#### **Article 25-6. The procedure for conducting state control in the field of language development**

1. State control in the form of inspections shall be conducted by the authorized body in the field of language development and the local executive body of the region, city of republican significance, and the capital.

The subjects of state control in the field of language development shall be the state bodies specified in subparagraph 3) of Article 25 and subparagraph 2) of Article 25-2 of this Law ( hereinafter - the inspected subjects).

The inspection in relation to the National Bank of the Republic of Kazakhstan shall be carried out subject to compliance with the requirements stipulated by the Law of the Republic of Kazakhstan “On the National Bank of the Republic of Kazakhstan”.

Inspections shall be divided into periodic and unscheduled.

Inspections shall be carried out with a visit to the subject being inspected.

2. The basis for the inclusion of the inspected subject in the semi-annual periodic inspection plan is the criterion approved by the authorized body in the field of language development, as well as the following sources of information:

- 1) results of previous inspections;
- 2) results of monitoring reporting and information;
- 3) the results of analysis of the Internet resources of state bodies.

Periodic inspections shall be conducted no more than once a year in accordance with the semi-annual plan for periodic inspections approved by the first head of the authorized body in the field of language development and the region Akim, the city of republican significance, and the capital.

The semi-annual plan for conducting periodic inspections shall be approved no later than December 1 of the year preceding the year of the periodic inspection, and no later than June 1 of the current calendar year and shall be posted on the Internet resources until December 20 of the year preceding the year of the periodic inspection, and until June 20 of the current calendar year.

The semi-annual periodic inspection plan includes:

- 1) number and date of the plan approval;
- 2) name of the state body;
- 3) name of the subject being inspected;
- 4) location of the subject (object) being inspected;
- 5) timing of the inspection;
- 6) signature of the person authorized to sign the plan.

Amendments and additions to the semi-annual plan for conducting periodic inspections shall be carried out in cases of liquidation, reorganization of the subject of control, change of its name or redistribution of powers between the subjects of control, as well as in the event of an emergency of a natural or man-made nature, the introduction of a state of emergency in cases of occurrence or threat of the spread of epidemics, outbreaks of quarantine facilities and

especially dangerous pests, infectious, parasitic diseases, poisoning, radiation accidents and related restrictions.

If the cases specified in part five of this paragraph occur, the periodic inspection may be extended or suspended.

3. An unscheduled inspection shall be conducted:

- 1) in the presence of confirmed requests received from individuals and legal entities about violation of the requirements of the legislation of the Republic of Kazakhstan on languages;
- 2) for the purpose of monitoring the fulfillment of requirements to eliminate identified violations specified in the report on the results of the inspection;
- 3) on behalf of the prosecutor.

Unscheduled inspections shall not be conducted in cases of anonymous requests. An unscheduled inspection shall be subject to facts and circumstances identified in relation to the subjects being inspected and which served as the basis for appointing an unscheduled inspection.

4. An official of the authorized body in the field of language development and the local executive body of the region, city of republican significance, and the capital, when conducting an inspection, shall have the right to:

- 1) unhindered access to the territory and premises of the inspected subject (object) in accordance with the subject of the inspection upon presentation of documents specified in paragraph 8 of this Article;
- 2) receive documents (information) on paper and electronic media or copies thereof for inclusion in the report on the results of the inspection, as well as access to automated databases (information systems) in accordance with the subject of the inspection;
- 3) carry out audio, photo, and video recording;
- 4) attract specialists, consultants, and experts from state bodies and subordinate organizations, and other organizations.

5. When conducting an inspection, the inspected subjects or their authorized representatives shall have the right:

- 1) not to allow an official of the authorized body in the field of language development and the local executive body of the region, city of republican significance, and capital, who arrived to conduct the inspection, to perform the inspection in the following cases:

exceeding or expiration of the deadlines specified in the act on the appointment of the inspection (additional act on the extension of the period, if any) that do not correspond to the deadlines established by this Article;

absence of documents provided for in paragraph 8 of this Article;

- 2) to appeal the act on the results of the inspection in the manner established by the legislation of the Republic of Kazakhstan.

6. When conducting an inspection, the inspected subjects or their authorized representatives shall be obliged to:

1) ensure unhindered access of an official of the authorized body in the field of language development and the local executive body of the region, city of republican significance, the capital to the territory and premises of the subject (object) being inspected;

2) provide the official of the authorized body in the field of language development and the local executive body of the region, city of republican significance, and the capital with documents (information) on paper and electronic media or copies thereof for inclusion in the report on the results of the inspection, as well as access to automated databases (information systems) in accordance with the subject of inspection;

3) make a note about the receipt of an act on appointing the inspection and the results of the inspection on the day the inspection is completed.

7. The inspection shall be conducted on the basis of an act on appointing the inspection.

The act on appointing the inspection shall indicate:

1) date and number of the act;

2) name of the state body;

3) surnames, names, patronymics (if they are indicated in identity documents), and positions of persons authorized to conduct the inspection;

4) information about specialists, consultants, and experts of state bodies, subordinate and other organizations involved in conducting the inspection;

5) name of the subject being inspected, its location;

6) subject of inspection;

7) type of inspection;

8) period for conducting the inspection;

9) the grounds for conducting the inspection;

10) period under review;

11) signature of the head of the inspected subject or his authorized person on receipt or refusal to receive the act;

12) signature of the person authorized to sign the act.

When conducting an inspection, the authorized body in the field of language development and the local executive body of the region, city of republican significance, and the capital shall be obliged to notify the inspected subject about the start of the inspection at least one day before its start, indicating the subject of the inspection.

The beginning of the inspection shall be considered to be the date of delivery of the act on appointing the inspection to the inspected subject.

8. Officials of the authorized body in the field of language development and the local executive body of the region, city of republican significance, and the capital, who arrived for inspection, shall be required to present to the inspected subject:

1) an act on appointing the inspection;

2) service ID (identification card);

3) if necessary, permission from the competent authority to visit sensitive facilities.

9. The period for conducting the inspection shall be established taking into account the subject of the inspection, as well as the volume of works to be done, and should not exceed ten working days.

The inspection period can be extended only once by no more than fifteen working days. The extension shall be carried out by the decision of the leadership of the authorized body in the field of language development or the local executive body of the region, city of republican significance, and the capital.

Extension of the inspection period shall be formalized by an additional act on the extension of the inspection period with a notification to the inspected subject, which indicates the date and number of the previous act on appointing the inspection and the reasons for the extension.

A notification on the extension of the inspection period shall be given to the inspected subject one working day before the extension with a notification of delivery.

10. Based on the results of the inspection, the officials carrying out the inspection shall draw up a report on the results of the inspection.

The first copy of the act on the results of the inspection in electronic form shall be sent to the state body that carries out activities in the field of state legal statistics and special accounting within its competence, the second copy on paper against signature or in electronic form shall be handed over to the inspected subject (the head or his authorized representative) for familiarization and taking measures to eliminate identified violations and other actions, the third copy remains with the authorized body in the field of language development or the local executive body of the region, city of republican significance, the capital.

11. The act on the results of the inspection shall indicate:

- 1) date, time and place of drawing up the act;
- 2) name of the state body;
- 3) number and date of the act on appointing the inspection (additional act on the extension of the period, if any), on the basis of which the inspection was carried out;
- 4) surname, name, patronymic (if it is indicated in the identity document) and position of the person conducting the inspection;
- 5) information about specialists, consultants, and experts of state bodies, subordinate and other organizations involved in conducting the inspection;
- 6) name of the subject being inspected, its location;
- 7) the date and period of the inspection;
- 8) type and subject of inspection;
- 9) information about the results of the inspection, including the violations identified and their nature;
- 10) recommendations on eliminating identified violations of the requirements of the legislation of the Republic of Kazakhstan on languages;

- 11) information about familiarization or refusal to familiarize with the act, as well as about the persons present during the inspection, their signatures, or a record of refusal to sign;
- 12) signature of the official who conducted the inspection.

Documents related to the results of the inspection and their copies, if available, shall be attached to the act on the results of the inspection.

12. If there are comments and (or) objections based on the results of the inspection, the inspected subject shall state them in writing within three working days from the date of receipt of the act on the results of the inspection. Comments and (or) objections shall be attached to the act on the results of the inspection, about which a corresponding note is made.

The authorized body in the field of language development or the local executive body of the region, city of republican significance, capital must consider the comments and (or) objections of the inspected subject about the results of the inspection and give a reasoned response within fifteen working days.

In case of refusal to accept an act on the results of the inspection, an act shall be drawn up and signed by the official carrying out the inspection and the head of the inspected subject or his authorized representative.

The subject being inspected shall have the right to refuse to sign the act by giving a written explanation of the reason for refusal.

13. The end of the inspection period shall be considered to be the day of delivery of the act on the inspection results to the inspected subject no later than date of the inspection completion specified in the act on the inspection appointment (additional act on extension of the period, if any).

14. The terms of execution of the act on the results of the inspection shall be determined taking into account the circumstances influencing the real possibility of its execution, but not more than thirty calendar days from the date of delivery of the act on the results of the inspection.

15. When determining the deadlines for the execution of the report on the results of the inspection, the following shall be indicated:

- 1) availability of organizational and technical capabilities to eliminate violations at the inspected subject;

- 2) deadlines for obtaining mandatory opinions, approvals, and other documents established by the laws of the Republic of Kazakhstan from state bodies.

16. After the expiration of the period for eliminating violations established in the act on the results of the inspection, the inspected subject, within the period established in the act on the results of the inspection, shall be obliged to provide information on the elimination of identified violations to the authorized body in the field of language development or the local executive body of the region, city of the republic meanings, the capital.

In case of failure to provide or incomplete provision of information on the elimination of identified violations, the authorized body in the field of language development or the local

executive body of the region, city of republican significance, capital shall appoint an unscheduled inspection in accordance with subparagraph 2) of paragraph 3 of this Article.

The inspected subject shall attach materials proving the fact of elimination of the violation to the information provided on the elimination of the identified violations (if specified in the act on the results of the inspection on the provision of material). In this case, an unscheduled inspection shall not be required.

17. In case of violation of the rights and legitimate interests of the inspected subject during an inspection, the inspected subject shall have the right to appeal decisions, actions (inaction) of officials of the authorized body in the field of language development or the local executive body of the region, city of republican significance, capital to a higher official or to the court in the manner established by the legislation of the Republic of Kazakhstan.

18. If, as a result of the inspection, the fact of violation by the inspected subject of the requirements established by the legislation of the Republic of Kazakhstan on languages is revealed, if there is sufficient data indicating signs of an administrative offense, officials of the authorized body in the field of language development or the local executive body of the region, city of the republic meaning, the capital, within the limits of their powers, shall take measures to bring persons who committed violations to responsibility established by the laws of the Republic of Kazakhstan.
