Footnote. Article 11 is in the wording of the Law of the Republic of Kazakhstan dated 17.07.2009 № 187-IV; as amended by the Law of the Republic of Kazakhstan dated 07.12.2009 № 221-IV (the order of the entry into force see article 2); dated 04.07.2014 № 233-V (shall be enforced from 01.01.2015); dated 03.07.2017 № 84-VI (shall be enforced upon expiry of ten calendar days after the day its first official publication); dated 21.12.2017 № 118-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication); dated 12.07.2018 № 180-VI (shall be enforced upon expiry of ten calendar days after the day of its first official publication).

Article 12. Conditions of carrying out operational investigative measures

1. Citizenship, gender, nationality, place of residence, social, official and property status, belonging to public associations, religion and political convictions of citizens shall not be an obstacle for carrying out in relation to them of operational investigation measures on the territory of the Republic of Kazakhstan, unless otherwise stipulated by the law.

2. General and special operational investigative activities shall be carried out by all bodies that are entitled to carry out operational investigative activities, in accordance with the tasks assigned to them.

Bodies, carrying out operational investigative activity, shall be entitled to carry out operational investigative measures in the facilities of criminal-executive system of the Ministry of Internal Affairs of the Republic of Kazakhstan in cooperation with authorized bodies of criminally-executive system or by its territorial subdivisions.

Operational and investigative activities at the facilities of operational support of the State Security Service of the Republic of Kazakhstan and in the zone of security measures shall be carried out in agreement with the State Security Service of the Republic of Kazakhstan.

3. List of services, departments and categories of employees who are authorized to carry out operational investigative activities, shall be determined by the heads of the bodies that carry out operational investigative activities.

4. Special operational-search measures shall be carried out exclusively with the sanction of the prosecutor:

1) to reveal, prevent and suppress grave and especially grave crimes, as well as crimes of moderate gravity mentioned in Articles 116 (part one), 126 (parts one and two), 161 (part one), 185 (parts one and two), 188 (part two), 188-1 (part one), 189 (part two), 190 (part two), 194 (part one), 195 (parts four and five), 206 (part 2-1), 207 (parts two and 2-1), 208 (part three), 210 (part one), 211 (part two), 213 (part three), 216 (parts one and two), 218 (parts one and two), 231 (part one), 232 (part one), 233-1 (part three), 234 (part two), 245 (parts one and

two), 272 (part three), 283 (part one), 286 (part one), 287 (part three), 288 (part one), 307 (part two), 308 (part one), 309 (part one), 315 (part one), 361 (part three), 362 (part one), 365 (part two), 366 (part one), 367 (part one), 394 (part two), 399 (part two), 422 (parts one and two) of the Criminal Code of the Republic of Kazakhstan, and crimes committed by a criminal group against the person being checked or a third party, if there is information that the person being checked uses a telephone or other intercom device of a third party, or there is information that a third party receives information for the person being checked, or from the person being checked to transfer to other persons using a telephone and other intercom devices and fixing its contents on a tangible medium;

2) for implementation of measures to search for persons hiding from the investigation, inquiry, court and evading criminal liability for the crimes specified in part four of Article 232 of the Criminal Procedure Code of the Republic of Kazakhstan, as well as missing persons.

Sanctions for such events by order of the bodies engaged in operational-search activities shall be given by the Prosecutor General of the Republic of Kazakhstan, his first deputy or deputies, the Chief military prosecutor, prosecutors of the regions and equivalent prosecutors.

Special operational-search measures related to the use of a communication network in the interest of solving problems by all bodies listed in Article 6 of this Law shall be technically carried out by the national security bodies of the Republic of Kazakhstan, for which the necessary forces and means are allocated.

The organization and tactics of conducting special operational-search activities related to the use of a communication network shall be determined by a joint regulatory legal act of the first heads of the bodies conducting operational-search activities, as agreed with the Prosecutor General of the Republic of Kazakhstan.

In order to obtain intelligence information, ensure the military security of the Republic of Kazakhstan and the security of protected persons, the authorized body in the field of foreign intelligence, military intelligence bodies of the Defense Ministry of the Republic of Kazakhstan and the State Guard Service of the Republic of Kazakhstan shall be entitled to carry out special operational-search measures using telecommunication networks that exclude connection to stationary equipment and communication lines of individuals and legal entities providing services and communication devices in the Republic of Kazakhstan.

5. Exceptionally for obtaining intelligence information in order to ensure security of the Republic of Kazakhstan, as well as to obtain information in order to ensure the security of protected individuals, special operational and investigative activities may be carried out in accordance with the procedure agreed with the General Prosecutor of the Republic of Kazakhstan.

6. In cases of a threat to the life, health, property of particular individuals on their request or with their written consent shall be allowed to listen to and record conversations, negotiations, made on their phones or other negotiation devices on the basis of a resolution

approved by the head of a body, carrying out operational investigative activity, with obligatory notification of a prosecutor within twenty-four hours from the moment of taking a resolution.

7. Special operational and investigative activities with notification of the Prosecutor and subsequent receipt of the sanction within twenty-four hours from the date of the decision shall be allowed in cases that are urgent and can lead to commission of grave and particularly grave crimes, as well as crimes prepared and committed by a criminal group, on the basis of a reasoned decision of one of the heads of the relevant body conducting operational and investigative activity.

If the Prosecutor's sanction is not received within a specified period, special operational and investigative activity shall be immediately terminated.
