5) detected violations and the requirement to eliminate them;

6) the deadlines for execution of the order to eliminate the identified violations;

7) the procedure for appealing against an order to eliminate identified violations.

The order to eliminate the identified violations is mandatory for execution by the subjects of control.

13. One copy of the act on the results of the inspection with an order to eliminate the identified violations (if any), copies of applications, with the exception of copies of documents available in the original from the subject of control, is handed over to the subject of control in the manner established by the legislation of the Republic of Kazakhstan on state secrets, for familiarization and taking measures to eliminate the identified violations.

If there are comments and (or) objections based on the results of the inspection, the subject of control shall state them in writing. Comments and (or) objections are attached to the act on the results of the inspection, about which an appropriate note is made. The authorized body in the field of mobilization preparation must consider the comments and (or) objections of the subject of control to the act on the results of the inspection and the order to eliminate the identified violations and within thirty working days give a reasoned response.

In case of refusal to accept an act on the results of the inspection and an order to eliminate the identified violations, a protocol is drawn up, which is signed by the officials carrying out the inspection and the head of the subject of control or his authorized representative.

The subject of control has the right to refuse to sign the protocol by giving a written explanation of the reason for the refusal.

14. The end of the inspection period is considered to be the day of delivery to the subject of control of the act on the results of the inspection no later than the deadline for the end of the inspection specified in the act on appointment of the inspection or an additional act on the extension of the inspection period.

15. The deadlines for the execution of the order to eliminate the identified violations are determined taking into account the circumstances that affect the real possibility of its execution, but not less than thirty calendar days from the date of delivery of the order to eliminate the identified violations.

When determining the deadlines for the execution of the order to eliminate the identified violations specified in the order, the following are taken into account:

1) the subject of control has organizational, technical capabilities to eliminate violations;

2) terms for obtaining in state bodies of mandatory conclusions, approvals and other documents established by the laws of the Republic of Kazakhstan;

3) timeliness, completeness of allocation or lack of receipt of budgetary funds for mobilization preparation and mobilization financed from the state budget, in the presence of

supporting documents in accordance with the budgetary legislation of the Republic of Kazakhstan.

16. After the expiration of the period for eliminating the violations established in the order to eliminate the identified violations, the subject of control, within the period established in the order, is obliged to provide information on the elimination of the identified violations to the authorized body in the field of mobilization training.

In case of failure to provide information, the authorized body in the field of mobilization preparation has the right to appoint an unscheduled inspection in accordance with subparagraph 2) of paragraph 3 of this article.

17. If, as a result of the inspection, the facts of non-fulfillment and (or) improper fulfillment by the subject of control of the obligations to fulfill the measures provided for by the act on the appointment of the inspection are revealed, with the exception of the circumstances specified in paragraph 15 of this article, an official of the authorized body in the field of mobilization preparation in accordance with the competence provided for by the legislation of the Republic of Kazakhstan, takes measures to bring the subject of control that has committed violations to liability established by the laws of the Republic of Kazakhstan.
