

On approval of the Rules for maintaining the register of cattle burial grounds (bio-thermal pits)

Unofficial translation

Order of the Minister of Agriculture of the Republic of Kazakhstan dated February 3, 2020, № 35. Registered with the Ministry of Justice of the Republic of Kazakhstan on February 6, 2020 № 19987.

Unofficial translation

In accordance with subparagraph 46-29) of Article 8 of the Law of the Republic of Kazakhstan "On veterinary medicine" and subparagraph 2) of paragraph 3 of Article 16 of the Law of the Republic of Kazakhstan "On state statistics," **I hereby ORDER:**

Footnote. Preamble - in the wording of the order of the acting Minister of Agriculture of the Republic of Kazakhstan dated 02.12.2024 № 388 (shall enter into force upon expiry of ten calendar days after the day of its first official publication).

1. To approve the attached Rules for maintaining the register of cattle burial grounds (bio-thermal pits).

2. The Department of Veterinary, Phytosanitary and Food Safety of the Ministry of Agriculture of the Republic of Kazakhstan, in the manner prescribed by law, shall ensure:

1) state registration of this Order with the Ministry of Justice of the Republic of Kazakhstan;

2) posting this Order on the Internet resource of the Ministry of Agriculture of the Republic of Kazakhstan after its official publication.

3. Control over the execution of this Order shall be entrusted to the supervising Vice Minister of Agriculture of the Republic of Kazakhstan.

4. This Order shall come into effect upon the expiration of ten calendar days after the day of its first official publication.

*Minister of
Agriculture of the Republic of Kazakhstan*

S. Omarov

"AGREED"

Committee on Statistics of the
Ministry of National
Economy of the
Republic of Kazakhstan

Approved
by Order of the Minister of Agriculture of

Rules for maintaining the register of cattle burial grounds (bio-thermal pits)

Chapter 1. General Provisions

1. These Rules for maintaining the register of cattle burial grounds (biothermal pits) (hereinafter referred to as the Rules) have been developed in accordance with subparagraph 46 -29) of Article 8 of the Law of the Republic of Kazakhstan "On veterinary medicine," subparagraph 2) of paragraph 3 of Article 16 of the Law of the Republic of Kazakhstan "On state statistics" and shall determine the procedure for maintaining the register of cattle burial grounds (biothermal pits).

Footnote. Paragraph 1 – in the wording of the order of the acting Minister of Agriculture of the Republic of Kazakhstan dated 02.12.2024 № 388 (shall enter into force upon expiry of ten calendar days after the day of its first official publication).

2. The register of cattle burial grounds (bio-thermal pits) (hereinafter referred to as the Register) shall be maintained by the department of the authorized body in the field of veterinary medicine (hereinafter referred to as the Department) in the form in accordance with the Annex to these Rules based on data (information) provided by local executive bodies of regions, cities of republican significance, the capital.

The Register shall reflect data (information) on cattle burial grounds (bio-thermal pits), anthrax burials with an indication of the administrative-territorial unit of the location (placement) of the object (region, city of republican significance, capital, district, city of regional significance, rural district, settlement and others), current state (functioning or not functioning), coordinates, type, size, asset holder (property).

Chapter 2. Procedure for maintaining the register of cattle burial grounds (bio-thermal pits)

3. Local executive bodies of districts, cities of regional significance shall provide data (information) on cattle burial grounds (bio-thermal pits) to local executive bodies of regions for inclusion in the Register in the form according to the Annex to these Rules.

4. Local executive bodies of the regions shall analyze and summarize data (information) on cattle burial grounds (bio-thermal pits).

5. Local executive bodies of regions, cities of republican significance, the capital, within 10 (ten) working days, shall send the relevant data (information) to the Department as construction proceeds, new objects are discovered, changes and corrections of data (information) about objects contained in the Register.

6. The agency shall enter data (information) on cattle burial grounds (biothermal pits) into the Register in the context of administrative-territorial units with the assignment of a number

to cattle burial grounds (biothermal pits), which shall consist of alphabetic and numerical characters (symbols shall be separated by a slash) including:

the first character shall be the letter code of the region, city of republican significance, capital;

the second and third symbols shall be the serial number of the district (city of regional significance);

the fourth - eighth characters - a serial number in the Register (by region, city of republican significance, capital).

Literal code of the region, city of republican significance, capital, serial number of the district (cities of regional significance) shall be entered in accordance with Annex7 to the Rules for assigning registration numbers to production facilities engaged in raising animals, harvesting (slaughter), storage, processing and sale of animals, products and raw materials of animal origin, as well as organizations for the production, storage and sale of veterinary drugs, feed and feed additives, approved by the order of the Minister of Agriculture of the Republic of Kazakhstan dated January 23, 2015 № 7-1/37 (registered in the Register of state registration of regulatory legal acts № 10466).

When numbering cattle burial grounds (biothermal pits) in cities of republican significance, the capital, zeros shall be indicated in the second and third characters.

Footnote. Paragraph 6 – in the wording of the order of the acting Minister of Agriculture of the Republic of Kazakhstan dated 02.12.2024 № 388 (shall enter into force ten calendar days after the day of its first official publication).

7. The Department shall send the Register to the local executive bodies of regions, cities of republican significance, and the corresponding territorial divisions of the Department.
