zone;

3) a participant in a special economic zone - a legal entity that performs priority types of activities in the territory of a special economic zone and is included in the single register of participants of special economic zones.

Therewith:

participants of the special economic zone "Park of innovative technologies" shall be allowed to implement priority types of activities outside the territory of this special economic zone;

participants of a special economic zone, the boundaries of which fully or partially coincide with the sections of the customs border of the Eurasian Economic Union, may be individual entrepreneurs who carry out priority types of activities in the territory of the said special economic zone;

4) a unified coordination center – a legal entity that carry out the coordination of activities of special economic and industrial zones.

5) an industrial zone - a territory, provided with the engineering and communication infrastructure given to private business entities for locating and operating of business facilities , including in the industry, agriculture, tourism industry, transport logistics, waste management, in the manner, prescribed by the legislation of the Republic Kazakhstan;

6) industrial zone management company - a legal entity, established or determined in accordance with the Law of the Republic of Kazakshtan "On special economic and industrial zones" to ensure the functioning of the industrial zone;

7) a participant in an industrial zone - an individual entrepreneur, a legal entity engaged in the arrangement and operation of business facilities in the territory of the industrial zone in the manner, established by the legislation of the Republic of Kazakhstan, with which the industrial zone management company has concluded a contract on activities;

8) an authorized body - the central executive body that carries out state regulation in the field of establishment, functioning and abolition of special economic and industrial zones.

Chapter 2. Rules for submission of reporting

2. The management company of special economic and industrial zones shall submit reporting to the authorized body and the Unified coordination center for special economic and industrial zones in the Republic of Kazakhstan in the state and Russian languages in the EXCEL format within the period no later than April 15 of the year, following the reporting year for special economic zones, on a quarterly basis by the tenth day of the month following the reporting quarter for industrial zones.

3. Reporting on paper as of the reporting date shall be signed by the head of the management company of special economic and industrial zones, and in his/her absence - by the person performing his/her duties in the form according to Annex to these Rules.

Reporting on paper shall be carried out in the absence of an electronic document management system in the management company.

4. Reporting in electronic format shall be submitted using a transport system of guaranteed delivery of information with cryptographic protection means, ensuring the confidentiality of the submitted data.

5. Completeness and reliability of the data in the reporting, as well as identity of the data presented in electronic format with the data on paper, shall be ensured by the head of the management company of special economic and industrial zones, and in his/her absence - by the acting person and shall be based on official data submitted by the participants of special economic and industrial zones based on the results of their activities.

for Reporting by the Management
company of Special
Economic
and Industrial Zones

Forms designed to collect administrative data

Footnote. The appendix is in the wording of the Order of the Minister of Industry and Construction of the Republic of Kazakhstan dated 26.09.2025 № 398 (effective ten calendar days after the date of its first official publication).

Submitted to:

the Ministry of Industry and Construction of the Republic of Kazakhstan and the Unified Coordination Center for Special Economic and Industrial Zones in the Republic of Kazakhstan.

The form for collecting administrative data free of charge is available on the Internet resource: www.gov.kz/memleket/entities/mps.

Name of the administrative form: Information on projects of the unified industrialization map.

Index of the form intended for collecting administrative data free of charge (short alphanumeric expression of the form name):

IPEKI-1.

Frequency: annually for special economic zones; quarterly for industrial zones.

Reporting period: 20 ____.

People submitting the form intended to collect administrative data free of charge: management companies of the special economic and industrial zone.

Deadline for submitting the form intended for collecting administrative data free of charge

:

Appendix to the form

intended for collecting administrative data "Information on projects of the unified industrialization map"

Explanation on filling out forms 1–5, intended for collecting administrative data free of charge

Chapter 1. General Provisions

1. This explanation shall define the uniform requirements for completing forms 1–5, intended for collecting administrative data free of charge, including the form “Share of Domestic Value” (hereinafter referred to as the Form).

2. The form shall be filled out by management companies of special economic and industrial zones.

3. The completed Form shall be submitted annually for special economic zones; quarterly for industrial zones;

4. The form shall be signed by the manager or the person performing his duties, indicating his last name and initials, as well as the date of completion.

5. The form shall be completed in the Kazakh and Russian languages.

Chapter 2. Explanation of filling out the Form

Form 1. General indicators of special economic and industrial zones (SEZ/IZ)

1) column 1 shall indicate the numbering;

2) Column 2 shall indicate the main indicators (the volume of investments actually made by participants in projects (billions of tenge), the volume of foreign direct investment (billions of tenge), the volume of production of goods and services (billions of tenge), the volume of tax deductions (billions of tenge), the volume of tax preferences received, the volume of customs preferences received, the volume of product exports (billions of tenge), permanent jobs (including employees of the management company) - the indicator shall not be filled in);

3) column 3 shall indicate the values of the main indicators for the first year;

4) column 4 shall indicate the values of the main indicators for the second year;

5) column 5 shall indicate the values of the main indicators for the third year;

6) in column 6 the values of the main indicators for subsequent years shall be indicated with the creation of additional columns;

7) column 7 shall indicate the values of the main indicators for the current year, quarter 1;

8) column 8 shall indicate the values of the main indicators for the current year, quarter 2;

9) column 9 shall indicate the values of the main indicators for the current year, quarter 3;

10) column 10 shall indicate the values of the main indicators for the current year, quarter 4;

11) in column 11 all the values of the main indicators from column 3 shall be summarized ;

Form 2. Projects of special economic and industrial zones

1. Column 1 shall indicate the numbering of the special economic or industrial zone;

2. Column 2 shall indicate the name of the special economic or industrial zone;

3. Column 3 shall indicate the name of the SEZ participant or the person carrying out non-core activities;

4. Column 4 shall indicate the name of the project;

5. Column 5 shall indicate the name of the product;

6. in column 6 the CN FEA code shall be indicated at the 10-digit level;

7. In column 7, the IPD code shall be indicated at the 9-digit level;

8. Column 8 shall indicate the industry;

9. In column 9, the GCTEA code shall be indicated at the 2-digit level;

10. Column 10 shall indicate the category of the business entity (micro, small, medium, large);

11. Column 11 shall indicate the occupied plot of land, in hectares;

12. Column 12 shall indicate the date of receipt of the land plot according to the state act;

13. Column 13 shall indicate the period for which the land plot was issued under the state act;

14. Column 14 shall indicate the cost of the project, in billions of tenge;

15. Column 15 shall indicate the volume of funds actually invested, in billions of tenge, for the first year;

16. Column 16 shall indicate the volume of funds actually invested, billions of tenge, for the second year;

17. Column 17 shall indicate the volume of funds actually invested, billions of tenge, for the third year;

18. Column 18 shall indicate the volume of funds actually invested, in billions of tenge, for subsequent years;

19. Column 19 shall indicate the volume of funds actually invested, in billions of tenge for the current year;

20. Column 20 shall indicate the amount of funds actually invested, in billions of tenge for the entire period;

21. Column 21 shall indicate the foreign country participating in the authorized capital of the SEZ participant (if any);
22. Column 22 shall indicate the name of the foreign participating company;
23. Column 23 shall indicate the share as a percentage, %;
24. Column 24 shall indicate the volume of funds actually invested, in billions of tenge, for the first year;
25. Column 25 shall indicate the volume of funds actually invested, in billions of tenge, for the second year;
26. Column 26 shall indicate the volume of funds actually invested, billions of tenge, for the third year;
27. Column 27 shall indicate the volume of funds actually invested, in billions of tenge, for subsequent years;
28. Column 28 shall indicate the volume of funds actually invested, in billions of tenge for the current year;
29. Column 29 shall indicate the amount of funds actually invested, in billions of tenge for the entire period;
30. Column 30 shall indicate the project capacity in physical terms;
31. Column 31 shall indicate the project capacity in value terms, billions of tenge;
32. Column 32 shall indicate the volume of manufactured products by product range, billions of tenge for the first year;
33. Column 33 shall indicate the volume of manufactured products by product range, billions of tenge for the second year;
34. Column 34 shall indicate the volume of manufactured products by product range, billions of tenge for the third year;
35. Column 35 shall indicate the volume of manufactured products by product range, billions of tenge for subsequent years;
36. Column 36 shall indicate the volume of manufactured products by product range, billions of tenge for the current year;
37. Column 37 shall indicate the total volume of manufactured products by product range, in billions of tenge for the entire period;
38. Column 38 shall indicate the volume of product exports by product range, billions of tenge for the first year;
39. Column 39 shall indicate the volume of product exports by product range, billions of tenge for the second year;
40. Column 40 shall indicate the volume of product exports by product range, billions of tenge for the third year;
41. Column 41 shall indicate the volume of product exports by product range, billions of tenge for subsequent years;

42. Column 42 shall indicate the volume of product exports by product range, billions of tenge for the current year;

43. Column 43 shall indicate the total volume of product exports by product range, in billions of tenge for the entire period;

44. Column 44 shall indicate the exporting countries;

45. Column 45 shall indicate permanent jobs, units;

46. Column 46 shall indicate the month of commissioning;

47. Column 47 shall indicate the year of commissioning;

48. Column 48 shall indicate tax deductions, billions of tenge for the first year;

49. Column 49 shall indicate tax deductions, billions of tenge for the second year;

50. Column 50 shall indicate tax deductions, billions of tenge for the third year;

51. Column 51 shall indicate tax deductions, billions of tenge for subsequent years;

52. Column 52 shall indicate tax deductions, billions of tenge for the current year;

53. Column 53 shall indicate the amount of tax deductions, billions of tenge for the entire period;

54. Column 54 shall indicate the current status;

55. Column 55 shall contain contact information.

Form 3. Infrastructure

1) Financing of SEZ/IZ infrastructure facilities

1. Column 1 shall indicate the name of the SEZ/IZ (object);

2. Column 2 shall indicate the total cost of construction of the SEZ/IZ infrastructure, in billions of tenge, according to the feasibility study;

3. Column 3 shall indicate the allocated funds, billions of tenge, for the first year;

4. Column 4 shall indicate the allocated funds, billions of tenge, for the second year;

5. Column 5 shall indicate the allocated funds, billions of tenge, for the third year;

6. Column 6 shall indicate the allocated funds, billions of tenge, for subsequent years;

7. Column 7 shall indicate the allocated funds, billions of tenge for the first quarter of the current year;

8. Column 8 shall indicate the allocated funds, billions of tenge, for the 2nd quarter of the current year;

9. Column 9 shall indicate the allocated funds, billions of tenge, for the 3rd quarter of the current year;

10. Column 10 shall indicate the allocated funds, billions of tenge, for the 4th quarter of the current year;

11. Column 11 shall indicate the amount of allocated funds, billions of tenge for the entire period;

12. Column 12 shall indicate the funds spent, in billions of tenge;

13. In column 13 the reasons for non-development shall be indicated;

14. Column 14 shall indicate the completion of the infrastructure (%);

15. Column 15 shall indicate the additional need for financing, billions of tenge for the current year;

16. Column 16 shall indicate the additional need for financing, in billions of tenge, for the following year;

17. Column 17 shall indicate the additional need for financing, in billions of tenge, for the following year;

18. Column 18 shall indicate the additional need for financing, in billions of tenge, for the following year;

19. Column 19 shall indicate the additional need for financing, in billions of tenge, for the following year;

20. Column 20 shall indicate the additional need for financing, in billions of tenge, for the following year;

21. Column 21 shall indicate the additional need for financing, in billions of tenge, for the following year;

22. In column 22 a note shall be indicated.

2) General information on the capacity of infrastructure facilities of the SEZ/IZ

1. Column 1 shall indicate the name of the infrastructure facility (water supply, including the following infrastructure facilities, sewerage, including the following infrastructure facilities, electricity supply, including the following infrastructure facilities, heat supply, including the following infrastructure facilities, gas supply, including the following infrastructure facilities, steam supply, including the following infrastructure facilities, telephone communications, including the following infrastructure facilities, internet, including the following infrastructure facilities, solid waste disposal, including the following infrastructure facilities, liquid waste disposal, including the following infrastructure facilities, access railway line, including the following infrastructure facilities, highways, including the following infrastructure facilities, internal highway, feeder road.);

2. Column 2 shall indicate the unit of measurement of the facility's capacity (cubic meters per hour, megawatts, gigacalories per hour, lines, megabits per second, tons per day, kilometers);

3. Column 3 shall indicate existing capacities—the capacities actually available on the territory of the SEZ/IZ for each infrastructure facility;

4. Column 4 shall indicate the consumed capacities – capacities that are currently used by current participants of the SEZ/IZ and administrative facilities;

5. Column 5 shall indicate free capacity—the capacity of infrastructure facilities available for connecting new participants in the SEZ/IZ;

6. Column 6 shall indicate the planned capacities – the capacities that are planned to be created on the territory of the SEZ/IZ.

3) Cost of utilities

1. Column 1 shall indicate the name of the utility service (water supply, heat supply, electricity supply, sewerage, gas supply);
2. Column 2 shall indicate the unit of measurement (cubic meter, gigacalories, kilowatts, cubic meters per hour);
3. Column 3 shall indicate the cost of a unit of service in tenge (indicated in accordance with current tariffs, with or without VAT, depending on the procedure adopted in the SEZ/IZ)

4) Need for infrastructure facilities

1. Column 1 shall indicate the name of the basic infrastructure facility (essential) or additional infrastructure that is needed (for example, a transformer substation, power line, boiler room, water supply, sewerage, highway);
2. Column 2 shall indicate the capacity of the required facility (in the appropriate units of measurement: cubic meters per hour, megawatts, gigacalories per hour, tons per day, kilometers);
3. Column 3 shall indicate the estimated need for financing for the construction or reconstruction of the facility, in billions of tenge.

Form 4. Land plots

in Section 1 “Distribution of Territory”:

1. Column 1 shall indicate the distribution of the territory of the SEZ/IZ: Total territory of the special economic and industrial zone; usable area; allocated for projects; territory of existing projects (total); territory of projects at the implementation stage (total); allocated for infrastructure; built; under construction; free usable; provided with infrastructure; non-usable territory; total.

2. Column 2 shall indicate the area in hectares;

3. in column 3 a note shall be indicated;

in section 2 “Useful area allocated to participants”:

1. Column 1 shall indicate the name of the participant;

2. Column 2 shall indicate the area in hectares;

3. In column 3 a note shall be indicated;

in Section 3 “Distribution of Other Territory”:

1. Column 1 shall indicate the name of the infrastructure facility;

2. Column 2 shall indicate the occupied territory in hectares;

3. In column 3 a note shall be indicated.

Form 5. Share of domestic value

1. Column 1 shall indicate the numbering;

2. Column 2 shall indicate the name of the SEZ;

3. Column 3 shall indicate the name of the SEZ participant or the person carrying out non-core activities;

4. In column 4 the identification number (BIN/IIN) shall be indicated;

5. In column 5, indicate the purchase code (0 - product, 1 - work, 2 - service);
 6. Column 6 shall indicate the name and brief (additional) description of the purchased goods and services;
 7. in column 7, the GCTEA code shall be indicated at the 4-digit level or the CN FEA code at the 6-digit level;
 8. Column 8 shall indicate the name of the supplier;
 9. Column 9 shall indicate the volume of purchased goods in physical terms;
 10. Column 10 shall indicate the total amount under the contract, in tenge;
 11. Column 11 shall indicate the BIN/IIN of the manufacturer of the goods to whom extracts from the register of Kazakhstani goods producers' certificates / "ST-KZ" have been issued;
 12. Column 12 shall indicate the number of the extract from the register of Kazakhstani manufacturers/certificate "ST-KZ";
 13. Column 13 shall indicate the series of the extract from the register of Kazakhstani manufacturers/certificate "ST-KZ";
 14. Column 14 shall indicate the date of issue of the extract from the register of Kazakhstani manufacturers/certificate "ST-KZ" (day, month, year);
 15. Column 15 shall indicate the domestic value of the goods, as specified in the extract from the register of Kazakhstani producers/certificate "ST-KZ", %;
 16. Column 16 shall indicate the domestic value of the work (service), %.
- The certificate of origin of goods form "CT-KZ" remains valid until January 1, 2026.
