Article 1 as amended by the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI (shall be enforced upon expiry of ten calendar days from the date of its first official publication); dated 03.07.2019 № 262-VI (shall be enforced from 01.01.2020); dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication); dated 30.12.2020 № 397-VI (shall be enforced six months after the day of its first official publication); dated 31.12.2021 №100-VII (shall be enforced from 01.03.2022); dated 12.07.2022 № 138-VII (shall be enforced upon expiry of sixty calendar days after the day of its first official publication); dated 21.05.2024 № 86-VIII (shall be enforced upon expiry of sixty calendar days after the date of its first official publication); № 205-VIII of 30.06.2025 (shall be enacted upon expiry of sixty calendar days after the date of its first official publication); dated 19.09.2025 № 219-VIII (effective sixty calendar days after the date of its first official publication).

## **Article 2. Coverage of the present Law**

1. Operation of the present Law extends to the natural and legal entities who are subjects of the relations arising at implementation of payments and money transfers in the Republic of Kazakhstan and also in the course of functioning of payment service providers and the market of payment services.

2. Relations connected with international payments and/or money transfers by banks, organizations performing certain types of banking operations, with non-resident banks (financial institutions) of the Republic of Kazakhstan shall be governed by agreements between them and business practices applied in banking practice, taking into account the requirements established by the laws of the Republic of Kazakhstan “On Combating Legalization (Laundering) of Proceeds from Crime, Financing of Terrorism and Financing of the Proliferation of Weapons of Mass Destruction” and “On Gambling Business.” If international payments and/or money transfers are carried out on the territory of the Republic of Kazakhstan, such relations shall be governed by this Law, the said agreements, and business practices insofar as they do not contradict the legislation of the Republic of Kazakhstan.

3. The provisions hereof applicable to banks shall extend to branches of non-resident banks of the Republic of Kazakhstan established within the territory of the Republic of Kazakhstan.

4. For payment services market entities and other legal entities operating under the special regulatory regime introduced in accordance with the Laws of the Republic of Kazakhstan "On

the National Bank of the Republic of Kazakhstan", "On state regulation, control and supervision of the financial market and financial organizations" of this Law and regulatory legal acts of the National Bank of the Republic of Kazakhstan, adopted in accordance with this Law, shall be spread within the limits provided by the conditions of the special regulatory regime.

Footnote. Article 2 as amended by the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI (shall be enforced upon expiry of ten calendar days from the date of its first official publication); dated 03.07.2019 № 262-VI (shall be enforced from 01.01.2020); dated 02.07.2020 № 356-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication); № 205-VIII of 30.06.2025 (shall come into force from the date of its first official publication).

### **Article 3. The legislation of the Republic of Kazakhstan on payments and money transfer**

1. The legislation of the Republic of Kazakhstan on payments and money transfers shall be based on the Constitution of the Republic of Kazakhstan and consist of this Law and other regulatory legal acts of the Republic of Kazakhstan.

2. If the international treaty ratified by the Republic of Kazakhstan has established other rules, than those which are provided by the present Law then are applied rules of the international treaty.

#### **Article 3-1. Purpose, objectives and principles of this Law**

1. The purpose hereof is to regulate public relations arising in the sphere of organisation and functioning of payment systems, regulation of payment systems and oversight thereof, regulation of the payment services market, control and oversight thereof, as well as execution of payments and/or money transfers in the Republic of Kazakhstan.

2. The objectives hereof shall be:

1) to regulate the payment services market, the activities of payment service providers and payment system operators associated with the execution of payments and money transfers, and the provision of payment services;

2) developing and establishing requirements for the activities of payment service providers and payment system operators participating in the payment services market, for the procedure for interaction between payment services market participants and for rendering payment services;

3) exercising control and supervision over the activities of payment service providers and payment system operators within the limits of its competence;

4) promoting stability of the financial system and the national economy, organizational and procedural measures aimed at preventing fraud, money laundering, terrorist financing and financing of the proliferation of weapons of mass destruction.

3. Regulating stuff associated with functioning payment systems, regulating the payment services market, making payments and money transfers shall be based on the following principles:

- 1) legality;
- 2) ensuring equality before the law, respect for the rights and freedoms of payment market participants, and protection of the interests of payment service consumers;
- 3) ensuring the economic security and independence of the national payment market.

Footnote. Chapter 1 has been supplemented with Article 3-1 under Law of the Republic of Kazakhstan № 205-VIII of 30.06.2025 (shall take effect upon expiry of sixty calendar days after the date of its first official publication).

#### **Article 4. Powers of National Bank of the Republic of Kazakhstan in the field of payments and payment service providers**

1. The National Bank of the Republic of Kazakhstan shall ensure the organisation and functioning of payment systems, regulate and supervise payment systems, regulate and supervise the payment services market, and regulate payments and/or money transfers pursuant to this Law and other laws of the Republic of Kazakhstan.

The sphere of payment systems, the payment services market, payments and/or money transfers shall be part of the sphere of the financial market and financial organisations and financial legislation of the Republic of Kazakhstan.

2. In the field of payments and payment service providers the National Bank of the Republic of Kazakhstan carries out other functions and realizes other powers provided by the present Law, other laws of the Republic of Kazakhstan and acts of the President of the Republic of Kazakhstan.

3. The list of subordinate regulatory legal acts adopted by the National Bank of the Republic of Kazakhstan pursuant to the laws of the Republic of Kazakhstan on matters within its competence shall be established in the regulations on the National Bank of the Republic of Kazakhstan.

Footnote. Article 4 shall be amended in the Kazakh language, the text in Russian shall not change in accordance with the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI (shall be enforced upon expiry of ten calendar days from the date of its first official publication); dated 03.07.2019 № 262-VI (shall be enforced from 16.12.2020); dated 12.07.2022 № 138-VII (shall be enforced upon expiry of sixty calendar days after the day of its first official publication); № 205-VIII of 30.06.2025 (shall be effective upon expiry of sixty calendar days after the date of its first official publication).

#### **Article 4-1. Powers of the authorized authority for regulation, control and supervision of the financial market and financial organizations in the field of payments and payment systems**

The authorized authority for regulation, control and supervision of the financial market and financial organizations, in order to protect the interests of consumers of financial services, exercises, within its competence, control and supervision over compliance by banks, organizations engaged in certain types of banking operations with the requirements of the legislation of the Republic of Kazakhstan on payments and payment systems.

Footnote. Chapter 1 is supplemented by Article 4-1 in accordance with the Law of the Republic of Kazakhstan dated 03.07.2019 № 262-VI (shall be enforced from 01.01.2020).

## **Chapter 2. PAYMENT SYSTEMS**

### **Article 5. Basic requirements to the payment systems**

1. The order of the organization and functioning of payment service provider is defined by her rules established by the operator of this payment service provider.

2. Rules of payment service provider have to contain:

1) procedures of functioning of payment service provider, including a procedure of money transfers in payment service provider, applications of formats of payment messages, the schedule of work of payment service provider and a risk management system in payment service provider;

2) the description of the services rendered by the operator of payment service provider, and the operations which are carried out in payment service provider;

3) conditions of participation in payment service provider;

4) an order of interaction of participants of payment service provider with her operator;

5) procedures of withdrawal of the instruction for payment and (or) money transfer;

6) order of settlement of insolvency of participants of payment service provider;

7) order of observance of measures of information security;

8) the measures taken to the participant of payment service provider for violation of the rules of payment service provider;

9) measures to ensure and implement organizational and procedural measures in the payment system aimed at preventing fraud, legalization (laundering) of proceeds from crime, financing of terrorism and financing of the proliferation of weapons of mass destruction.

3. Inclusion in rules of payment service provider of the norms limiting participation of participants of this payment service provider in other payment service providers (including norms in the form of a condition on exclusive participation) and also service of other payment service providers by persons which serve infrastructure of this payment service provider is forbidden (except for the persons who are employees of operator of this payment service provider).

4. Rules of payment service provider, change and addition in these rules, data on tariffs (cost of services) of the operator of payment service provider and on all changes of these tariffs (cost of services) are subject to publication on an Internet resource of the operator of payment service provider within fifteen working days after their approval by the operator of payment service provider.

Changes are made to tariffs (cost of services) of the operator of payment service provider by him on the basis of the financial calculations proving such changes.

5. The operator of payment service provider, except for National Bank of the Republic of Kazakhstan, within ten calendar days from start date of functioning of payment service

provider in the territory of the Republic of Kazakhstan informs National Bank of the Republic of Kazakhstan on creation in the territory of the Republic of Kazakhstan of own payment service provider or the beginning of functioning in the territory of the Republic of Kazakhstan of foreign payment service provider with submission of the following documents:

1) information about the name, postal address and location of the payment system operator;

1-1) information containing the name of the payment system;

2) information about the head (members) of executive body;

3) data on a domain name of an Internet resource of the operator of payment service provider on which the documents provided by paragraph 4 of the present article are placed;

4) the information about founders (shareholders) of operator of payment service provider having a share (actions) more than ten percent in the capital of operator of payment service provider;

5) information containing the date of commencement of the functioning of the payment system in the territory of the Republic of Kazakhstan. The date of commencement of operation is understood as the date of entry into force of the agreement concluded by the payment system operator with the first participant in the payment system.

6. In case of participation of a bank or an organization carrying out certain types of banking operations in the payment system, including in a foreign payment system, this bank (this organization) informs the National Bank of the Republic of Kazakhstan in writing about such participation within ten calendar days from the date of conclusion of agreements with the payment system operator for participation in the payment system with the submission of copies of agreements on the basis of which participation in the payment system is carried out, including in a foreign payment system, as well as information containing the name of the payment system, the name and postal address of the payment system operator.

The agreement (agreements) on the basis of which participation in a foreign payment system is carried out must provide for the procedure for obtaining by banks or organizations engaged in certain types of banking operations, of data and information about the beneficiary and the sender for payments and (or) money transfers, except for payments and (or) money transfers using payment cards.

**7. Excluded by the Law of the Republic of Kazakhstan dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).**

8. Money transfer in payment service providers is made by results of clearing or by individual execution of each instructions of the initiator.

9. Money transfer by results of clearing happens after the end of process of offset of counter monetary requirements and obligations of participants of payment service provider.

10. Money transfer by results of clearing in the system of interbank clearing is made with use of money of its participants in the interbank system of money transfers.

11. Money transfer by individual execution of each instructions of the initiator is made irrespective of his rights and obligations arising according to other instructions.

12. The order of settlement of insolvency of participants of payment service providers has to define fund raising methods for completion of payments and (or) money transfers.

The main requirements to an order of settlement of insolvency of participants of payment service providers are subject to publication on an Internet resource of the operator of payment service provider within fifteen working days after their approval by the operator of payment service provider.

13. Rules of payment service provider, change and addition in these rules, tariffs (cost of services) of the operator of payment service provider and all changes of these tariffs (cost of services) are applied by the operator and participants of payment service provider not earlier than date of their publication on an Internet resource of the operator of payment service provider.

**Footnote. Article 5 as amended by the Laws of the Republic of Kazakhstan dated 13.05.2020 № 325-VI (shall be enforced six months after the day of its first official publication); dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).**

#### **Article 6. Types of payment service providers, criteria and ways of determination of their importance**

1. Payment service providers, including foreign payment service providers, are subdivided into the following types:

- 1) systemically significant payment service provider;
- 2) significant payment service provider;
- 3) other payment service provider.

2. The national bank of the Republic of Kazakhstan carries payment service provider to systemically significant payment service provider at its compliance in total to the following criteria:

### **Article 13. Rendering payment services**

1. It shall be prohibited to provide payment services on the territory of the Republic of Kazakhstan without an appropriate license of the authorized authority for regulation, control and supervision of the financial market and financial organizations or registration with the National Bank of the Republic of Kazakhstan.

The requirements established by part one of the present point don't extend to activity of payment agents and payment subagents and also suppliers of the payment services which are carrying out the activity without license according to laws of the Republic of Kazakhstan.

2. Payment services are rendered:

1) specified in Paragraph 1 of Article 12 of this Law - by banks with a license from the authorized authority for regulation, control and supervision of the financial market and financial organizations to open and maintain bank accounts of clients and transfer transactions , by banks operating without a license from the authorized authority for regulation, control and supervision of the financial market and financial organizations in accordance with the laws of the Republic of Kazakhstan;

2) specified in Subparagraphs 2), 3), 4), 7), 8) and 9) of Paragraph 1 of Article 12 of this Law, - by an organization exercising certain types of banking operations, except for payment service providers specified in Paragraphs two and three of this Subparagraph, if there is a license from the authorized authority for regulation, control and supervision of the financial market and financial organizations for transfer operations. Wherein:

payment services specified in Subparagraph 1) of Paragraph 1 of Article 12 of this Law - by an organization performing calculations for transactions with financial instruments, subject to a license from the authorized authority for regulation, control and supervision of the financial market and financial organizations to open and maintain bank accounts of clients;

payment services specified in Subparagraphs 2), 3), 4), 5), 6), 7), 8) and 9) of Paragraph 1 of Article 12 of this Law, - by the National Post Operator, as well as in the presence of the license from an authorized authority for regulation, control and supervision of the financial market and financial organizations for opening and maintaining bank accounts of clients - a payment service provided by Subparagraph 1) of Paragraph 1 of Article 12 of this Law;

3) the operator of mail of the payment services specified in subparagraph 4) of paragraph 1 of article 12 of the present Law at implementation of postal orders of money with observance of the conditions established by paragraph 12 of the present article.

The order of rendering service in postal orders of money is regulated by the Law of the Republic of Kazakhstan “On post mail”;

4) the payment organization in the presence of the registration number of registration of the payment services specified in subparagraphs 3), 7) – 9) paragraph 1 of article 12 of the present Law;

5) the payment agent and the payment subagent of the payment services specified in subparagraphs 2), 3) and 7) of paragraph 1 of article 12 of the present Law in the presence of the agency contract on rendering payment services within types of the payment services allowed for the banks, the organizations which are carrying out separate types of bank operations, and the payment organizations.

3. A payment organization shall have the right to carry out activities to provide payment services as a payment agent of a bank or a payment subagent on the basis of an agent agreement for the provision of payment services concluded with a bank or a payment agent.

A payment organization provides payment services provided for by subparagraph 3) of paragraph 1 of Article 12 of this Law, if there is an agreement with the service provider.

It shall be allowed that a payment organization provides payment services for accepting payments to the budget without opening a client’s bank account if there is an agent agreement for provision of payment services concluded with a bank and (or) an organization engaged in certain types of banking operations.

When providing payment services, the payment organization uses its bank account for the purpose of crediting money solely for the provision of payment services specified in subparagraph 3) of paragraph 1 of Article 12 of this Law.

When providing payment services, the payment organization uses its bank account for the purpose of crediting money solely for the provision of payment services specified in subparagraph 3) of paragraph 1 of Article 12 of this Law.

The agreements shall provide for the procedure for crediting money from the bank account of the payment organization to the bank account of the service provider, the rights and obligations of the parties, as well as the procedure for remunerating the payment organization for the provision of the payment service and the conditions for attracting the payment organization to the provision of the payment service.

4. A payment service is provided on the basis of an agreement concluded between the client and the payment service provider, which must contain the following essential conditions:

- 1) types and general characteristics of the provided payment services;
- 2) the procedure and maximum term for the provision of a payment service;
- 3) the amount of fees and commissions charged or an indication of the Internet resource containing this information and the procedure for their collection;
- 4) the procedure for providing information about the payment service;
- 5) the procedure for protective actions against unauthorized payments;
- 6) the procedure for determining the exchange rate used in the provision of a payment service in foreign currency;
- 7) the conditions under which the payment service provider reserves the right to refuse to provide the payment service;
- 8) the procedure for regulating issues of unauthorized payment services;
- 9) the right of the client to terminate the contract;
- 10) the procedure for making claims and resolving disputes;
- 11) the procedure and amount of payments for damages for unjustified refusal to perform or improper execution of instructions.

A payment service provider may provide additional conditions necessary for the provision of a payment service.

5. The payment service provider has the right to unilaterally change the terms of the contract provided for in paragraph 4 of this article in the direction of their improvement for the client.

The payment service provider is not entitled to unilaterally change upwards the fees established for the payment services provided between the payment service provider and the client on the date of conclusion of the contract between the payment service provider and the client, with the exception of the fees charged when making international payments and (or) money transfers for which the payment service provider notifies the client about the change in fees in the manner and terms stipulated by the agreement between them.

A payment service provider for a payment service that is provided on a one-time basis through remote access systems ensures that the client is familiarized with the essential terms of the contract in Kazakh or Russian, as provided for in paragraph 4 of this article, before the payment service is provided.

6. The supplier of payment services before rendering payment service provides providing to the client information on the size by the collectable supplier of payment service of the commission in terms of money on the rendered payment service, except for the cases provided by the regulatory legal act of National Bank of the Republic of Kazakhstan when rendering payment services by means of the systems of remote access.

7. The supplier of payment services renders payment service only on the basis and according to conditions of the instructions of the client.

Change by the supplier of payment services of conditions and requisites of the instructions of the client are prohibited.

8. For receiving payment services and information banking services the client has the right to use the system of remote access as the supplier of payment services serving his bank account, and the third-party supplier of payment services.

9. For realization of the rights of the client for receiving payment services and information banking services from the third-party supplier of payment services the supplier of payment services serving the bank account of the client is obliged to provide to the third-party supplier of payment services access to the bank account and information of the client according to requirements of the regulatory legal act of National Bank of the Republic of Kazakhstan.

The requirement of this point doesn't extend to suppliers of the payment services which are serving bank accounts of clients and not providing electronic bank services by means of an Internet resource.

10. The supplier of payment services serving the bank account of the client has to report information on existence, the bank account number and transactions of the bank account of the client to the third parties by order of and with the consent of the client confirmed by means of identification means.

11. Collection of the commission for rendering payment service from the amount of payment and (or) money transfer is forbidden, except for cases when the condition of collection of the commission by her deduction from the amount of payment and (or) money transfer is provided in the contract between the beneficiary and the supplier of payment services of the beneficiary. The supplier of payment services of the beneficiary notifies the beneficiary on the sum of the accepted payment and (or) money transfer and the deductions made from her.

12. The supplier of payment services when rendering payment service provides observance of the following conditions:

1) conducting the customer due diligence in accordance with the legislation of the Republic of Kazakhstan on combating legalization (laundering) of proceeds from crime, financing of terrorism and financing of the proliferation of weapons of mass destruction;

2) presence in the payment document on the payment and (or) transfer of money and transfer to the participant in the payment and (or) money transfer of the details of the sender of the money and the beneficiary, as stipulated by the Law of the Republic of Kazakhstan "On Combating Legalization (Laundering) of Proceeds from Crime, Financing of Terrorism and Financing of the Proliferation of Weapons of Mass Destruction", except in cases where the payment institution provides the services referred to in subparagraphs 3) and 7) of paragraph 1 of Article 12 of this Law;

3) preservation within five years after rendering payment service or closing of the bank account of the client of the data allowing to identify the sender of money and (or) the beneficiary;

4) safety of identification means of the client from access to the third parties.

13. The supplier of payment services after rendering payment service (except for payment service in release of payment cards) submits to the client the document confirming the fact of rendering payment service on paper or by means of network of telecommunications.

Requirements to contents of the document confirming rendering payment service are established by the regulatory legal act of National Bank of the Republic of Kazakhstan.

14. The supplier of payment services provides confidentiality of the data received when rendering payment services and doesn't allow their disclosure to the third parties, except for the cases provided by laws of the Republic of Kazakhstan.

The supplier of payment services when rendering payment services carries out collecting and processing of personal data with the consent of the subject of personal data, except for the cases provided by the Law of the Republic of Kazakhstan “On personal data and their protection”.

The payment service provider has the right to collect copies of identification documents of non-residents for the purposes provided for by this Law.

15. The payment organization is forbidden to realize other business activity, except for the following types of activity:

1) purchase, sale, property hiring of real estate;

2) advertizing, marketing, consulting and information services;

3) development, adaptation, modification, technical software maintenance;

4) purchase, sale, property lease of electronic terminals, other devices and equipment for processing and transmitting information on payments;

5) associated with the use of computer technology and information technology, including information technology services, services for the processing and transmission of data on payments, the creation and use of a database and information resources;

6) services in the field of logistics and express activities, including execution of agency and intermediary activities in these spheres;

7) creation and safety of information systems and networks;

8) development and implementation of means of cryptography information security;

9) services in the certificate of compliance of public key of the digital signature to private key of the digital signature and also confirmation of reliability of the registration certificate;

10) activity as a participant or operator of the payment system.

16. The supplier of payment services has the right to sign the contract on outsourcing with the third parties.

When outsourcing the supplier of payment services notifies on it National Bank of the Republic of Kazakhstan within fifteen working days from the date of signing of the contract on outsourcing.

17. Outsourcing isn't allowed or stops in cases:

1) emergence of risk of violation by the supplier of payment services of requirements of the present Law and regulations of National Bank of the Republic of Kazakhstan and also hindrance to implementation by National Bank of the Republic of Kazakhstan of functions of control of the market of payment services;

2) if the third party does not conform to the requirements necessary for ensuring rendering payment services by the supplier of payment services;

3) existence of a contradiction between the outsourcing and conditions shown to suppliers of payment services for implementation of activities for rendering payment services;

4) cancellation or change by outsourcing of conditions on the basis of which the supplier of payment services has been given permission to implementation of activities for rendering payment services;

5) non-execution or inadequate execution by the third party of the obligations under the contract on outsourcing.

18. The order of outsourcing is defined by internal rules of the supplier of payment services and according to the contract on outsourcing.

The supplier of payment services bears civil responsibility for non-execution or inadequate execution by the third party of the obligations under the contract on outsourcing. The supplier of payment services if necessary dissolves the contract on outsourcing on condition of ensuring uninterrupted operation and quality of rendering payment services and also the interests of recipients of payment services.

**Footnote. Article 13 as amended by the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI (shall be enforced upon expiry of ten calendar days from the date of its first official publication); dated 03.07.2019 № 262-VI (shall be enforced from 01.01.2020); dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication); dated 30.12.2020 № 397-VI (shall be enforced six months after the day of its first official publication); dated 11.12.2023 № 44-VIII (shall be enforced upon expiration of sixty calendar days after the day of its first official publication).**

#### **Article 14. Requirements when rendering payment services through payment agents and (or) payment subagents**

1. The bank, the organization which is carrying out separate types of bank operations, the payment organization have the right to render payment services to clients through the payment agent or the payment subagent on the basis of the agency contract on rendering payment services.

A payment organization shall have the right to involve a payment agent and a payment subagent in provision of a payment service, if such a condition is provided for in the agreement with the service provider.

2. The payment service by the payment agent and (or) payment subagent appears to the client at observance of the following requirements:

1) rendering payment service on behalf of bank or the organization which is carrying out separate types of bank operations or the payment organization;

2) performance of the conditions provided by paragraph 12 of article 13 of the present Law;

3) representation to the client of the document confirming the fact of rendering payment service and containing necessary requisites;

4) collection by the payment agent of the remuneration according to terms of the contract concluded with bank or the organization which is carrying out separate types of bank operations or the payment organization, and the payment subagent according to the contract signed with the payment agent and also the contract between the payment agent and bank, the organization which is carrying out separate types of bank operations or the payment organization;

5) providing to the client information provided by paragraph 3 of the present article.

3. Prior to rendering payment service by the payment agent and (or) payment subagent providing the following information to the client is provided:

4) amount of remuneration, withheld by the payment agent and (or) the payment subagent from the client when rendering payment service (in case of his collection).

4. The bank, the organization which is carrying out separate types of bank operations, and the payment organization have to keep registers of the payment agents and payment subagents in the order determined by the internal document of bank, the organization which is carrying out separate types of bank operations, the payment organization.

5. The payment agent provides granting in bank, the organization which is carrying out separate types of bank operations, or the payment organization of information on the involved

payment subagents for their inclusion in the specified register in the order determined by the contract between them.

6. The bank, the organization which is carrying out separate types of bank operations, the payment organization are obliged to exercise control of observance by the payment agent of requirements of the legislation of the Republic of Kazakhstan on payments and payment service providers and also conditions of rendering the payment services established by the contract between the payment agent and bank, the organization which is carrying out separate types of bank operations, the payment organization.

The procedure of the control provided by part one of the present point is established in the contract between bank, the organization which is carrying out separate types of bank operations, the payment organization and the payment agent or in internal rules of bank, the organization which is carrying out separate types of bank operations and the payment organization.

7. The payment agent is obliged to exercise control of observance by the payment subagent of requirements of the legislation of the Republic of Kazakhstan on payments and payment service providers and conditions of rendering the payment services established by the contract between the payment agent and bank, the organization which is carrying out separate types of bank operations and the payment organization in the order determined by the contract between the payment agent and (or) the payment subagent and also between the payment agent and bank, the organization which is carrying out separate types of bank operations or the payment organization.

8. The bank, the organization which is carrying out separate types of bank operations, the payment organization which has signed agency contracts on rendering payment services present to National Bank of the Republic of Kazakhstan data on these services and also on the payment agents and payment subagents in the order determined by the regulatory legal act of National Bank of the Republic of Kazakhstan.

9. The bank, the organization which is carrying out separate types of bank operations, the payment organization bear solidary with the payment agent and the payment subagent who has signed agency contracts on rendering payment services, responsibility to the client according to obligations of the payment agent and payment subagent.

**Footnote. Article 14 as amended by the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI (shall be enforced upon expiry of ten calendar days from the date of its first official publication).**

#### **Article 15. Creation of the payment organization**

1. The legal entity which isn't registered as the payment organization has no right to use in the name the words "payment organization", words, derivative of them, assuming that it carries out activities for rendering payment services.

2. The payment organization has the right to open the branches, including outside the Republic of Kazakhstan.

The payment organization notifies National Bank of the Republic of Kazakhstan on opening of the branches in the order determined by the regulatory legal act of National Bank of the Republic of Kazakhstan.

The payment organization keeps accounting and the reporting according to requirements of the legislation of the Republic of Kazakhstan about accounting and financial statements.

#### **Article 15-1. Formation of the authorized capital of payment organization**

1. The minimum amount of the authorized capital of a payment organization is established by the regulatory legal act of the National Bank of the Republic of Kazakhstan and is formed before the payment organization applies to the National Bank of the Republic of Kazakhstan for accounting registration.

2. The authorized capital of a payment organization is formed exclusively in money in the national currency of the Republic of Kazakhstan.

**Footnote. Chapter 3 is supplemented by Article 15-1 in accordance with the Law of the Republic of Kazakhstan dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).**

#### **Article 16. Registration of the payment organization**

1. Registration of the payment organizations in National Bank of the Republic of Kazakhstan is carried out for regulation and control of their activity and is an indispensable condition when rendering payment services by the payment organization. The activities for rendering payment services which are carried out by the payment organization without passing of registration in National Bank of the Republic of Kazakhstan are illegal and attract the responsibility established by laws of the Republic of Kazakhstan.

2. For passing of registration the payment organization presents to National Bank of the Republic of Kazakhstan:

1) the application in the form determined by the National Bank of the Republic of Kazakhstan, containing, information about the head (members) of the executive authority (with the attachment of copies of the diploma (diplomas) and a document confirming the employee's labor activity in accordance with the Labor Code of the Republic of Kazakhstan);

1-1) copies of documents confirming the formation of the authorized capital;

2) the charter, except for cases when the payment organization carries out activities for the standard charter;

3) the document defining an order of interaction of the payment organization with the relevant bank or the organization which is carrying out separate types of bank operations, making money transfer on the rendered payment services;

**4) excluded by the Law of the Republic of Kazakhstan dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication);**

**5) excluded by the Law of the Republic of Kazakhstan dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication);**

6) excluded by the Law of the Republic of Kazakhstan dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication);

7) the rules of implementation of activity of the payment organization approved by governing body of the payment organization.

The list of indispensable conditions of rules of implementation of activity of the payment organization is established by the regulatory legal act of National Bank of the Republic of Kazakhstan;

8) excluded by the Law of the Republic of Kazakhstan dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication);

9) excluded by the Law of the Republic of Kazakhstan dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication);

10) excluded by the Law of the Republic of Kazakhstan dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication );

3. The National Bank of the Republic of Kazakhstan shall consider the application of the payment organization for registration within ten working days from the date of submission of the full list of documents specified in Paragraph 2 of this Article.

4. The national bank of the Republic of Kazakhstan when passing of registration by the payment organization assigns to the payment organization the registration number, carries out entry in the register of the payment organizations, sends to the payment organization in writing the notice with the indication of the registration number on passing of registration in time, established by paragraph 3 of the present article.

At refusal in registration the National Bank of the Republic of Kazakhstan sends to the payment organization in writing the notice of refusal in registration with the indication of a cause of failure in time, established by paragraph 3 of the present article.

5. The register of the payment organizations which have undergone registration is placed on an Internet resource of National Bank of the Republic of Kazakhstan.

6. The payment organization is obliged to specify the registration number when providing information on the payment organization.

7. The payment organization informs National Bank of the Republic of Kazakhstan on all changes and additions made to documents on the basis of which registration, within ten calendar days after introduction of these changes has been carried out.

8. Foreign structures without the formation of a legal entity, registered in a foreign state (on the territory) included in the list of states (territories) compiled by the authorized body for financial monitoring that do not comply and (or) insufficiently comply with the recommendations of the Financial Action Task Force on Money Laundering (FATF), may not directly or indirectly own and (or) use and (or) dispose of participation shares in the authorized capital of payment institutions.

Indirect ownership of participation shares in the authorized capital or ownership (voting) of participation shares in the authorized capital of a payment organization shall provide an opportunity to determine the decisions of a legal entity participant of a payment organization through ownership (voting) of participation shares in the authorized capital (shares) of other legal entities.

Footnote. Article 16 as amended by the Law of the Republic of Kazakhstan dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication); dated 01.07.2022 № 131-VII (shall be enforced upon expiry of sixty calendar days after the day of its first official publication).

#### **Article 17. The refusal bases in registration of the payment organization**

1. The refusal in registration of the payment organization is made in cases:

- 1) submissions of the incomplete and (or) false information which is subject to reflection in the documents specified in paragraph 2 of article 16 of the present Law;
- 2) submissions of the incomplete list of documents or discrepancy of documents to requirements of the present Law and regulatory legal act of National Bank of the Republic of Kazakhstan;
- 3) if the head of executive body of the payment organization does not conform to the requirements established in article 19 of the present Law;
- 4) if a payment organization within one year from the date of its state registration (re-registration) in the State Corporation "Government for Citizens" has not filed an application for registration.

2. In case of denial of accounting registration, a legal entity has the right to re-submit an application for accounting registration upon elimination of the reasons that led to the denial of accounting registration of a payment organization, or make a decision to change its name or reorganize or liquidate it.

Failure to eliminate the reasons that led to the denial of accounting registration of the payment organization is the basis for refusing to re-consider the said application.

Repeatedly submitted application shall be considered by the National Bank of the Republic of Kazakhstan within ten working days.

Footnote. Article 17 as amended by the Law of the Republic of Kazakhstan dated 02.04.2019 № 241-VI (shall be enforced from 01.01.2019); dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).

#### **Article 18. Bases for an exception of the register of the payment organizations**

1. The payment organization is excluded from the register of the payment organizations in cases:

1) systematic (three also more time within twelve consecutive calendar months) non-presentations of data on payment services in National Bank of the Republic of Kazakhstan;

2) submissions of false information on payment services or the false information which is subject to reflection in the documents specified in paragraph 2 of article 16 of the present Law which influence making decision on registration of the payment organization;

3) systematic (three also more time within twelve consecutive calendar months) failures to meet requirements of the legislation of the Republic of Kazakhstan on payments and payment service providers;

4) failures of activity by the payment organization within twelve consecutive calendar months from the date of inclusion in the register of the payment organizations or the termination of the activity for more than six months in a row;

5) detection of the circumstances provided by subparagraphs 3) and 4) of paragraph 1 of article 17 of the present Law;

6) introductions in validity of the judgment about the termination of activity of the payment organization;

7) entering of data on the termination of activity of the payment organization into the National register of business identification numbers;

8) adoptions by the payment organization of the decision on the voluntary termination of the activity by reorganization (accession, merge, division, allocation, transformation) or elimination. At the same time the payment organization before filing of application about an exception of the register of the payment organizations fulfills all the obligations. The letter on confirmation of execution of all obligations is at the same time enclosed to the application;

9) hindrances by the payment organization in conducting check from National Bank of the Republic of Kazakhstan or failure to follow instructions of National Bank of the Republic of Kazakhstan;

10) receipts of the statement of the payment organization in case of refusal from rendering payment services, except for cases when such exception promotes causing damage to the interests of recipients of payment services.

2. At an exception of the register of the payment organizations the National Bank of the Republic of Kazakhstan within five working days from the date of an exception in writing notifies the payment organization and publishes information on it on the Internet resource.

The notification is sent to the location of the payment organization or to the address indicated in the application for accounting registration.

3. The decision of National Bank of the Republic of Kazakhstan on an exception of the payment organization of the register of the payment organizations can be appealed in the order determined by laws of the Republic of Kazakhstan.

The appeal of the decision of National Bank of the Republic of Kazakhstan on an exception of the payment organization of the register of the payment organizations doesn't stop execution of this decision.

4. Rendering payment services after obtaining the written notice of National Bank of the Republic of Kazakhstan of her exception of the register of the payment organizations is forbidden to the payment organization.

5. In case of an exception of the register of the payment organizations the payment organization within thirty calendar days from the moment of the notice by National Bank of the Republic of Kazakhstan is obliged to make the decision on change of the name on an exception of the register of the payment organizations in the presence in him the words “payment organization” of either reorganization, or liquidation of the payment organization.

**Footnote. Article 18 as amended by the Law of the Republic of Kazakhstan dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).**

#### **Article 19. Requirements to the head of executive body of the payment organization**

1. The head of executive body of the payment organization has to have the higher education.

2. It is forbidden to choose or designate the head of executive body of the payment organization the person:

1) lacking an impeccable business record, including with previously held position of an executive, member of a management body, head, member of an executive body, or chief accountant of a financial organization during the period of no more than one year prior to the decision on the conservation of the financial organization or compulsory redemption of its shares, deprivation of the license of a financial organization, resulting in its liquidation and (or) termination of activities in the financial market, or enforcement of a court order on compulsory liquidation of a financial organization or declaration of its bankruptcy in accordance with the procedure established by the legislation of the Republic of Kazakhstan;

1-1) who was previously the head of the executive body of a payment organization excluded from the register of payment organizations on the grounds provided for in subparagraphs 1), 2), 3) and 9) of paragraph 1 of Article 18 of this Law.

The grounds specified in this subparagraph apply for five consecutive calendar years from the date of exclusion of the payment organization from the register of payment organizations;

**2) excluded by the Law of the Republic of Kazakhstan dated 19.09.2025 № 219-VIII (effective sixty calendar days after the date of its first official publication).**

3. The national bank of the Republic of Kazakhstan publishes the instruction about replacement of the head of executive body of the payment organization if:

1) the person does not conform to requirements of the present article;

2) the payment organization has submitted false information or counterfeit documents on the head of executive body of the payment organization.

4. It shall be prohibited to elect or appoint as the head of the executive body of a payment organization a person included in the list of organizations and individuals associated with financing of terrorism and extremism, and also in the list of organizations and individuals associated with financing of the proliferation of weapons of mass destruction, in accordance with the legislation of the Republic of Kazakhstan on combating legalization (laundering) of proceeds from crime, financing of terrorism and financing of the proliferation of weapons of mass destruction.

Footnote. Article 19 as amended by the Law of the Republic of Kazakhstan dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication); dated 01.07.2022 № 131-VII (shall be enforced upon expiry of sixty calendar days after the day of its first official publication); dated 19.09.2025 № 219-VIII (effective sixty calendar days after the date of its first official publication).

#### **Article 19-1. Founders and participants of the payment organization**

The founders (participants) (one of the founders, participants) of a payment organization shall be individuals, legal entities, and foreign structures without forming a legal entity, with the exception of persons:

- 1) lacking an impeccable business record;
- 2) entered on the list of organizations and individuals associated with financing of terrorism and extremism and also on the list of organizations and individuals associated with financing of the proliferation of weapons of mass destruction, in accordance with the legislation of the Republic of Kazakhstan on combating legalization (laundering) of proceeds from crime, financing of terrorism and financing of the proliferation of weapons of mass destruction.

Footnote. Chapter 3 is supplemented by Article 19-1 in accordance with the Law of the Republic of Kazakhstan dated 01.07.2022 № 131-VII (shall be enforced upon expiry of sixty calendar days after the day of its first official publication); dated 19.09.2025 № 219-VIII (effective sixty calendar days after the date of its first official publication).

#### **Article 20. Reorganization (accession, merge, division, allocation, transformation) of the payment organization**

1. Voluntary reorganization (merge, accession, division, allocation, transformation) of the payment organizations can be carried out according to the decision of shareholders (participants) of the payment organizations with the consent of National Bank of the Republic of Kazakhstan.

2. At making decision on voluntary reorganization of the payment organization to National Bank of the Republic of Kazakhstan are submitted for approval:

- 1) decision on voluntary reorganization of the payment organization;
- 2) the documents describing estimated conditions, forms, an order and terms of voluntary reorganization of the payment organization;

3) excluded by the Law of the Republic of Kazakhstan dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication);

4) the contract on accession (merge) signed by heads of executive bodies of the reorganized payment organizations;

5) the auditor report according to the legislation of the Republic of Kazakhstan on auditor activity;

6) excluded by the Law of the Republic of Kazakhstan dated 25.11.2019 № 272-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication);

7) rules of implementation of activity of the payment organization formed as a result of voluntary reorganization.

3. The National Bank of the Republic of Kazakhstan considers the submitted documents specified in Paragraph 2 of this Article and within ten working days from the date of their representation directs in writing the notice of the made decision.

4. The reorganized payment organizations within fifteen calendar days from the date of receiving consent of National Bank of the Republic of Kazakhstan to carrying out voluntary reorganization are obliged to inform on the made reorganization of all the clients and suppliers of payment services by the publication of the corresponding announcement in mass media, including on the Internet resource.

5. Registration of the payment organization formed as a result of voluntary reorganization is made according to requirements of the present Law and the regulatory legal act of National Bank of the Republic of Kazakhstan.

6. The exception of the register of the reorganized payment organizations is carried out at the same time in day of inclusion of the payment organization formed as a result of voluntary reorganization in the register of the payment organizations.

7. The national bank of the Republic of Kazakhstan refuses delivery of consent to voluntary reorganization of the payment organizations in cases:

1) if the head of executive body of the payment organization formed as a result of voluntary reorganization doesn't conform to requirements of article 19 of the present Law;

2) if voluntary reorganization of the payment organizations interferes with control and supervision over payment services market and also does harm to the interests of recipients of payment services.

Footnote. Article 20 as amended by the Law of the Republic of Kazakhstan dated 03.07.2019 № 262-VI (shall be enforced from 01.01.2020); dated 25.11.2019 № 272-VI ( shall be enforced upon expiry of ten calendar days after the day of its first official publication ).

#### **Chapter 4. REGULATION OF PAYMENT SERVICE PROVIDERS AND SUPERVISION ( OVERSIGHT) FOR THEM, REGULATION OF THE MARKET OF PAYMENT SERVICES AND CONTROL OF HIM**

## **Article 21. Regulation of payment service providers and supervision (oversight) of them**

1. For regulation of payment service providers National Bank of the Republic of Kazakhstan:

- 1) defines a procedure of supervision (oversight) of payment service providers;
- 2) adopts the regulations aimed at providing efficiency and reliability of functioning of payment service providers in the territory of the Republic of Kazakhstan;
- 3) approves indicators of criteria of significant payment service providers;
- 4) defines an order of maintaining the register of payment service providers.

2. For implementation of supervision (oversight) of payment service providers National Bank of the Republic of Kazakhstan:

- 1) carries out monitoring systemically of significant payment service providers;
- 2) carries out the analysis and assessment of functioning of systemically significant, significant payment service providers on compliance to the international standards, including the analysis of influence on work of payment service providers of significant clients of participants of payment service provider;
- 3) carries out the analysis of payments and (or) money transfers by results of operations with securities and foreign currency;
- 4) obtains information on questions of payments and (or) money transfers, functioning of payment service providers from operators, the operational centers and participants of payment service providers, including the data for volumes of the payments and (or) money transfers which are carried out through systemically significant or significant payment service providers, carried out by significant clients of participants of the specified payment service providers;
- 5) checks the activities of operators and (or) operating centers of systematically significant and significant payment systems, including any other person authorized by an agreement with them to provide services for the functioning of the payment system in the manner determined by the Law of the Republic of Kazakhstan "On State Regulation, Control and Supervision of the Financial Market and Financial Organizations", for compliance with the requirements of the legislation of the Republic of Kazakhstan on payments and payment systems;
- 6) carries out observation of performance by participants systemically of significant payment service providers of requirements to the organizational measures and program technical means providing access to systemically significant payment service providers;
- 7) conducts and places registers systemically of significant, significant and other payment service providers on the Internet resource.

3. At implementation of supervision (oversight) of payment service providers the National Bank of the Republic of Kazakhstan interacts with public authorities, operators and participants of payment service providers and other financial organizations of the Republic of Kazakhstan.

The national bank of the Republic of Kazakhstan cooperates with the central banks and other bodies of supervision (oversight) in payment service providers of the foreign states, the international organizations when evaluating functioning of systemically significant, significant payment service providers, including by the conclusion of agreements (contracts, memorandums) about cooperation.

**Footnote. Article 21 as amended by the Law of the Republic of Kazakhstan dated 22.11.2024 № 138-VIII (shall be enforced ten calendar days after the day of its first official publication).**

**Article 22. Monitoring of systemically significant payment service providers, analysis and assessment of functioning of systemically significant, significant payment service providers**

1. Monitoring of systemically significant payment service providers, the analysis of functioning systemically of significant, significant payment service providers are carried out by National Bank of the Republic of Kazakhstan on the basis of information obtained from operators, the operational centers and participants of systemically significant or significant payment service providers.

Functioning assessment systemically of significant, significant payment service providers on compliance to the international standards is carried out by National Bank of the Republic of Kazakhstan if necessary together with the operator, the operational center of systemically significant or significant payment service providers with involvement of specialists of international financial institutions or without their attraction.

2. The national bank of the Republic of Kazakhstan carries out the analysis of the obtained information and formation of the corresponding reporting and other results of supervision (oversight). Summary results of the carried-out analysis annually are placed on an Internet resource of National Bank of the Republic of Kazakhstan.

**Article 23. Payment services market regulation, control and supervision**

**Footnote. The heading of Article 23 as amended by the Law of the Republic of Kazakhstan dated 03.07.2019 № 262-VI (shall be enforced from 01.01.2020).**

1. For regulation of the market of payment services in National Bank of the Republic of Kazakhstan:

- 1) approves indicators at which the supplier of payment services treats significant suppliers of payment services;
- 2) defines an order of maintaining the register of significant suppliers of payment services ;
- 3) develops the actions directed to increase in efficiency and reliability of functioning of the market of payment services.

2. In order to control and supervision over payment services market, the National Bank of the Republic of Kazakhstan shall:

- 1) carries out the analysis of the market of payment services;
- 2) carries out the analysis of use of payment tools;

3) carries out the analysis and assessment of the services rendered by suppliers of payment services;

4) receives from significant suppliers of payment services of the data on the payment services rendered by them;

5) receives data on payment services, other information on questions of payments and (or) money transfers, functioning of the market of payment services from suppliers of payment services;

6) carries out registration of the payment organizations;

7) keeps the register of the payment organizations;

8) conducts and places the register of significant suppliers of payment services on the Internet resource;

9) exercise control and supervision over the compliance by payment service providers that are not banks and organizations engaged in certain types of banking operations (hereinafter referred to as - other subjects of the payment services market), payment system operators and payment system operating centers with the requirements of the legislation of the Republic of Kazakhstan on payments and payment systems;

10) conduct inspections of the activities of payment system operators, payment system operating centers and other subjects of the payment services market.

2-1. The authorized authority for regulation, control and supervision of the financial market and financial organizations shall exercise control and supervision over the compliance by payment service providers, which are banks, organizations engaged in certain types of banking operations, with the requirements of the legislation of the Republic of Kazakhstan on payments and payment systems and conduct inspections of their activities.

3. When regulating, controlling and supervising the payment services market, the National Bank of the Republic of Kazakhstan interacts with state authorities and financial organizations of the Republic of Kazakhstan.

The national bank of the Republic of Kazakhstan cooperates with the central banks and other bodies of supervision of the market of payment services of the foreign states, the international organizations.

**Footnote. Article 23 as amended by the Law of the Republic of Kazakhstan dated 03.07.2019 № 262-VI (shall be enforced from 01.01.2020).**

**Article 24. Application of limited measures of influence, supervisory response measures and sanctions against payment system operators, payment system operating centers, payment service providers**

**Footnote. The title of article 24 as amended by the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI (shall be enforced from 01.01.2019); dated 03.07.2019 № 262-VI (shall be enforced from 01.01.2020).**

1. Within its competence the National Bank of the Republic of Kazakhstan shall apply limited measures of influence and sanctions to payment system operators, payment system

operating centers, and other entities in the payment services market for breaches of the requirements of the legislation of the Republic of Kazakhstan on payments and payment systems, on combating legalization (laundering) of proceeds from crime, financing of terrorism and financing of the proliferation of weapons of mass destruction, and the Law of the Republic of Kazakhstan "On Gambling Business" in accordance with the procedure provided for by the Code of the Republic of Kazakhstan on Administrative Infractions and the Law of the Republic of Kazakhstan "On the National Bank of the Republic of Kazakhstan".

2. The national bank of the Republic of Kazakhstan stops participation of banks, the organizations which are carrying out separate types of bank operations in foreign payment service providers, functioning of payment service providers, activity of the payment organizations in the territory of the Republic of Kazakhstan in the order determined by the regulatory legal act of National Bank of the Republic of Kazakhstan in cases if further functioning of this payment service provider or activity of the payment organizations poses threat for stability of a financial system of the Republic of Kazakhstan.

3. Renewal of functioning of payment service providers, activity of the payment organizations, participation of the banks and organizations which are carrying out separate types of bank operations in foreign payment service providers is carried out after elimination of the reasons of suspension of their activity on the basis of the written notice by National Bank of the Republic of Kazakhstan of the operator of the relevant payment service provider, the payment organization, bank and the organization which is carrying out separate types of bank operations about a possibility of renewal of their functioning and participation respectively directed in the order determined by the regulatory legal act of National Bank of the Republic of Kazakhstan.

4. The authorized body for the regulation, control, and supervision of the financial market and financial organizations, within the limits of its competence, shall apply supervisory response measures for violations of the legislation of the Republic of Kazakhstan on payments and payment systems, as well as the Law of the Republic of Kazakhstan "On Gambling Business" with respect to payment service providers that are banks and organizations carrying out certain types of banking operations, in accordance with the procedure established by the Law of the Republic of Kazakhstan "On Banks and Banking Activities in the Republic of Kazakhstan."

5. The National Bank of the Republic of Kazakhstan has the right to apply one of the following limited enforcement measures with respect to payment system operators, payment system operating centers and other subjects of the payment services market:

- 1) to give a binding written order;
- 2) to issue a written warning;
- 3) to draw up a written agreement.

6. A written order shall be an instruction to other subjects of the payment services market to take mandatory corrective measures aimed at eliminating the revealed violations and (or)

the reasons, as well as the conditions that contributed to their fulfillment, within the time period, set in the written order and (or) for the need to submit the action plan within the time period, established in the written order, to eliminate the revealed violations and (or) the causes, as well as the conditions that contributed to their fulfillment (hereinafter referred to as the action plan).

The action plan submitted within the time period established by the written order shall contain a description of violations, causes and (or) conditions that led to their occurrence, a list of planned activities, the timing of their fulfillment, as well as responsible officials.

An appeal of a written order of the National Bank of the Republic of Kazakhstan in court shall not suspend its execution.

7. A written warning shall be a notification of the National Bank of the Republic of Kazakhstan about the possibility of applying sanctions against another subject of payment services market if the National Bank of the Republic of Kazakhstan reveals a similar violation of the laws of the Republic of Kazakhstan within one year after the warning is issued.

8. A written agreement shall be a written agreement concluded between the National Bank of the Republic of Kazakhstan and another subject of the payment services market on the need to eliminate the revealed violations and (or) the causes, as well as the conditions that contributed to their fulfillment, and approval of the list of measures to eliminate these violations and (or) the causes, as well as the conditions that facilitated their fulfillment, indicating the terms for their elimination and (or) the list of restrictions that another participant of payment services market assumes before eliminating the violations revealed and (or) the causes and conditions that contributed to their occurrence.

A written agreement shall be subject to mandatory signing by another subject of the payment services market.

9. Another subject of the payment services market shall be obliged to notify the National Bank of the Republic of Kazakhstan about the implementation of the limited measure of influence within the time periods specified in the document of the National Bank of the Republic of Kazakhstan on the application of the limited measure of influence.

10. The procedure for applying the limited measures of influence in relation to other subjects of the payment services market shall be determined by a regulatory legal act of the National Bank of the Republic of Kazakhstan.

11. The National Bank of the Republic of Kazakhstan shall have the right to apply the limited measures of influence defined by this article to another subject of the payment services market, regardless of the limited measures of influence or sanctions applied earlier to it.

12. In the absence of the possibility of eliminating the violation and (or) the causes, as well as the conditions that facilitated their fulfillment, within the time periods established in the written order and (or) the action plan, the written agreement, for reasons beyond the control of another subject of payment services market, the period for the execution of a

written order and (or) an action plan, a written agreement may be extended by the National Bank of the Republic of Kazakhstan in the manner established by the regulatory legal act of the National Bank of the Republic of Kazakhstan.

**Footnote.** Article 24 as amended by the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI (the order of enactment see Article 2); dated 03.07.2019 № 262-VI (shall be enforced from 01.01.2020); dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication); dated 08.07.2024 № 116-VIII (shall be enforced upon expiry of sixty calendar days after the date of its first official publication).

## **Chapter 5. PAYMENTS AND (OR) MONEY TRANSFERS**

### **Article 25. Payments and (or) money transfers**

1. Payments are made on the basis and according to conditions of civil transactions, standards of the legislation of the Republic of Kazakhstan and decisions of the courts.

2. Payments and (or) money transfers are made on the basis or with use of payment tools.

The forms, mandatory details of payment documents and other requirements for their content, specifics of using electronic payment methods, procedure for delivery of electronic banking services and application of economic sector codes and payment purpose codes shall be set by regulatory legal acts of the National Bank of the Republic of Kazakhstan.

Information and details used for making payments and (or) money transfers can be presented in the form of a bar code assigned by the payment service provider or the payment system operator.

The national bar code standard assigned by a payment service provider or payment system operator for making payments for goods, works or services provided as part of entrepreneurial activities is developed by the National Bank of the Republic of Kazakhstan together with the state body responsible for ensuring tax revenues and payments to the budget. To make payments using a bar code, other standards of organizations that do not contradict the National Bar Code Standard may be used.

The National Bank of the Republic of Kazakhstan, together with the state body in charge of ensuring the receipt of taxes and payments to the budget, establishes a minimum list of details used to make payments using a bar code, which does not include bank secrecy.

3. Payments and (or) money transfers to territories of the Republic of Kazakhstan are made both with use of cash, and without their use (non-cash payments) the next ways:

- 1) transfer of cash;
- 2) transfer of electronic money;
- 3) money transfer with use of payment documents;
- 4) issue of the payment document containing a liability or the order on payment;
- 5) use of means of electronic payment.

4. Initiation of payment and (or) money transfer is made in the way:

1) presentations by the initiator of the payment document;  
2) uses by the holder of means of electronic payment;  
3) introduction by the initiator of cash for money transfer by means of electronic terminals and other devices;

4) the directions the initiator of consent to implementation of payment, including a mobile payment, by means of the systems of remote access.

5. Payments by cash consist in physical transfer of cash in the form of the banknotes and (or) coins which are the lawful means of payment, the person making payment, to the person before whom this person has a liability.

6. Payments cash are made to the person before whom the liability, directly or through the intermediary is fulfilled.

7. Non-cash payments and (or) money transfers are made on the basis of payment tools with use of bank accounts and also without their use in tenge and foreign currency in the order determined by the present Law and regulations of National Bank of the Republic of Kazakhstan.

8. Payments and (or) money transfers made by legal entities, branches or representative offices of a legal entity through payment service providers are carried out only using bank accounts and (or) electronic wallets.

Part one of this paragraph does not apply to the payment by legal entities of payments to the budget, payments for public services, as well as voluntary pension contributions and social contributions.

9. Payments for a transaction the amount of which exceeds one thousand times the monthly calculation indicator, established by the law on the republican budget and effective on the date of payment shall be made by individual entrepreneurs registered as a payer of value added tax, or legal entities in favor of another individual entrepreneur, registered as a payer of value added tax, or a legal entity, only in cashless order.

9-1. Payments for transactions involving the acquisition of a share in a multi-apartment residential building or complex of individual residential buildings under agreements on shared participation in housing construction shall be made by bank transfer, including by depositing cash into the bank account of the authorised company, pursuant to the laws of the Republic of Kazakhstan on shared participation in housing construction.

The ground for the sending bank to make payments for transactions involving the acquisition of a share in a multi-apartment residential building or complex of individual residential houses under agreements on shared participation in housing construction shall be the existence of a registered agreement on shared participation in housing construction with an authorised company in the unified information system for shared participation in housing construction under the rules for maintaining a unified information system for shared participation in housing construction.

10. Banks provide information and information on payments made and (or) money transfers related to the payment of payments to the budget, the transfer of mandatory pension contributions, mandatory pension contributions of the employer, mandatory occupational pension contributions and social contributions, as well as the payment of public services, to state bodies, courts through the payment gateway of the "electronic government" in accordance with the procedure and deadlines established by the authorized body in the field of informatization in coordination with the National Bank of the Republic of Kazakhstan.

10-1. Excluded by the Law of the Republic of Kazakhstan dated 31.12.2021 № 100-VII (shall be enforced from 01.01.2022).

11. Individual entrepreneurs and (or) legal entities, with the exception of those located in places where there is no public telecommunications network, when carrying out certain types of activities, are obliged to ensure the installation and use of equipment (devices) for accepting payments using payment cards and (or) accepting payments using an instant payment system.

The list of certain types of activities and the use of equipment (device) intended for accepting payments using payment cards and (or) accepting payments using the instant payment system is approved by the Government of the Republic of Kazakhstan.

Participation in the system of instant payments of payment organizations is allowed in cases and in the manner determined by the National Bank of the Republic of Kazakhstan.

When making payments through the instant payment system, the transfer of money in favor of the beneficiary is provided by the payment service provider serving the beneficiary - a participant of the instant payment system in an instant mode.

The transfer of money between payment service providers (final settlement) through the instant payment system is made based on the results of clearing and is secured by money held by the National Bank of the Republic of Kazakhstan.

The requirements established by part one of this paragraph do not apply to an individual entrepreneur and (or) a legal entity that carry out cash settlements in the course of trading operations, performance of work, provision of services without the use of cash.

12. Money transfer in favor of the beneficiary can be made by bank, the organization which is carrying out separate types of bank operations in national or foreign currency by means of use of systems of money transfers.

The bank, the organization which is carrying out separate types of bank operations have to provide implementation of money transfer in favor of the beneficiary according to formats and rules of system of money transfers.

13. Payment organizations shall deny payments and/or money transfers in cases provided for by this Law and the Laws of the Republic of Kazakhstan "On Combating Legalization (Laundering) of Proceeds from Crime, Financing of Terrorism and Financing of the Proliferation of Weapons of Mass Destruction" and "On Gambling Business".

14. The customer shall be prohibited from granting access to a bank account or payment instrument, or means of identification, or transfer a payment instrument or means of identification to third parties, resulting in third parties gaining access to make payments and/or money transfers, excluding the provision of such access to a spouse and close relatives, as well as other persons in cases established by law.

The customer shall not make payments and/or money transfers on behalf of or in favour of a third party in exchange for material remuneration or property benefits.

It shall be prohibited to make payments and/or transfer money using a bank account, payment instrument or means of identification belonging to third parties, excluding the use of a bank account, payment instrument or means of identification belonging to a spouse or close relatives, as well as other persons in cases established by law.

Article 25 as amended by the Law of the Republic of Kazakhstan dated 20.06.2017 № 76-VI (shall be enforced from 01.01.2023); dated 25.12.2017 № 122-VI (the order of enforcement see Article 11); dated 02.04.2019 № 241-VI (shall be enforced from 01.01.2019); dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication); dated 30.12.2020 № 397-VI (shall be enforced six months after the day of its first official publication); dated 31.12.2021 № 100-VII (for the procedure of enactment see Art. 2); dated 08.07.2024 № 116-VIII (shall be enforced upon expiry of sixty calendar days after the date of its first official publication); № 204-VIII of 30.06.2025 (shall be put into effect upon expiry of sixty calendar days after the date of its first official publication); № 205-VIII of 30.06.2025 (shall be effective upon expiry of sixty calendar days after the date of its first official publication); № 210-VIII of 16.07.2025 (shall come into force upon expiry of sixty calendar days after the date of its first official publication).**

#### **Article 25-1. Anti-fraud Centre**

##### **1. Anti-fraud centre shall:**

1) collect, consolidate and store information on events and attempts on payment transactions with signs of fraud received from financial institutions, payment organizations, mobile network operators, and law enforcement agencies;

2) precess and analyse data on payments and (or) money transfers classified in accordance with established criteria as payment transactions with signs of fraud, required by financial institutions, payment organizations, mobile network operators and law enforcement agencies;

3) provide information necessary to prevent payment transactions with signs of fraud to financial institutions, payment organizations, mobile network operators, law enforcement agencies, including information on threats, vulnerabilities, precursors to events, as well as methods of their prevention and elimination of consequences;

4) ensure the appropriate regime for storage, protection and safety of information, data and documents obtained in the course of its activities that constitute official, commercial, banking or other secrets protected by law;

4-1) assist in identifying and preventing other payment transactions that are recognised as illegal and/or prohibited under the laws of the Republic of Kazakhstan, based on information from criminal prosecution, national security and law enforcement agencies;

5) performs other functions determined by the National Bank of the Republic of Kazakhstan in accordance with the laws of the Republic of Kazakhstan.

2. A payment and/or money transfer (including an attempt to make such a payment and/or money transfer, a payment and/or money transfer in the process of execution) shall be recognized by a financial institution, payment organization as a payment transaction with signs of fraud if:

1) if there is a customer complaint on the detection of a payment transaction with signs of fraud;

2) there is confirmed information from a law enforcement agency;

3) such grounds exist according to the internal documents of the financial organization or payment organization;

4) if the sender of the money and/or the beneficiary of the payment and/or money transfer are in the database of events and attempts to make payment transactions with signs of fraud.

2-1. The Rules for Organising the Activities of the Centre for the Exchange of Data on Payment Transactions with Signs of Fraud (Anti-Fraud Centre of the National Bank of the Republic of Kazakhstan), approved by the National Bank of the Republic of Kazakhstan, shall establish:

1) the procedure for the anti-fraud centre's activities and its interaction with persons involved in its activities;

2) the procedure for the anti-fraud centre to establish and maintain databases on events and attempts to make payment transactions with signs of fraud, and to provide access to them to persons involved in the activities of the anti-fraud centre;

3) the procedure and deadlines for refusal and suspension of execution of instructions by financial institutions and payment institutions upon receipt of information from the anti-fraud centre about persons involved in payment transactions with signs of fraud;

4) the procedure, forms and deadlines for financial institutions and payment institutions to send information to the anti-fraud centre regarding all events and/or attempts to perform payment transactions with signs of fraud;

5) the procedure and types of provision of a limited list of financial or payment services in the event of a customer being included in the anti-fraud centre database by a financial organisation or payment organisation, as well as the procedure for a customer to apply to a financial organisation or payment organisation to receive a limited list of financial or payment services;

6) the procedure for interaction between criminal prosecution authorities, national security and law enforcement agencies, financial institutions or payment institutions for the purpose of

identifying and preventing other payment transactions that are recognised as illegal and/or prohibited under the laws of the Republic of Kazakhstan;

7) the procedure for refunding money to the customer specified in the notification from the criminal prosecution authority, authorised by the prosecutor, regarding the recognition of the transaction as fraudulent.

3. The parties involved in the activities of the anti-fraud centre shall be financial institutions, payment institutions, mobile operators, criminal prosecution authorities, national security authorities, law enforcement agencies, the National Bank of the Republic of Kazakhstan, and the authorised body for the regulation, control, and supervision of the financial market and financial institutions.

3-1. When revealing a payment transaction with signs of fraud, financial institutions and payment organisations shall take the following actions:

1) suspend the execution of instructions and/or expenditure operations on a bank account or electronic wallet, or block the amount of the payment and/or money transfer for a period not exceeding five working days;

2) in the procedure established by the agreement concluded with the customer, provide the customer with information on suspension of execution of the instruction and/or expenditure operations on the bank account, electronic wallet of the customer or blocking of the payment amount and/or money transfer, specifying the reasons and grounds;

3) within five working days from the date of suspension of the execution of the instruction and/or expenditure operations on the bank account, electronic wallet of the customer or blocking of the payment amount and/or money transfer, conduct an analysis of their customer's operations, including obtaining additional information from the customer required to clarify the circumstances and make a decision;

4) in the event that the customer fails to provide the requested information within the analysis period, the bank account and electronic wallet will be blocked until clarification is received from the customer;

5) if following the results of the analysis, the financial institution or payment institution decides not to recognise the transaction as fraudulent, the financial institutions and payment institutions shall suspend the payment and/or money transfer, resume expenditure operations on the bank account, the customer's electronic wallet, or unblock the payment and/or money transfer amount, unless there are other grounds envisaged by the laws of the Republic of Kazakhstan that prevent the execution of this payment and/or money transfer, the resumption of expenditure operations on the bank account, the customer's electronic wallet, or the unblocking of the amount of the payment and (or) money transfer;

6) if there are grounds or confirmation of the customer's involvement in a payment transaction with signs of fraud, send a notification via the anti-fraud centre to the criminal

prosecution authority for subsequent measures to be taken under the laws of the Republic of Kazakhstan, while simultaneously including the customer in the database of attempts to make payment transactions with signs of fraud.

When expenditure transactions on a bank account or electronic wallet are suspended within the limits established by this article, the customer may apply to a financial institution or payment institution to receive a limited list of financial or payment services as required by the regulatory legal act of the National Bank of the Republic of Kazakhstan specified in paragraph 2-1 of this article.

4. Within three working days of receiving a report (data) from the anti-fraud centre, the criminal prosecution authority shall inform the financial or payment organisation of further actions, including the presence or absence of grounds for suspending the payment and/or money transfer and/or resuming expenditure operations on the bank account, the customer's electronic wallet, or the unblocking of the payment amount and/or money transfer.

In the event that, after three working days from the date of notification by the anti-fraud centre, no decision has been received from the criminal prosecution authority regarding further action, financial or payment organisations shall suspend the payment and/or money transfer, resume expenditure operations on the bank account, the customer's electronic wallet, or unblock the payment and/or money transfer amount, unless there are other grounds stipulated by the laws of the Republic of Kazakhstan that prevent the execution of this payment and/or money transfer, the resumption of expenditure operations on the bank account, the customer's electronic wallet, or the removal of the block on the amount of this payment and/or money transfer.

Criminal prosecution authorities, national security agencies, and law enforcement agencies may use the anti-fraud centre for operational cooperation with financial or payment organisations to reveal and prevent other payment transactions that are recognised as illegal and/or prohibited under the laws of the Republic of Kazakhstan.

Procedure for interaction between criminal prosecution authorities, national security agencies, law enforcement agencies and financial or payment organisations for the purpose of identifying, suppressing and preventing other payment transactions that are recognised as illegal and/or prohibited under the laws of the Republic of Kazakhstan shall be established by a regulatory legal act of the National Bank of the Republic of Kazakhstan stipulated in paragraph 2-1 of this article.

5. When adding a customer to the anti-fraud centre's database, a financial or payment organisation shall either refuse or offer the customer a limited range of financial and/or payment services.

The procedure and types of presentation of a limited list of financial and (or) payment services shall be established by a regulatory legal act of the National Bank of the Republic of Kazakhstan mentioned in paragraph 2-1 of this article.

6. Upon receiving data from the anti-fraud centre on persons involved in payment transactions with signs of fraud, financial institutions and payment institutions shall refuse or suspend the execution of instructions within the time limits and pursuant to the procedure established by the regulatory legal act of the National Bank of the Republic of Kazakhstan referred to in paragraph 2-1 of this article.

7. The Anti-Fraud centre and individuals participating in the activities of the Anti-Fraud centre shall bear responsibility established by the laws of the Republic of Kazakhstan.

8. Financial institutions and payment institutions must send info on all events and/or attempts to make payment transactions that look like fraud to the anti-fraud centre using the form, within the time frame, and in the way set out in the regulatory legal act of the National Bank of the Republic of Kazakhstan mentioned in paragraph 2-1 of this article.

9. The Anti-Fraud Centre may submit data on payment transactions with signs of fraud, including those pertaining to banking and other legally protected secrets, to criminal prosecution, national security and law enforcement agencies pursuant to the laws of the Republic of Kazakhstan.

10. The Anti-Fraud Centre shall create and maintain databases on events and attempts to make payment transactions with signs of fraud, grant access to them to persons engaged in the activities of the Anti-Fraud Centre, in real time mode pursuant to the procedure established by the regulatory legal act of the National Bank of the Republic of Kazakhstan referred to in paragraph 2-1 of this article.

The Anti-Fraud Centre shall have the right to create and maintain other databases required for the performance of its functions.

11. The Anti-Fraud Centre shall, without the customer's consent, exchange data with financial institutions, payment institutions, mobile operators, criminal prosecution authorities, national security and law enforcement agencies, and process data on payment transactions with signs of fraud, including data on the customer as a natural person, their personal identification number, bank account and/or payment card number, mobile phone number, identity document, status of residence in the Republic of Kazakhstan, and other data, required for customer identification and payments and/or money transfers involving the customer, including from national security agency databases.

12. Actions taken by financial and payment organisations pursuant to this article, including refusal or suspension of execution of instructions and/or expenditure transactions on a bank account, the customer's electronic wallet, blocking funds in the customer's bank account or electronic wallet, as well as the transfer of information constituting banking and other legally protected secrets, shall not be the grounds for holding financial and payment organisations liable under the laws of the Republic of Kazakhstan or under a civil law contract.

**Footnote. Chapter 5 has been supplemented by Article 25-1 in accordance with the Law of the Republic of Kazakhstan dated 21.05.2024 № 86-VIII (shall be enforced upon expiry of**

sixty calendar days after the date of its first official publication); as amended by Law of the Republic of Kazakhstan № 205-VIII of 30.06.2025 (shall come into force upon expiry of sixty calendar days after the date of its first official publication).

**Article 26. Peculiarities of making payments and (or) money transfers by a specialized non-profit organization acting as a central depository for transactions with financial instruments**

Footnote. The title of article 26 shall be in the wording of the Law of the Republic of Kazakhstan dated 02.07.2018 № 166-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

1. The payment and (or) money transfer according to the transaction with financial instruments are made by the specialized non-profit organization performing functions of the central depository according to the Law of the Republic of Kazakhstan “On securities market” (further – the central depository), on the basis of the contract signed between the client and the central depository on:

- 1) to the bank account of the client opened in the central depository;
- 2) to the correspondent account of the client opened in National Bank of the Republic of Kazakhstan.

2. The payment and (or) money transfer on the bank account of the client opened in the central depository are made at registration of the transaction with financial instruments or other operations connected with the financial instruments which are registered on bank accounts in the central depository by formation of the payment document by the central depository according to the set of rules of the central depository on the basis:

1) the order of the client on registration of the transaction (operation) with financial instruments in case the sender of such order has granted to the central depository the right for write-off of money from his bank account on the basis of the order of the client for registration of the transaction with financial instruments;

2) the order of the organizer of the auction on registration of the transaction (operation) with financial instruments in case the sender of money has granted to the central depository the right for write-off of money from his bank account on the basis of the order of the organizer of the auction for registration of the transaction with financial instruments;

3) the order of the clearing organization on implementation of money transfers following the results of a clearing session in case the sender of money has granted to the central depository the right for write-off of money from his bank account on the basis of the order of the clearing organization.

3. According to the transaction with financial instruments or at registration of other operations connected with financial instruments through systemically significant payment service provider the client provides for implementation of payment and (or) money transfer to the operator or the operational center of systemically significant payment service provider consent to write-off of money from his correspondent account opened in National Bank of the

Republic of Kazakhstan at execution in systemically significant payment service provider of the payment document of the central depository.

The central depository sends to systemically significant payment service provider the payment document according to the set of rules of the central depository on the basis:

1) the order of the client on registration of the transaction (operation) with financial instruments in case the sender of such order has granted to the central depository the right for write-off of money from his correspondent account on the basis of the order of the client on registration of the transaction with financial instruments;

2) the order of the organizer of the auction on registration of the transaction (operation) with financial instruments in case the sender of money has granted to the central depository the right for write-off of money from his correspondent account on the basis of the order of the organizer of the auction on registration of the transaction with financial instruments;

3) the unilateral order of National Bank of the Republic of Kazakhstan on registration of the transaction (operation) with financial instruments in case of delivery by National Bank of the Republic of Kazakhstan of a bank loan to participants of systemically significant payment service provider on security securities.

**Footnote. Article 26 as amended by the Law of the Republic of Kazakhstan dated 02.07.2018 № 166-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).**

## **Article 27. Bank accounts**

1. The bank account is opened at the conclusion between the client and bank or the organization which is carrying out separate types of bank operations, contracts of the bank account, the contract of correspondent account and (or) the contract of a bank deposit.

The contract signed when opening the current or correspondent account or bank deposit is the contract signed when rendering payment service, provided in paragraph 4 of article 13 of the present Law. Establishment of conditions of rendering payment services in other contracts signed with the client is allowed.

Before signing of the contract of the bank account on the basis of the statement of the client for opening of the bank account directed in an electronic form assignment by bank or the organization which is carrying out separate types of bank operations, an individual identification code to the client is allowed. At the same time the bank account is considered open after the conclusion between the client and bank or the organization which is carrying out separate types of bank operations, contracts of the bank account. In case of not conclusion the client of the contract of the bank account the bank cancels an individual identification code in the order determined by the regulatory legal act of National Bank of the Republic of Kazakhstan.

2) a bank account in a housing construction savings bank that has the status of the national institute for development, intended for crediting payments and subsidies in order to pay for a rented housing in a private housing fund.

The refusal by bank or the organization which is carrying out separate types of bank operations on opening of the bank account within performance of conditions of contracts with nonresident banks of the Republic of Kazakhstan and (or) the international treaties ratified by the Republic of Kazakhstan is allowed.

4. Bank accounts are subdivided into the current and savings customer accounts and also correspondent accounts of the banks and organizations which are carrying out separate types of bank operations.

5. On the current account of the client the operations connected with are carried out:

- 1) ensuring existence and use of money of the client by bank;
- 2) reception (transfer) of money in favor of the client;
- 3) implementation of the instructions of the client on money transfer in favor of the third parties in the order provided by the contract of the bank account;
- 4) execution of the instructions of the third parties on withdrawal of money of the client on the bases provided by laws of the Republic of Kazakhstan and (or) the contract of the bank account;
- 5) implementation of reception from the client and issue of cash to him in an order and on the conditions provided by the specified contract and the present Law;

6) Is excluded by the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI ( shall be enforced from 01.01.2019);

7) granting upon the demand of the client of information on the sum of money of the client in bank and the made operations as it should be and the terms provided by the contract of the bank account;

8) implementation of other bank customer support provided by the contract of the bank account, the legislation of the Republic of Kazakhstan and business customs applied in banking practice.

6. On the savings customer account the operations connected with are carried out:

- 1) ensuring existence and use by bank of the money belonging to the client;
- 2) implementation of reception from the client or the third parties of money in both the cash, and non-cash way;
- 3) payment of remuneration in a size and an order determined by the contract of a bank deposit;
- 4) a refund to the client on the conditions provided by the contract of a bank deposit and laws of the Republic of Kazakhstan including by their transfer to other bank account of the client;
- 5) execution of the instructions of the third parties on withdrawal of money of the client on the bases provided by laws of the Republic of Kazakhstan and (or) the contract of the bank account.

7. On correspondent account of bank or the organization which is carrying out separate types of bank operations the operations connected with are carried out:

- 1) reception (transfer) of the money coming to advantage of bank or the organization which is carrying out separate types of bank operations, or his (her) clients;
- 2) implementation of the indication of bank or the organization which is carrying out separate types of bank operations about money transfer to bank or the organization which is

carrying out separate types of bank operations or in favor of the third parties for performance of obligations of bank or the organization which is carrying out separate types of bank operations, or his (her) clients;

3) implementation of receiving and delivery of cash from correspondent account to bank or the organization which is carrying out separate types of bank operations in an order and on the conditions provided by the specified contract and the present Law;

4) rendering other services provided by the contract of correspondent account.

Correspondent accounts are opened between banks, as well as between banks and banks - participants of the International Financial Center “Astana”, banks and organizations engaged in certain types of banking operations, between banks and financial organizations - non-residents of the Republic of Kazakhstan.

Peculiarities of opening and maintenance of correspondent accounts by banks to banks - participants of the International Financial Center “Astana”, including the currency and the list of operations, shall be established by the regulatory legal act of the National Bank of the Republic of Kazakhstan.

The limit on payments and money transfers via correspondent accounts of banks, branches of non-resident banks of the Republic of Kazakhstan and organisations engaged in certain types of banking operations shall be established by a regulatory legal act of the National Bank of the Republic of Kazakhstan.

7-1. Cash withdrawals from bank accounts shall be carried out in accordance with the rules for cash withdrawals from bank accounts by business entities and within the limits of the amounts specified by a joint act of the National Bank of the Republic of Kazakhstan and the authorized state planning body, unless a lower amount is stipulated in the bank account agreement and established by the financial monitoring entity in accordance with the requirements of the legislation of the Republic of Kazakhstan on combating legalization (laundering) of proceeds from crime, financing of terrorism and financing of the proliferation of weapons of mass destruction.

8. Not bank accounts of the account on which the operations specified in paragraph 5, 6 and 7 of the present article and also reflecting accounting positions in bank or the organization which is carrying out separate types of bank operations, personal accounts (subpositions) which are components of the balance account including loan accounts are not made.

9. Opening to the client of the bank account in the escrow account mode is allowed.

In cases of non-execution by the person addressed to which the escrow account is open of the conditions determined by the client and the expirations of approach or performance of such conditions on the contract of the bank account the bank returns money to the client who has opened an escrow account.

The money held on the escrow account shall not be allowed to be seized and foreclosed except in a court order in a case related to the terms of an escrow account agreement.

10. In case of the address of collecting on the money of clients which is in bank or the organization which is carrying out separate types of bank operations, such collecting it is made only from bank accounts of clients.

The address of collectings on the money which is on correspondent accounts of the banks or organizations which are carrying out separate types of bank operations is made only according to obligations of the banks or organizations which are carrying out separate types of bank operations.

The address of collecting isn't allowed:

1) on the money funds held in bank accounts intended for the receipt of benefits and social payments funded by the state budget and/or the State Social Insurance Fund, as well as financial assistance provided in accordance with subparagraph 1) of paragraph 4 of Article 112 of the Social Code of the Republic of Kazakhstan.

1-1) for money held in bank accounts intended for the payment of compensation for material damage and granting of required assistance from the state budget and/or charitable organisations to individuals affected by natural or man-made emergencies;

2) on money held in bank accounts intended for the transfer of housing payments, lump-sum pension payments from a unified accumulative pension fund for the purpose of improving housing conditions and (or) paying for treatment, target assets, payments of target savings from a unified accumulative pension fund for the purpose of improving housing conditions and (or) paying for education, payments of savings from an educational savings deposit or insurance payments under an educational savings insurance contract for improving housing conditions;

5. Checks shall be divided into covered and uncovered. Covered checks shall be the checks, secured by deposit, preliminary introduced by a check drawer in bank. Uncovered checks shall be the checks, not preliminary secured by deposit. Checks may contain the guarantee of bank on their pay, as well as on uncovered checks.

### **Article 34. Draft**

Application of drafts in the capacity of method of payment shall be regulated by the legislation of the Republic of Kazakhstan on circulation of bills.

## **Article 35. Collection order**

1. Withdrawal of money from client's bank account without his (her) consent shall be performed with the use of collection orders on the grounds, provided by the legislative acts of the Republic of Kazakhstan and in the manner, established by the National Bank of the Republic of Kazakhstan in recognition of compliance with order of priority, provided by the legislative acts of the Republic of Kazakhstan.

2. Rights and obligations of participants of payments shall be created from the moment of submission of collection order by initiator to bank of a remitter.

3. A collection order shall be presented by the state revenue authorities, bailiffs, as well as the territorial justice authority through the state automated information system for enforcement proceedings.

4. Initiator shall submit collection order to bank of a remitter accompanied by originals of enforcement documents or their copies, confirming relevancy of this recovery on the basis of norms, provided by the legislative acts of the Republic of Kazakhstan.

The collection order from the territorial justice authority, generated within the state automated information system for enforcement proceedings, shall be sent to the money sender's bank in electronic form, accompanied by enforcement documents that confirm the collection based on the provisions stipulated by the laws of the Republic of Kazakhstan.

5. The enforcement document, confirming the validity of withdrawing funds from the money sender's bank account without their consent, serves as the basis for submitting only one collection order by a judicial officer or the territorial justice authority to the bank or organization conducting certain types of banking operations. This collection order shall be generated in the state automated information system for enforcement proceedings unless otherwise specified in the text of the enforcement document.

The amount of payment and (or) transfer of money indicated in the executive document (if any) must match the amount indicated in the collection order, except when:

1) the debtor independently made a partial payment of the debt and the enforcement document contains a note of the bailiff about this;

2) on the basis of one writ of execution, joint and several debt collection is carried out in favor of several beneficiaries;

3) the debt under the enforcement document on the collection of periodic payments is determined by the decision of the bailiff.

6. Collection orders of bodies of state revenues are shown without application of documents, confirming validity of this collecting.

Collection orders of bodies of state revenues are shown in the banks or the organizations which are carrying out separate types of bank operations with the application of the corresponding lists determined by the legislation of the Republic of Kazakhstan on provision of pensions, obligatory social insurance, obligatory social medical insurance on collecting debt on:

to the obligatory pension contributions obligatory for professional pension contributions, social assignments;

to assignments and (or) contributions to obligatory social medical insurance;

to obligatory pension contributions of the employer.

7. The purpose of payment and the reference to the provision of the law of the Republic of Kazakhstan, the withdrawal of money providing the right from the bank account of the sender of money without his consent are specified in the collection order.

8. The execution of a collection order issued by the state revenue authorities for the recovery of tax debt, bailiffs, and the territorial justice authority, generated in the state automated information system for enforcement proceedings, based on enforcement documents, shall be carried out in cases of insufficient funds in the money sender's bank account as funds become available in the account. This must occur no later than three business days following the day the funds are credited.

9. Responsibility for validity of withdrawal of money from the bank account of the sender of money without his consent is born by the initiator of the collection order. The banks and the organizations which are carrying out separate types of bank operations don't consider on the substance of objection of senders of money against write-off of money from bank accounts without their consent.

**Footnote. Article 35 as amended by the Law of the Republic of Kazakhstan dated 26.06.2020 № 349-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication); dated 19.06.2024 № 97-VIII (shall be enforced upon expiry of sixty calendar days after the date of its first official publication).**

#### **Article 36. Payment warrant**

1. Non-cash payment and (or) money transfer between the sender of money and bank of the sender of money including when bank of the sender of money and the beneficiary are one person and also in the cases provided by the regulatory legal act of National Bank of the Republic of Kazakhstan are made on the basis of the payment warrant.

2. In the payment warrant the name of bank (bank of the sender of money and bank of the beneficiary) or the organization which is carrying out separate types of bank operations can be specified once.

#### **Article 37. Payment notice**

1. The payment notice is used at implementation of non-cash payments and (or) money transfers without opening of the bank account of the sender of money.

3. To the conclusion with the holder of a payment card of the contract on use of a payment card the issuer of a payment card is obliged to inform the holder of a payment card on conditions and security measures during the using of a payment card, ways of giving of claims and an order of their consideration.

**4. Excluded by the Law of the Republic of Kazakhstan dated 30.12.2020 № 397-VI (shall be enforced six months after the day of its first official publication).**

5. The issuer of a payment card places on the Internet resource information on types and conditions of delivery of payment cards, the standard extradition treaty of a payment card, information on security measures when using a payment card.

6. The issuer of a payment card notifies the holder of a payment card on the amount of collection of the commission for service of a payment card or charge of debt at her failure to pay and also provides granting to the holder of a payment card of confirmation of the fact of payment by the holder of a payment card of the commission for service of his payment card in the order provided by the contract between them.

**Footnote. Article 39 as amended by the Law of the Republic of Kazakhstan dated 30.12.2020 № 397-VI (shall be enforced six months after the day of its first official publication); № 205-VIII of 30.06.2025 (shall take force upon expiry of sixty calendar days after the date of its first official publication).**

#### **Article 40. Payments and (or) money transfers with use of a payment card**

1. The payment and (or) money transfer with use of a payment card are made in the order determined by the regulatory legal act of National Bank of the Republic of Kazakhstan.

2. The rights and duties of participants of payment and (or) money transfer connected with use of payment cards arise from the moment of consent by the individual entrepreneur or legal entity on reception of the payment made with use of the shown payment card.

The individual entrepreneur or the legal entity has a right of the monetary requirement for the bank which has concluded with him the agreement on service of payment cards, in the sum of the payment accepted by him. The specified bank has a duty of execution of the monetary requirement of the individual entrepreneur or legal entity.

3. Individual entrepreneurs and legal entities are obliged at acceptance of payments with use of payment cards to carry out sale of goods (works, services) at the price which isn't exceeding the price of their sale at cash payment money.

4. The issuer of a payment card notifies the holder of a payment card on operations with use of a payment card in the cases and an order provided by the contract between them.

The way and frequency of the direction of such notice and also the size and order of collection by the issuer of a payment card of the commission for the notification of the holder of a payment card of operations with use of a payment card are established in the contract between the issuer of a payment card and the holder of a payment card.

5. The issuer of a payment card has to provide a possibility of the round-the-clock direction with the holder of a payment card of the notice of loss of a payment card and (or) unauthorized use of a payment card.

6. The holder of a payment card at detection of the fact of loss of a payment card or unauthorized use of a payment card notifies on it the issuer of a payment card by the way established by the contract between them. The issuer of a payment card on the basis of the notification of the holder of a payment card blocks his payment card.

For compensation of unauthorized operation the holder of a payment card submits to the issuer of a payment card the application in the form established by the issuer of a payment card except for cases when the issuer of a payment card has independently compensated money on unauthorized operation according to the contract with the holder of a payment card.

7. The issuer of a payment card bears responsibility for unauthorized operations in case of their commission after obtaining the notification of the holder of a payment card of loss of a payment card and (or) unauthorized use of a payment card.

8. The issuer of a payment card on the basis of the statement of the holder of a payment card for compensation of unauthorized operation takes measures for establishment of the fact of unauthorized payment and within fifteen calendar days from the date of obtaining such statement compensates to him the sum of money at a rate of unauthorized operation or directs the notice of refusal in compensation of unauthorized operation with the indication of the reason in the way provided by the contract between them.

In case of need additional studying by obtaining information from the third parties or conducting check the issuer of a payment card considers the application of the holder of a payment card and makes the decision on him within thirty calendar days on operations in the Republic of Kazakhstan or sixty calendar days on the operations made abroad and notifies on it the holder of a payment card by the way established by the contract between them.

The refusal by the issuer of payment cards in compensation of unauthorized operation is made in the presence of the bases, signs or the facts confirming violation by the holder of a payment card of rules of use of a payment card or his participation in roguish operations with use of his payment card.

9. The holder of a payment card bears all risks connected with loss of a payment card or unauthorized use of a payment card in case of non-notification of the issuer of a payment card about loss of a payment card or unauthorized use of a payment card.

10. The issuer of a payment card is obliged to provide to the holder of a payment card documents and information which are connected with use of his payment card, in the order determined by the contract.

11. The issuer of a payment card fixes the notices sent to the holder of a payment card and received from him and also not less than three years from the date of their direction and receiving store the relevant information.

12. The issuer of a payment card considers addresses of the holder of a payment card, including at emergence of the disputable situations connected with use of a payment card or its requisites, in time, established by the contract, but no more than thirty calendar days from the date of obtaining such statements and also no more than forty five calendar days from the date of obtaining statements in case of use of a payment card abroad. To the holder of a payment card information on results of consideration of the applications, including in writing is sent (upon the demand of the holder of a payment card).

13. Use of a payment card by her holder stops or stops the issuer of a payment card on the basis of the notice received from the holder or at the initiative of the issuer at violation by the holder of an order of use of a payment card according to the contract.

14. Stay or the termination of use of a payment card by the holder of a payment card doesn't stop the obligations of the holder of a payment card and the issuer which have arisen until stay or the termination of the specified use.

**Article 41. Features of implementation of interbank payments and (or) money transfers on operations with use of payment cards**

1. Processing and clearing of payments between banks of the Republic of Kazakhstan on the operations made in the territory of the Republic of Kazakhstan with use of the payment cards released them are carried out in the order determined by the regulatory legal act of National Bank of the Republic of Kazakhstan.

2. The national bank of the Republic of Kazakhstan has the right for the organization of system of service of the interbank operations made in the territory of the Republic of Kazakhstan with use of the payment cards released banks – residents of the Republic of Kazakhstan, by assignment of operational and technological functions in ensuring functioning of this system to the operational center of systemically significant payment service provider or creation of the special organization.

Requirements to a procedure of activity of such special organization and interaction of issuing banks of payment cards with this organization are established by the regulatory legal act of National Bank of the Republic of Kazakhstan.

**Chapter 8. ELECTONIC MONEY**

**Article 42. Issuers, owners of electronic money and operator of an electronic payment system**

1. Electronic money issued by issuers of electronic money in the territory of the Republic of Kazakhstan has to be nominated (is expressed) only in national currency of the Republic of Kazakhstan.

2. The National Bank of the Republic of Kazakhstan, banks and the National operator of mail has the right to issue electronic money.

3. Owners of electronic money can be:

- 1) individuals;
- 2) agents;
- 3) individual entrepreneurs and legal entities.

4. The rights of the owner of electronic money arise from the moment of receiving electronic money.

5. The issuer of electronic money is obliged to carry out the identification of an individual in the event that he acquires electronic money for an amount exceeding fifty times the monthly calculation index established for the corresponding financial year by the law on the republican budget.

On the basis of a contract the electronic money issuer has the right to authorize a legal entity that is subject to financial monitoring in accordance with the Law of the Republic of Kazakhstan “On Combating Legalization (Laundering) of Proceeds from Crime, Financing of

Terrorism and Financing of the Proliferation of Weapons of Mass Destruction,” to identify the owner of electronic money- an individual - on behalf of and at the request of the electronic money issuer.

Identification of the owner of electronic money is carried out by the issuer of electronic money and (or) the operator of the electronic money system with the personal presence of the owner of electronic money and the presentation of an identity document by him, or by means of remote identification based on information from available sources received from the operational center of the interbank money transfer system, or by simplified identification.

Simplified identification of the owner of electronic money is carried out by the issuer of electronic money and (or) the operator of the electronic money system remotely using information and communication technologies with fixing information about the individual identification number of the owner of electronic money and receiving an electronic copy of the identity document.

The issuer of electronic money and (or) the operator of the electronic money system, when fixing information about the individual identification number of the owner of electronic money - an individual, reconciles it based on information from available sources.

6. Operators of an electronic payment system can be the issuer of electronic money or bank, the organization which is carrying out separate types of bank operations, or the payment organization on the basis of the relevant contract signed with the issuer (issuers) of electronic money.

The relations between the issuer of electronic money and the operator of an electronic payment system (if he isn't an issuer of electronic money) are regulated by the present Law and the contract signed between them.

6-1. The procedure and features of crediting, accounting and use of benefits and social payments at the expense of the state budget and (or) funds of the State Social Insurance Fund transferred in the form of electronic money, as well as monitoring the use of targeted social assistance are determined by the Government of the Republic of Kazakhstan in agreement with the National Bank of the Republic Kazakhstan.

It is prohibited to seize, impose arrest, suspend spending operations, place temporary restrictions on the disposal of property, or apply limitations on transactions and other operations with electronic money held in electronic wallets intended for receiving benefits and social payments funded by the state budget and/or the State Social Insurance Fund, as well as financial assistance provided in accordance with subparagraph 1) of paragraph 4 of Article 112 of the Social Code of the Republic of Kazakhstan.

7. The operator of an electronic payment system according to conditions of the contracts signed with the issuer (issuers) of electronic money and on the basis of the powers conferred to him by the issuer (issuers) of electronic money, having the right to sign from his name contracts with the natural persons, agents, individual entrepreneurs and legal entities participating in an electronic payment system.

In this case the contract signed by the owner of electronic money with the operator of an electronic payment system is equated to the contract signed with the issuer (issuers) of electronic money when using of electronic money issued by him (them) within one system including the issuer (issuers) of the electronic money which has become participants of an electronic payment system after date of the conclusion of this contract.

8. The National Bank of the Republic of Kazakhstan shall establish the procedure for the issuance, use and redemption of electronic money, as well as the requirements for issuers of electronic money and electronic money systems in the territory of the Republic of Kazakhstan

9. The operator of an electronic payment system is obliged to provide functioning of an electronic payment system taking into account requirements and the restrictions set by the present Law, the Law of the Republic of Kazakhstan "About informatization" and other legislation of the Republic of Kazakhstan.

The issuer of electronic money and the operator of an electronic payment system bear responsibility to the owner of electronic money according to terms of the contract about release, use and repayment of electronic money for the damage caused to the owner of electronic money owing to unauthorized access to electronic money or their unauthorized use and also mistakes or failures in work of the software of the issuer of electronic money or in functioning of an electronic payment system.

From the date of suspension or revocation of the license and (or) annex to the license of the bank- issuer of electronic money, the operator of the electronic money system terminates operations with electronic money issued by this issuer in the manner prescribed by the regulatory legal act of the National Bank of the Republic of Kazakhstan.

**Footnote. Article 42 as amended by the Law of the Republic of Kazakhstan dated 24.05.2018 № 156-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication); dated 30.12.2020 № 397-VI ( shall be enforced six months after the day of its first official publication); dated 16.05.2024 № 82-VIII (shall be enforced upon expiry of ten calendar days after the date of its first official publication); № 205-VIII of 30.06.2025 (shall be enacted upon expiry of sixty calendar days after the date of its first official publication).**

#### **Article 43. Release and realization of electronic money**

1. The release of electronic money is made by the issuer of electronic money after receiving money from natural persons or agents in the sum equal to par value of the assumed liabilities, minus a commission for release of electronic money with providing confirmation.

The requirements of part one of this paragraph do not apply to the issue of electronic money by the National Bank of the Republic of Kazakhstan.

The issuer of electronic money assumes an unconditional and irrevocable liability on repayment of electronic money issued by him according to their par value in national currency of the Republic of Kazakhstan.

2. The issuer of electronic money notifies National Bank of the Republic of Kazakhstan in the order determined by the regulatory legal act of National Bank of the Republic of Kazakhstan on the beginning of implementation of activities for release of electronic money.

3. Collection by the issuer of electronic money of a commission at release of electronic money and also payments for the additional services rendered by the issuer of electronic money is carried out according to conditions of the signed contract.

4. The relations between the issuer of electronic money and their owner – the natural person are regulated by the present Law and the contract of release, use and repayment of electronic money signed between them according to the legislation of the Republic of Kazakhstan.

5. Before signing of the contract of release, use and repayment of electronic money the issuer of electronic money or the operator of an electronic payment system acting on behalf of the owner of electronic money is obliged to provide to the natural person, intended to participate in an electronic payment system, information:

1) about the name and the location of the issuer of electronic money and the operator of an electronic payment system and also in cases if the operator of an electronic payment system isn't bank, about his registration number;

2) about conditions of use of electronic money;

3) about the size and an order of collection by the issuer of electronic money and (or) the operator of an electronic payment system of the commission raised from the owner of electronic money at release, use and repayment of electronic money;

4) about ways of giving of claims and an order of their consideration, including information for communication with the issuer of electronic money or the operator of an electronic payment system.

6. Besides the conditions provided by paragraph 4 of article 13 of the present Law, the contract of release, uses and repayments of electronic money has to contain:

1) conditions of release (acquisition) of electronic money;

2) conditions of implementation of operations with use of electronic money, including the set restrictions for use of electronic money;

3) order of the certificate of the rights of the owner of electronic money for electronic money and implementation of operations with their use;

4) an order and ways of presentation of electronic money to repayment and an order of their repayment;

5) an order of exchange of information between the issuer of electronic money and their owner when using electronic money, including an order and terms of the notification of the

issuer of electronic money of loss of control of access to electronic money or their unauthorized use;

6) responsibility of the parties for non-execution or inadequate execution of the obligations.

7. Realization of electronic money to natural persons or acquisition of electronic money at natural persons is carried out by the agent on the basis of the contract signed with the issuer of electronic money or the operator of an electronic payment system in whom the rights and obligations of the parties, an order and conditions of realization and acquisition of electronic money are defined.

**Footnote. Article 43 as amended by the Law of the Republic of Kazakhstan dated 30.12.2020 № 397-VI (shall be enforced six months after the day of its first official publication).**

#### **Article 44. Use and repayment of electronic money**

1. Electronic money is used by their owner for the purpose of making payments under civil law transactions, as well as conducting other operations on the terms determined by the rules of the electronic money system and not contradicting the legislation of the Republic of Kazakhstan.

1-1. Payments and other operations using electronic money are carried out by their owner in favor of the identified owner of electronic money.

Electronic money owned by an unidentified individual is not subject to redemption by the electronic money issuer and sale to an agent (acquisition by an agent).

2. Reception of electronic money by the individual entrepreneur and (or) legal entity as payment at commission of civil transactions is carried out on the basis of the contract signed with the issuer of electronic money or other bank which is the participant of an electronic payment system.

The individual entrepreneur and (or) the legal entity who has received electronic money in an electronic payment system at commission of civil transactions has a right of the monetary requirement to the issuer of electronic money in the sum of the accepted payment.

3. The electronic money issuer and the electronic money system operator shall take measures to ensure and implement organizational and procedural measures in the electronic money system to detect and prevent fraud and legalization (laundering) of proceeds of crime, financing of terrorism and financing of the proliferation of weapons of mass destruction in accordance with the requirements of the Law of the Republic of Kazakhstan "On Combating Legalization (Laundering) of Proceeds from Crime, Financing of Terrorism and Financing of the Proliferation of Weapons of Mass Destruction."

The electronic money system operator shall provide the financial monitoring authority with data and information on transactions subject to financial monitoring as required by the

Law of the Republic of Kazakhstan "On Combating Legalization (Laundering) of Proceeds from Crime, financing of terrorism and financing the proliferation of weapons of mass destruction".

The issuer of electronic money presents to authorized body on financial monitoring of the information about operators of the electronic money which isn't banks after the conclusion with them the relevant contract.

4. The maximum amount of one operation performed by an unidentified owner of electronic money - an individual, should not exceed an amount equal to fifty times the size of the monthly calculation index established for the corresponding financial year by the law on the republican budget.

The maximum amount of one operation performed by a simplified identified owner of electronic money - an individual, should not exceed an amount equal to one hundred times the monthly calculation index established for the corresponding financial year by the law on the republican budget.

The maximum amount of one transaction performed by the owner of electronic money - an individual entrepreneur or a legal entity, should not exceed an amount equal to a thousand times the monthly calculation index established for the corresponding financial year by the law on the republican budget.

5. The maximum amount of electronic money stored on one electronic device of an unidentified owner of electronic money - an individual, does not exceed an amount equal to one hundred times the monthly calculation index established for the corresponding financial year by the law on the republican budget.

The maximum amount of electronic money stored on the electronic wallet of a simplified identified owner of electronic money - an individual, should not exceed an amount equal to three hundred times the monthly calculation index established for the corresponding financial year by the law on the republican budget.

5-1. The total amount of payments and (or) other transactions using electronic money from an electronic wallet of an unidentified owner of electronic money - an individual during a working day should not exceed an amount equal to one hundred times the monthly calculation index established for the corresponding financial year by the law on the republican budget.

The total amount of payments and (or) other operations using electronic money from an electronic wallet of a simplified identified owner of electronic money - an individual to an electronic wallet of an identified or simplified identified owner of electronic money during a working day should not exceed an amount equal to three hundred times the monthly calculation index, established for the corresponding financial year by the law on the republican budget.

6. The redemption of electronic money is carried out by the issuer of electronic money by transferring an amount of money equal in their nominal value to the bank account of the

identified owner of electronic money - an individual or by issuing cash to him, unless another commission fee of the issuer of electronic money or the operator of the electronic money system is provided by the agreement, concluded between the issuer of electronic money and the owner of electronic money - an individual.

7. Collection from the owner of electronic money of a commission at release, use and repayment of electronic money and also payments for the additional services rendered by the issuer of electronic money is carried out according to terms of the contract about release, use and repayment of electronic money.

8. The issuer of electronic money carries out repayment of the electronic money received by the individual entrepreneur or the legal entity from natural persons at payment according to civil transactions within three working days from the date of receipt of electronic money in their advantage if other term isn't provided by the contract signed between the issuer of electronic money and the individual entrepreneur or the legal entity.

During the conduct of operations with securities, payment of remuneration using electronic money, payments related to the promotion of the use of electronic money, the transfer of electronic money by a legal entity to other legal entities or individuals shall be allowed.

The electronic money received by the individual entrepreneur or the legal entity isn't subject to repayment at their return to the natural person – to the payer on the bases provided by the present Law for a refund when translating or in case of cancellation of the perfect civil transaction on the bases provided by the legislation of the Republic of Kazakhstan.

Repayment of electronic money which owners are individual entrepreneurs or legal entities is carried out by the translation of the sum of money, equal at their par value, for the bank account of the individual entrepreneur or the legal entity if other commission of the issuer of electronic money or the operator of an electronic payment system isn't provided by the contract signed between the issuer of electronic money or the operator of an electronic payment system and the owner of electronic money.

9. Information about the owners and amounts of electronic money belonging to them, as well as about transactions made with the use of electronic money, is issued by the issuer of electronic money or the operator of the electronic money system to persons on the grounds and within the limits that are provided for in Article 50 of the Law of the Republic of Kazakhstan “On banks and banking activity in the Republic of Kazakhstan”.

10. It is prohibited to redeem electronic money by transferring money to a bank account or an electronic payment device of an electronic money owner - an individual without receiving confirmation that the bank account or the electronic payment device belongs to this individual.

**Footnote. Article 44 as amended by the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI (shall be enforced upon expiry of ten calendar days from the date of its first official publication); dated 13.05.2020 № 325-VI (shall be enforced six months after the**

day of its first official publication); dated 03.07.2020 № 359-VI (shall be enforced upon expiration of ten calendar days after the day of its first official publication).

## **CHAPTER 9. RECEPTION AND EXECUTION OF THE INSTRUCTION IN THE FORM OF INSTRUCTIONS OR REQUIREMENTS**

#### **Article 54. Execution of the court ruling and resolutions of the bailiff**

1. The judicial act of the court of the Republic of Kazakhstan on collection of money, as well as the decision of the bailiff or a copy thereof, certified by the seal of the territorial department of the enforcement body or by the seal of the private bailiff, to request information on bank account numbers and the availability of money on them, information about the nature and the value of property held by banks, organizations engaged in certain types of banking operations, as well as insurance organizations, and their seizure, authorized by the prosecutor shall be submitted to all banks, except for the case, specified in paragraph 4 of this Article.

2. The bank, the organization which is carrying out separate types of bank operations on the basis of the documents specified in paragraph 1 of the present article are obliged within three operational days from the date of obtaining the specified documents to send to court (bailiff) necessary data according to requirements of the Law of the Republic of Kazakhstan “On banks and bank activity in the Republic of Kazakhstan”.

3. Court (bailiff), having received the specified data from banks, defines bank (banks) to which the obligation for execution of the court ruling about collecting money will be assigned, and sends to such bank (banks) the instruction with the application of the relevant executive document or its copy, the confirmed seal of court.

4. If the court (bailiff) has data on existence of money on the bank account of the person from which collecting money has to be made, then the instructions of the bailiff with the application of the relevant executive document are shown for execution directly in the relevant bank.

5. Reclamation of information by court (bailiff) on existence and bank account numbers of the natural or legal entity and (or) his structural division and also the current accounts of the natural person who is carrying out business activity without formation of legal entity, the private notary, the private bailiff, the lawyer, a professional mediator about the remains and the movement of money on these accounts and also seizure of the money of the debtor which is in bank are carried out on paper or in an electronic form.

Footnote. Article 54 as amended by the Law of the Republic of Kazakhstan dated 21.01.2019 № 217-VI (shall be enforced upon expiry of three months from the date of its first official publication).

**Article 54-1. Execution of a resolution of a territorial justice body generated in the state automated information system of enforcement proceedings**

1. A resolution of a territorial justice body generated in the state automated information system of enforcement proceedings, certified by means of an electronic digital signature of the head of the territorial justice body or his deputy, on the request for information on bank account numbers and the availability of funds in them, information on the nature and value of property located in banks, organizations carrying out certain types of banking operations, as well as in insurance organizations, and the seizure of them, shall be presented to banks, organizations carrying out certain types of banking operations, through the state automated information system of enforcement proceedings.

2. A bank or an organization carrying out certain types of banking operations, on the basis of the document specified in paragraph 1 of this Article, within three business days from the date of receipt of the said document, shall send the necessary information to the state automated information system of enforcement proceedings in accordance with the requirements of the Law of the Republic of Kazakhstan "On banks and banking activities in the Republic of Kazakhstan".

3. The territorial justice body, having received the said information from banks or organizations carrying out certain types of banking operations, shall send a collection order with an attached enforcement document to the bank or organization carrying out certain types of banking operations via the state automated information system of enforcement proceedings

Footnote. Chapter 9 has been supplemented by Article 54-1 in accordance with the Law of the Republic of Kazakhstan dated 19.06.2024 № 97-VIII (shall be enforced upon expiry of sixty calendar days after the date of its first official publication).

**CHAPTER 10. COMPLETION OF PAYMENTS AND (OR) MONEY TRANSFERS**

**Article 55. Completion of payments and (or) money transfers**

1. If the payment is made with use of cash, then completion of payment happens at the time of receiving money by the person in favor of which the payment, or the person authorized by the beneficiary is made.

2. If the payment without use of cash is made by issue of the payment document, then completion of payment happens at the time of receiving money by the person in favor of which the payment is made.

3. If the payment without use of cash is made by money transfer, then completion of payment happens at the time of completion of money transfer in the way:

1) commission of accounting record on the bank account of the beneficiary at receipt of money in his advantage;

2) the actual cash disbursement of money to the beneficiary bank of the beneficiary if the beneficiary has no bank account;

3) performing the offset provided by paragraph 9 of article 46 of the present Law;

4) commission of the accounting record on other account reflecting reception of money in favor of the beneficiary.

4. At implementation of non-cash payment by issue of the payment document containing a liability or the order on payment (the check, the bill), completion of performance of obligations on this payment happens at the time of receiving money by the beneficiary by the check, the bill.

5. If the payment is made by transfer of electronic money, then completion of payment happens at the time of receiving electronic money by the person in favor of which the payment is made. The reflection of information on the sum of the accepted electronic money in an electronic payment system demonstrating their receipt in favor of other person beneficiary is the moment of receiving electronic money.

#### **Article 56. Unsanctioned payments**

1. The payment is authorized if it is made by the person who had power to make this payment, and doesn't contradict the legislation of the Republic of Kazakhstan. In case of implementation of payment by money transfer the payment will be authorized also under a condition if the instruction is accepted bank of the sender of money with observance of an established order of protective actions from unauthorized payments.

2. The payment and (or) money transfer which are carried out without observance of the requirements established by paragraph 1 of the present article are unauthorized. Unauthorized payments and (or) money transfers are also payments or money transfers with use of counterfeit payment tools.

3. Protection against unauthorized payments and (or) money transfers is respect for the relevant standards established by the legislation of the Republic of Kazakhstan and (or) the contract between the initiator of the instruction and its recipient and consisting in verification of data on initiation (authorization) of instructions or orders on their response by the initiator and identification of possible mistakes.

4. The bank, the organization which is carrying out separate types of bank operations, or the sender of money at implementation of payments by electronic payments provide performing procedures of safety from unauthorized payments.

Requirements to procedures of safety are established by the regulatory legal act of National Bank of the Republic of Kazakhstan.

5. As elements of protective actions can be used the signature, including electronic digital, the authorized officer (faces), the press, algorithms, codes (digital, alphabetic, with application of symbols and combined), the identifying words or identification codes,

enciphering, biometric data or different ways of protection which aren't contradicting the legislation of the Republic of Kazakhstan.

6. Procedures of safety are established by the contracts signed between participants of payments and (or) money transfers and (or) rules of functioning of system of exchange of electronic documents in which transfer of electronic documents is carried out.

**Article 57. A refund on payments and (or) money transfers**

1. The refund at money transfer is carried out in cases:

- 1) establishments of the fact of a unsanctionity of the payment made by money transfer;
- 2) executions of the wrong instruction;
- 3) receipt of money in favor of a person who is not a client of the beneficiary bank at the time of receipt of the money transfer, if there are unfulfilled requirements or restrictions on the disposal of money in the correspondent account of the beneficiary bank that impede the conduct of expenditure operations;
- 4) provided for in Article 48-1 of the Law of the Republic of Kazakhstan "On banks and banking activities in the Republic of Kazakhstan";
- 5) receipt by the beneficiary bank of a notification from a criminal prosecution authority, authorised by the public prosecutor, recognising the transaction as fraudulent and requiring the return to the customer referred to in the notification of the amount of money blocked in the manner established by Article 25-1 hereof.

The procedure for refunds shall be established by a regulatory legal act of the National Bank of the Republic of Kazakhstan.

2. The instruction sent by the initiator is wrong if the instruction:

- 1) contains the requisites which aren't corresponding to requisites of the instruction received from the previous sender;
- 2) it is transferred repeatedly.

3. Refunds for erroneous instructions or unauthorised payments and/or money transfers, as well as money blocked under the procedure prescribed by Article 25-1 hereof, shall be made by the beneficiary's bank by withdrawing the money from the beneficiary's bank account to which the said money was credited, without the beneficiary's consent.

3-1. Refunds in cases provided for by subparagraphs 3) and 4) of paragraph 1 of this article shall be made to the sender.

4. Money for erroneous instructions or unauthorised payments and/or money transfers, as well as money blocked pursuant to Article 25-1 hereof, shall be shall be refunded by the beneficiary's bank no later than the next business day after the discovery of the erroneous instruction or unauthorised payment and/or money transfer or after the receipt of a notification from the criminal prosecution authority, authorised by the prosecutor, recognising the transaction as fraudulent due to the funds available in the beneficiary's bank account, including in cases where there are orders to freeze the funds in the bank account and/or temporary restrictions on the disposal of property and/or decisions, and (or) orders of

authorised public authorities or officials to suspend expenditure transactions on a bank account, and (or) unfulfilled instructions subject to execution within an indefinite period of time.

5. In cases of insufficiency or lack of money on the bank account of the beneficiary the refund according to the wrong instruction or unauthorized payment and (or) money transfer is carried out by the sender who has allowed the wrong instruction or unauthorized payment and (or) money transfer at the expense of own money as it should be and the terms established by National Bank of the Republic of Kazakhstan.

6. The refund isn't made after three years from the date of execution of the wrong instruction or unauthorized payment and (or) money transfer.

7. At a refund each sender participating in money transfer has the right for reimbursement, connected with such money transfer and actually suffered as a result of a refund, at the expense of money of the participant of the money transfer (including intermediary bank) which has allowed the wrong instruction or unauthorized payment and (or) money transfer.

8. The order and terms of a refund on wrong or unauthorized payments and (or) the translations are established by the regulatory legal act of National Bank of the Republic of Kazakhstan.

**Footnote. Article 57 as amended by the Law of the Republic of Kazakhstan dated 02.07.2018 № 168-VI (shall be enforced upon expiry of ten calendar days from the date of its first official publication); № 205-VIII of 30.06.2025 (shall be effective upon expiry of sixty calendar days after the date of its first official publication).**

## **Chapter 10. FINAL PROVISIONS**

### **Article 58. Liability for violation of rules of making payments and (or) money transfers**

1. In case of non-fulfillment or improper fulfillment of obligations by participants of payments and (or) money transfers, linked with payment and (or) money transfer, they shall bear liability on the grounds, in the manner and in amount, provided by agreement between participants of these relations and (or) legislative acts of the Republic of Kazakhstan.

For the loss of payment documents of customers, the banks, organizations engaged in certain types of banking operations shall be liable on the grounds, in the manner and amount, provided for by the Code of the Republic of Kazakhstan on administrative offenses.

For the execution of instructions on payment and (or) money transfer in cases in which this Law provides for refusal, the banks, organizations engaged in certain types of banking operations shall be liable on the grounds, in the manner and amount, provided for by the Code of the Republic of Kazakhstan on administrative offenses.

For violation of the order of withdrawal of money from the client's bank account established by the Civil Code of the Republic of Kazakhstan, the banks, organizations

engaged in certain types of banking operations shall be liable on the grounds, in the manner and amount, provided for by the Code of the Republic of Kazakhstan on administrative offenses.

For non-compliance with the requirements established by this Law when rendering payment services through payment agents and (or) payment subagents, the banks, organizations engaged in certain types of banking operations, payment organizations shall be liable on the grounds, in the manner and amount, provided for by the Code of the Republic of Kazakhstan on administrative offenses.

For issuing electronic money in the amount that does not correspond to the amount of obligations assumed, as well as for issuing electronic money in the amount exceeding fifty monthly calculation indices, without identifying the owner of electronic money, as well as for allowing the use of electronic money in the electronic money system when making transactions for the amount that exceeds the established limits on the maximum amount of a single transaction, the amount of electronic money kept on an electronic wallet and the total amount of used electronic money through an electronic wallet, the electronic money issuer is liable on the grounds, in the manner and in the amount provided for by the Code of the Republic of Kazakhstan on Administrative offenses.

For non-repayment, untimely and incomplete repayment by the issuer of electronic money received by an individual entrepreneur or legal entity from individuals when paying for civil transactions, the issuer of electronic money shall be liable on the grounds, in the manner and amount, provided for by the Code of the Republic of Kazakhstan on administrative offenses.

For refusal to accept payments and (or) money transfers using payment cards by individual entrepreneurs or legal entities obliged to accept them during commercial activities (performance of work, rendering of services) in the territory of the Republic of Kazakhstan, and (or) for the absence of equipment (device) in individual entrepreneurs and legal entities, intended for making payments using payment cards, the individual entrepreneurs and legal entities referred to in paragraph 11 of Article 25 of this Law shall be liable on the grounds, in the manner and in the amounts, provided for by the Code of the Republic of Kazakhstan on administrative offenses.

For failure to provide, within the established period, the information on payment services or other reporting on payments and (or) money transfers, the functioning of the payment services market, and also for the repeated (two or more times in twelve consecutive calendar months) violation of the limit of payments and money transfers for correspondent accounts of banks and organizations, engaged in certain types of banking operations, or for reporting, which led to distortion of information on the fulfillment of the specified limit, the banks and organizations, engaged in certain types of banking operations shall be liable in the manner and amounts, provided for by the Code of the Republic of Kazakhstan on administrative offenses.

2. If money transfer is not completed, then a bank (as well as intermediary bank) that did not fulfill, or improperly fulfilled an instruction, received from a previous sender, shall bear liability to him (her). By this, the obligations of a remitter to beneficiary on a payment on civil transaction shall not be terminated, even if this sender fulfilled his (her) obligations on money transfer, unless otherwise provided by conditions of civil transaction between a remitter and beneficiary. A remitter shall not bear liability on a payment on civil transaction to beneficiary, if money transfer was not completed due to the fault of beneficiary's bank.

3. If violation of rules of commitment of money transfer is linked with illegal use of other people's money by a participant of payment and (or) money transfer, as well as with violation of terms of accept or fulfillment of instruction, this participant shall be obliged to pay a penalty, provided by the civil legislation of the Republic of Kazakhstan, to person, whose money are in illegal use.

4. Receiving bank shall not bear liability, if in making payment it didn't conform to procedure for protective actions, but by this the money is received by a beneficiary:

- 1) mentioned in commission or requirement on money transfer;
- 2) within the term, acceptable for a beneficiary;
