

## **On Administrative-Territorial Division of the Republic of Kazakhstan**

### *Unofficial translation*

The Law of the Republic of Kazakhstan dated 8 December 1993, № 2572-XII.

#### **Unofficial translation**

Footnote. In the text after the word “Chapter” figures “I-IV” are substituted respectively by the figures “1-4” by the Law of the Republic of Kazakhstan dated 20 December 2004 № 13 (shall be enforced from 1 January 2005).

Footnote. Throughout the whole text, the words “aul (village)”, “auls (villages)” are substituted respectively by the words “village” by the Law of the Republic of Kazakhstan dated 21.01.2013 № 72-V (shall be enforced upon expiry of three months after its first official publication).

### **Chapter 1. General provisions Article 1. System of administrative-territorial division of the Republic of Kazakhstan**

The system of administrative-territorial division of the Republic of Kazakhstan shall include administrative-territorial entities: village, rural settlement, rural district, district in a city, city, district, oblast.

#### **Article 2. Categories of administrative-territorial units**

1. For the implementation of public administration on the basis of an optimal combination of republican and local interests, the territory of the Republic of Kazakhstan is divided into two main categories - regions and settlements.

2. Region is a part of the territory of the Republic of Kazakhstan, including several settlements, formed and managed in the interests of the Republic of Kazakhstan.

Regions are oblast, district and rural district as the main links of the republican administrative-territorial structure.

The region consists of cities of regional significance and districts.

The district consists of cities of district significance, villages, settlements, rural districts with a total population of not more than 300 thousand people.

A rural district consists of two or more rural settlements with a total population of at least 500 people.

3. Settlement is a part of the densely populated territory of the Republic of Kazakhstan, formed as a result of economic and other social activities of citizens, with a population of at least 50 people, recorded and registered in the manner prescribed by the laws of the Republic of Kazakhstan and managed by local representative and executive bodies.

Peasant and other settlements with a population of less than 50 people are included in the composition of the nearest settlement.

4. Settlements located on the territory of the Republic of Kazakhstan are divided into urban and rural:

1) urban settlements include cities of republican, regional and district significance, as well as settlements located on the territory of their administrative subordination;

2) rural settlements include all other settlements, regardless of their administrative subordination.

5. Settlements have constituent parts.

The constituent parts of settlements are micro-districts, districts in the city, squares, avenues, boulevards, streets, alleys, parks, squares, bridges and other parts.

A district in a city is a district in a city of regional significance, a city of republican significance, or the capital. A district in a city of regional significance, a city of republican significance, the capital is created with a population of over 400 thousand people. The population of the district in the city should be at least 200 thousand people.

**Footnote. Article 2 as amended by the Law of the Republic of Kazakhstan dated 30.06.2021 № 60-VII (shall be enforced ten calendar days after the day of its first official publication).**

### **Article 3. Categories of settlements**

Localities are divided into:

1) cities of republican significance, which include settlements of special national importance or a population of more than one million people;

2) cities of regional significance, which include settlements that are large economic and cultural centers, have a developed industrial and social infrastructure and a population of more than 50 thousand people;

3) cities of district significance, which include settlements on the territory of which there are industrial enterprises, public utilities, state housing stock, a developed network of educational and healthcare organizations, cultural and educational and commercial facilities, with a population of at least 10 thousand people;

4) settlements, which include settlements with a population of at least 3 thousand people.

The settlements are also equated with settlements located in areas of medical importance, with a population of at least 2 thousand people, of which the number of people who come annually for treatment and recreation is at least half. They also include holiday villages, which are places of summer recreation for citizens, in which at least 25 percent of the adult population is constantly engaged in agriculture;

5) villages are settlements with a population of at least 50 people.

Footnote. Article 3 as amended by the Law of the Republic of Kazakhstan dated 30.06.2021 № 60-VII (shall be enforced ten calendar days after the day of its first official publication).

#### **Article 4. Legislation of the Republic of Kazakhstan on administrative-territorial division**

1. Legislation of the Republic of Kazakhstan on administrative-territorial division is based on the Constitution of the Republic of Kazakhstan consists of this Law and other regulatory legal acts of the Republic of Kazakhstan.

2. If international treaty ratified by the Republic of Kazakhstan establishes other rules than those provided by this Law, the rules of the international treaty shall be applied.

Footnote. Article 4 is in the wording of the Law of the Republic of Kazakhstan dated 29.04.2009 № 154-IV (the order of enforcement see Article 2).

#### **Article 5. Bodies taking decisions on education, abolishment of administrative-territorial entities, establishment and change of their borders, their naming and renaming**

The President and Government of the Republic of Kazakhstan, local representative and executive bodies shall take decisions within the competence on establishment and abolishment of administrative-territorial entities, establishment and change of their borders, their naming and renaming.

Central and local executive bodies, within the limits of their powers, decide on the assignment of names, renaming, clarifying and changing the transcription of their names and assigning proper names of persons to state legal entities, legal entities with the participation of the state on the basis of the conclusion of the Republican onomastic commission

Footnote. Article 5 as amended by the Decree of the President of the Republic of Kazakhstan having a force of the Law dated 19 December 1995 № 2691; by the Law of the Republic of Kazakhstan dated 19.04.2023 № 223-VII (shall be enforced ten calendar days after the date of its first official publication).

#### **Article 6. Expenses linked with naming and renaming of oblasts, districts, cities**

Expenses linked with naming and renaming of oblasts, districts, cities shall be incurred on account of budget funds.

Footnote. Article 6 as amended by the Law of the Republic of Kazakhstan dated 20 December 2004 № 13 (shall be enforced from 1 January 2005).

#### **Article 7. Onomastic commissions**

Onomastic commissions shall be created for the purpose of harmonization of work on naming and renaming of administrative-territorial entities, component parts of inhabited localities, airports, ports, railway terminals, railway stations, subway stations, bus terminals,

auto stations, physiographic and other objects of state ownership in the territory of the Republic of Kazakhstan, clarification and change of a transcription of their names and assignment of proper names of persons to state legal entities, legal entities with participation of the state, as well as restoration, preservation of historical names as a component part of historical and cultural heritage of the Republic of Kazakhstan.

A Republican onomastic commission is formed under the authorized body, and onomastic commissions of regions, cities of republican significance, and the capital are formed under local executive bodies of regions, cities of republican significance, and the capital, respectively.

**Footnote. Article 7 is in the wording of the Law of the Republic of Kazakhstan dated 21.01.2013 № 72-V (shall be enforced upon expiry of three months after its first official publication); as amended by the Law of the Republic of Kazakhstan dated 19.04.2023 № 223-VII (shall be enforced ten calendar days after the date of its first official publication).**

#### **Article 8. Recording and registration of administrative-territorial entities, their exclusion from accounting data**

Settlements the number of resident population of which more than fifty people and that shall be considered as independent inhabited localities shall be subject to recording and registration.

Single hoes, farms, settlements that are the objects of official designation (houses of foresters, waymen, roadmasters, hunters' lodges, winterings, field camps, meteorological stations and other) shall be considered in a composition of inhabited localities with which they are linked administratively and territorially.

Inhabited localities included to the composition of cities, rural settlements or villages and that became their parts, as well as settlements from which all the habitants moved or resettled shall lose their status of independent administrative-territorial entities and shall be excluded from the accounting data. <\*>

**Footnote. Article 8 is in the wording of the Law of the Republic of Kazakhstan dated 20 December 2004 № 13 (shall be enforced from 1 January 2005).**

#### **Chapter 2. Powers of republican bodies on decision of the issues of administrative-territorial division Article 9. Powers of the President of the Republic of Kazakhstan**

Under the submission of the Government of the Republic of Kazakhstan and taking opinion of local representative and executive bodies into account, the President of the Republic of Kazakhstan shall:

1) establish and abolish the oblasts and districts, establish and transfer their administrative centres;

2) is excluded by the Law of the Republic of Kazakhstan dated 03.07.2017 № 86-VI (shall be enforced upon expiry of ten calendar days after the day its first official publication);

3) relate inhabited localities to the categories of cities of republican, oblast and district significance, establish and change their subordination;
